## HIGH SCHOOL REQUIREMENTS

## FRENCHTOWN GRADUATION REQUIREMENTS

The purpose of high school graduation requirements is to establish rigorous standards of learning. Graduation requirements are intended to provide the student with a well-rounded education in a variety of subjects and should be viewed as minimums. We encourage all students to pursue the most rigorous plan possible during all four years. Graduation requirements are those in effect when the student enters the 9th grade for the first time. Requirements for FHS graduation, entry to Montana University System Institutions, and NCAA/NAIA are different. If you plan to compete in athletics or continue your education at the college level, it is your responsibility to ensure that you meet the criteria required by all the applicable institutions.

## GRADUATION RESPONSIBILITIES

It is the student's responsibility to satisfy all FHS graduation requirements on time. Students not meeting FHS graduation requirements will not participate in the graduation ceremony. The diploma will only be issued after all graduation requirements have been satisfied.

## EARLY GRADUATION

FHS students who have met all graduation requirements after their seventh semester are able to graduate early.
Students should indicate the desire to graduate early during their sophomore year to ensure all credit requirements.
