### Report on the Audit of the Financial Statements

#### ***Opinions***

We have audited the accompanying Statement of Assets and Liabilities Arising from Cash Transactions of each fund and each account group as of June 30, 2023 and the Statement of Revenues Received/Revenues, Expenditures Disbursed/Expenditures, Other Sources (Uses) and Changes in Fund Balance of all governmental funds, Statement of Revenues Received/Revenues, and Statement of Expenditures Disbursed/Expenditures Budget to Actual for each budgeted governmental fund of Mahomet-Seymour Community Unit School District No. 3 for the year ended June 30, 2023, which collectively comprise Mahomet-Seymour Community Unit School District No. 3 as shown in the Annual Financial Report (AFR) and the related notes to the AFR as listed in the table of contents.

#### ***Unmodified Opinions on Regulatory Basis of Accounting***

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets and liabilities arising from cash transactions of each of the individual funds and each account group of Mahomet-Seymour Community Unit School District No. 3, as of June 30, 2023 and its revenue received and expenditures disbursed during the year ended for each governmental fund, each account group, and the respective budgetary comparison for each budgeted governmental fund, on the basis of accounting described in Note 1.

#### ***Adverse Opinions on United States Generally Accepted Accounting Principles***

In our opinion, because of the significance of the matter discussed in the Basis for Adverse Opinion on United States Generally Accepted Accounting Principles section of our report, the financial statements referred to above do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of Mahomet-Seymour Community Unit School District No. 3 as of June 30, 2023, or the changes in financial position for the year then ended.

#### ***Basis for Opinions***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Mahomet-Seymour Community Unit School District No. 3 and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

***Basis for Adverse Opinion on United States Generally Accepted Accounting Principles***

As described in Note 1, the financial statements are prepared by Mahomet-Seymour Community Unit School District No. 3 on the basis of the financial reporting provisions of the Illinois State Board of Education, which is a basis of accounting other than accounting principles generally accepted in the United States of America. The effects on the financial statements of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material and pervasive.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the financial reporting provisions of the Illinois State Board of Education. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Mahomet-Seymour Community Unit School District No. 3's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Mahomet-Seymour Community Unit School District No. 3's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### ***Supplementary Information***

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Mahomet-Seymour Community School District No. 3's regulatory financial statements. The accompanying supplementary schedules of the AFR are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary schedules on pages 25 to 27 are fairly stated, in all material respects, in relation to the regulatory financial statements taken as a whole.

### ***Other Information***

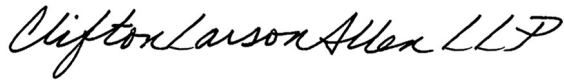

Management is responsible for the other information in the annual report. The other information comprises the Auditor's Questionnaire, Financial Profile Information, Estimated Financial Profile Summary, Statistical Section, CARES, CRRSA, and ARP Schedule, Report on Shared Services or Outsourcing, Administrative Cost Worksheet, Itemization Schedule, Deficit Reduction Calculation, and Audit Checklist/Balancing Schedule, but does not include the financial statements and our auditors' report thereon. Our opinions on the financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the financial statements, or the other information, otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Board of Education  
Mahomet-Seymour Community Unit  
School District No. 3

**Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued our report dated REPORT DATE on our consideration of the Mahomet-Seymour Community School District No. 3's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Mahomet-Seymour Community School District No. 3's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Mahomet-Seymour Community School District No. 3's internal control over financial reporting and compliance.

1	<b>DEFICIT ANNUAL FINANCIAL REPORT (AFR) SUMMARY INFORMATION</b> Provisions per Illinois School Code, Section 17-1 (105 ILCS 5/17-1)					
2	<i>Instructions: If the Annual Financial Report (AFR) reflects that a Deficit Reduction Plan is required as calculated below, then the school district is to complete the Deficit Reduction Plan in the annual budget and submit the plan to Illinois State Board of Education (ISBE) within 30 days after accepting the audit report. This may require the FY2024 annual budget to be amended to include a Deficit Reduction Plan and narrative.</i>					
3	The "Deficit Reduction Plan" is developed using ISBE guidelines and is included in the School District Budget Form 50-36, beginning with page 22. A plan is required when the operating funds listed below result in direct revenues (cell F8) being less than direct expenditures (cell F9) by an amount equal to or greater than one-third (1/3) of the ending fund balance (cell f11). That is, if the ending fund balance is less than three times the deficit spending, the district must adopt and submit an original budget/amended budget with ISBE that provides a "deficit reduction plan" to balance the shortfall within the next three years.					
4	- If the FY2024 school district budget already requires a Deficit Reduction Plan, and one was submitted, an updated (amended) budget is not required.					
5	- If the Annual Financial Report requires a deficit reduction plan even though the FY2024 budget does not, a completed deficit reduction plan is still required.

**MAHOMET-SEYMOUR COMMUNITY UNIT SCHOOL DISTRICT NO. 3**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2023**

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Following is a summary of significant accounting policies of Mahomet-Seymour Community Unit School District No. 3 (District):

**Principles Used to Determine Reporting Entity**

The definition of the reporting entity is based primarily on the notion of financial accountability. A primary government is financially accountable for the organizations that make up its legal entity. It is also financially accountable for legally separate organizations if its officials appoint a voting majority of an organization's governing body and either it is able to impose its will on that organization or there is a potential for the organization to provide specific financial benefits to, or to impose specific financial burdens on, the primary government. A primary government may also be financially accountable for governmental organizations that are fiscally dependent on it.

The District's reporting entity includes the District's governing board and is a primary government. There are no related organizations for which the District is financially accountable.

**Use of Estimates in Preparing Financial Statements**

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures during the reporting period. Actual results could differ from those estimates.

**Fund Accounting**

The accounts of the District are organized on the basis of individual funds and account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets and liabilities from cash transactions, fund equity, revenues received, and expenditures disbursed. School District resources are allocated to and accounted for in individual funds based upon the purpose for which they are to be spent and the means by which spending activities are controlled. The following funds are used by the District:

*Educational Fund*

The Educational Fund covers transactions that are not specifically covered in other funds. Certain expenditures that must be charged to this fund include the direct costs of instructional, health and attendance services, lunch programs, all costs of administration and related insurance costs. Certain revenues that must be credited to this fund include educational tax levies, tuition, and textbook rentals. Student activity funds are also part of this fund due to District administrative involvement.

*Operations and Maintenance Fund*

All costs of maintaining, improving, or repairing school buildings and property, renting buildings and property for school purposes, or paying of premiums for insurance on school buildings are charged to the Operations and Maintenance Fund.

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Fund Accounting (Continued)**

*Debt Services Fund*

This fund accounts for bonds that are generally issued to finance the construction of buildings and may be issued for other purposes, such as refunding other bonds. Other long-term debt, such as debt certificates and leases, are paid from this fund. Taxes are levied to provide cash to retire the debt and to pay the related interest.

*Transportation Fund*

Costs of transportation, including the purchase of vehicles and insurance on buses, are to be paid from this fund. Monies received for transportation purposes from any source must be deposited into this fund, except for the portion of state reimbursement applicable to other funds.

*Municipal Retirement/Social Security Fund*

This fund is used to account for separate tax levies to provide resources for the District's share of retirement benefits for covered employees and for the District's share of Social Security and Medicare payments for covered employees.

*Capital Projects Fund*

This fund is used to account for the financial resources to be used for the construction of major capital facilities.

*Working Cash Fund*

This fund is used to account for a separate tax levy for working cash purposes and for working cash bonds. Cash available in this fund may be loaned to any fund in order that the use of tax anticipation warrants in these funds can be reduced or eliminated. Also, interest earnings from this fund may be transferred to any fund.

*Tort Fund*

This fund is used to account for a separate tax levy for tort and the related allowable expenses.

*Fire Prevention and Safety Fund*

This fund is used to account for fire prevention and life safety bond proceeds and the restricted tax levy. Interest earned and premiums or proceeds remaining after the project is completed may be used for other approved life safety projects, transferred, and used to retire bonds or transferred and used for operations and maintenance purposes with an equal amount of operations and maintenance taxes abated.

**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2023**

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Prescribed Form Financial Statements**

These financial statements have been prepared in accordance with prescribed forms provided by the Illinois State Board of Education. Such forms do not provide for presenting the governmental activities, each major fund, or the aggregate remaining fund information.

**Basis of Accounting**

Basis of accounting refers to when revenues received and expenditures disbursed are recognized in the accounts and how they are reported on the financial statements. The District maintains its accounting records for all funds on the cash basis of accounting, under guidelines prescribed by the Illinois State Board of Education, modified for the recording of long-term liabilities and general fixed assets in separate account groups. Accordingly, revenues are recognized and recorded in the accounts when cash is received. In the same manner, expenditures are recognized and recorded upon the disbursement of cash. Assets of a fund are only recorded when a right to receive cash exists which arises from a previous cash transaction. Similarly, liabilities of a fund result from a previous cash transaction. In addition, Illinois State Board of Education requires reporting noncash transactions related to on-behalf payments made by Teachers Retirement System (See Note 6).

Cash basis financial statements omit recognition of receivables and payables and other accrued and unearned items that do not arise from previous cash transactions, and omit noncash transactions, except for donations of assets and inception of leases.

Accounting principles generally accepted in the United States of America require that fund revenues and expenditures be recognized on the modified accrual basis. Under modified accrual accounting, revenues are recognized in the accounting period in which they become available and measurable. Expenditures, if measurable, are recognized in the accounting period in which the fund liability is incurred.

**Fixed Assets and Long-Term Liabilities**

Fixed assets used in the individual fund operations (general fixed assets) are accounted for in the General Fixed Assets Account Group, rather than in the individual fund. All fixed assets are valued at historical cost or estimated historical cost if actual historical cost is not available. Donated fixed assets are valued at acquisition value on the date donated, when significant. To be considered a capital asset, an item must be at or above a capitalization threshold of \$5,000 and have an estimated useful life of greater than one year.

The fixed assets are being depreciated over their estimated useful lives ranging from 3 to 50 years on the straight-line method of depreciation.

Right-to-use lease assets are initially measured at the present value of payments expected to be made during the lease term, adjusted for lease payments made at or before the lease commencement date, plus certain initial direct costs. Subsequently, the lease asset is amortized in a systematic and rational manner over the shorter of the lease term or the useful life of the underlying asset.

Long-term liabilities expected to be financed from the individual funds are accounted for in the General Long-Term Debt Account Group, not in the individual funds.

**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2023**

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Budgetary Information**

The operating budget includes proposed expenditures and the means of financing them. The budget is legally enacted through a vote of the District's Board of Education. The District prepares the budget on the cash basis. The budget was passed on September 19, 2022.

For each fund, total fund expenditures may not legally exceed the budgeted expenditures. The budget lapses at the end of each fiscal year. All encumbrances lapse at the end of the fiscal year.

The District follows these procedures in establishing the budgetary data reflected in the financial statements.

1. Prior to July 1, the Superintendent submits to the Board of Education a proposed operating budget for the fiscal year commencing on that date. The operating budget includes proposed expenditures and the means of financing them.
2. A public hearing is conducted to obtain taxpayer comments.
3. Prior to October 1, the budget is legally adopted through passage of a resolution.
4. The Board of Education may make transfers between the various items in any fund not exceeding, in the aggregate, 10% of the total of such fund as set forth in the budget.
5. The Board of Education may amend the budget by the same procedure required of its original adoption.

**Vacation and Sick Pay**

Nonacademic staff employed by the District on a full-time basis are allowed 10 days of vacation each year. Those employed for more than seven years are allowed an additional five days. Custodial staff receive an additional two days after 15 years. Unused vacation is lost annually. Unused vacation upon termination is paid out.

Staff employees on a 12-month basis are allowed 15 sick days per year for certified personnel (16 days for noncertified). Staff employed on a 9-month basis are allowed 12 sick days. Unused sick days are not paid upon termination.

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Adoption of New Accounting Standards**

In May 2020, the Governmental Accounting Standards Board (GASB) issued GASB Statement No. 96, *Subscription-Based Information Technology Arrangements*. This standard defines a subscription-based information technology arrangement (SBITA); establishes that a SBITA results in a right-to-use subscription asset (an intangible asset) and a corresponding subscription liability; provides the capitalization criteria for outlays other than the subscription payments, including implementation costs of the SBITA; and requires disclosures regarding a SBITA.

The District adopted the requirements of the guidance effective July 1, 2022, and has applied the provisions of this standard to the beginning of the period of adoption. However, the adoption of the standard had no impact on the District's financial statements.

**NOTE 2 - INVESTMENTS AND DEPOSITS**

As of June 30, 2023, the District had demand cash and money market accounts with a book value of \$16,044,800. The District had no other investments.

*Custodial Credit Risk.* Custodial credit risk is the risk that in the event of a bank failure, the District's deposits or investments may not be returned to it. The District's policy requires all amounts deposited or invested with financial institutions in excess of insurance limits shall be collateralized with high quality, interest-bearing securities, equaling or exceeding the portion of the deposit requiring collateralization, pledged to the District. As of June 30, 2023, the District's demand cash and money market accounts had a bank balance of \$16,683,018 and were fully insured or collateralized.

**NOTE 6 - RETIREMENT PLANS**

The District participates in two retirement systems: The Teachers' Retirement System of the State of Illinois (TRS) and the Illinois Municipal Retirement Fund (IMRF). TRS is a cost-sharing multiple-employer defined benefit pension plan that was created by the Illinois legislature for the benefit of Illinois public school teachers employed outside the City of Chicago.

The Illinois Pension Code outlines the benefit provisions of TRS, and amendments to the plan can be made only by legislative action with the Governor's approval. The State of Illinois maintains primary responsibility for the funding of the plan, but contributions from participating employers and members are also required. The TRS Board of Trustees is responsible for the system's administration.

**Teachers' Retirement System of the State of Illinois**

TRS provides retirement, disability, and death benefits. TRS members include all active nonannuitants who are employed by a TRS-covered employer to provide services for which teacher certification is required. The active member contribution rate through June 30, 2023 was 9% of creditable earnings. These contributions, which may be paid on behalf of employees by the District, are submitted to TRS by the District. The active member contribution rate was 9% for the years ended June 30, 2022 and 2021.

**On-behalf Contributions.** The State of Illinois makes employer pension contributions on behalf of the District. For the year ended June 30, 2023, State of Illinois contributions were based on 10.49% of creditable earnings not paid from federal funds, and the District recognized revenue and expenditures of \$1,882,632 in pension contributions that the State of Illinois paid directly to TRS. For the years ended June 30, 2022 and 2021, the State of Illinois contribution rates as percentages of creditable earnings not paid from federal funds were 10.31%, \$1,736,757, and 10.41%, \$1,622,913, respectively.

The District makes other types of employer contributions directly to TRS:

**MAHOMET-SEYMOUR COMMUNITY UNIT SCHOOL DISTRICT NO. 3**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2023**

**NOTE 6 - RETIREMENT PLANS (CONTINUED)**

**2.2 Formula Contributions.** Employers contribute 0.58% of total creditable earnings for the 2.2 formula change. This rate is specified by statute. Contributions for the year ended June 30, 2023 were \$104,092. Contributions for the years ended June 30, 2022 and 2021, were \$97,703 and \$90,422, respectively.

**Federal and Special Trust Fund Contributions.** When TRS members are paid from federal and special trust funds administered by the District, there is a statutory requirement for the District to pay an employer pension contribution from those funds. Under a policy adopted by the TRS Board of Trustees that was first effective in the fiscal year ended June 30, 2006, employer contributions for employees paid from federal and special trust funds will be the same as the state contribution rate to TRS. Public Act 100-0340 now requires the two rates to be the same.

For the year ended June 30, 2023, the employer pension contribution was 10.49% of salaries paid from federal and special trust funds. For the years ended June 30, 2022 and 2021, the employer contribution was 10.31% and 10.41% of salaries paid from federal and special trust funds, respectively. For the year ended June 30, 2023, salaries totaling \$160,774 were paid from federal and special trust funds that required employer contributions of \$16,865. For the years ended June 30, 2022 and 2021, required District contributions were \$16,601 and \$16,601, respectively.

**Employer Retirement Cost Contribution.** Under GASB Statement No. 68, contributions that the District is required to pay because of a TRS member retiring are categorized as specific liability payments. The District is required to make a one-time contribution to TRS for members granted salary increases over 6% if those salaries are used to calculate a retiree's final average salary.

A one-time contribution is also required for members granted sick leave days in excess of the normal annual allotment if those days are used as TRS service credit. For the year ended June 30, 2023, the District paid \$-0- to TRS for employer contributions due on salary increases in excess of 6% and \$-0- for sick leave days granted in excess of normal allotment. For the years ended June 30, 2022 and 2021, the District paid \$-0- to TRS for employer contributions due on salary increases in excess of 6%, respectively, and \$-0- for sick leave allotment.

**Further Information on TRS.** TRS issues a publicly available financial report that can be obtained at <https://www.trsil.org/financial/acfrs/fy2021>; by writing to the Teachers' Retirement System of the State of Illinois, P.O. Box 19253, 2815 West Washington Street, Springfield, IL 62794, or by calling (888)678-3675, option 2.

**Teacher Health Insurance Security**

The District participates in the Teacher Health Insurance Security (THIS) Fund, a cost-sharing, multiple-employer defined benefit postemployment healthcare plan that was established by the Illinois legislature for the benefit of Illinois public school teachers employed outside the City of Chicago. The THIS Fund provides medical, prescription, and behavioral health benefits, but does not provide vision, dental, or life insurance benefits to annuitants of the Teachers' Retirement System (TRS). Annuitants not enrolled in Medicare may participate in the state-administered participating provider option plan or choose from several managed care options.

**Teacher Health Insurance Security (Continued)**

The State Employees Group Insurance Act of 1971 (5 ILCS 375) outlines the benefit provisions of THIS Fund and amendments to the plan can be made only by legislative action with the Governor's approval. Effective July 1, 2012, in accordance with Executive order 12-01, the plan is administered by Illinois Department of Central Management Services (CMS) with the cooperation of TRS. Section 6.6 of the State Employees Group Insurance Act of 1971 requires all active contributors to the TRS who are not employees of the state make a contribution to the THIS fund.

The percentage of employer required contributions in the future will not exceed 105% of the percentage of salary actually required to be paid in the previous fiscal year.

**On-behalf Contributions to THIS Fund.** The State of Illinois makes employer retiree health insurance contributions on behalf of the District. State contributions are intended to match contributions to THIS Fund from active members which were 0.90% of pay during the year ended June 30, 2023. State of Illinois contributions were \$161,522, and the District recognized revenue and expenditures of this amount during the year.

The 2023 report is listed under "Central Management Services." Prior reports are available under "Healthcare and Family Services."

As of June 30, 2023, the total number of active employees participating in TRS was 352 and there were no retirees participating in THIS.

The District plan is affiliated with the Illinois Municipal Retirement Fund (IMRF), an agent multiple-employer plan. Benefit provisions are established by statute and may only be changed by the General Assembly of the State of Illinois. **Illinois Municipal Retirement Fund (Continued)**

**Funding Policy.** As set by statute, the District plan members are required to contribute 4.50% of their annual covered salary. The statute requires employers to contribute the amount necessary, in addition to member contributions, to finance the retirement coverage of its own employees. The employer contribution rate for calendar year 2022 was 11.56% and for 2023 is 9.76%. The employer also contributes for disability benefits, death benefits and supplemental retirement benefits, all of which are pooled at the IMRF level. Contribution rates for disability and death benefits are set by the IMRF Board of Trustees, while the supplemental retirement benefits rate is set by statute.

**Contributions Made.** The District contributed \$521,862 for fiscal year 2023. The amounts contributed for fiscal years 2022 and 2021 were \$542,927 and \$561,192, respectively.

The required contribution for 2022 was determined as part of the December 31, 2020, actuarial valuation using the entry age normal actuarial cost method. The actuarial assumptions at December 31, 2020, included (a) 7.25% investment rate of return (net of administrative and direct investment expenses), (b) projected salary increases of 2.75% a year, attributable to inflation, (c) additional projected salary increases ranging from 2.85% to 13.75% per year depending on age and service, attributable to seniority/merit, and (d) postretirement benefit increases of 3% annually.

As of December 31, 2022, total membership in the Plan under the District is 452 members, which includes: Retirees and beneficiaries of 167, inactive, non-retired members of 164, and active members of 121.

**Other Postemployment Benefits**

The benefits, benefit levels, employee contributions and employer contributions are governed by the District and can be amended by the District through its personnel manual and union contracts. The plan is not accounted for as a trust fund, as an irrevocable trust has not been established to account for the plan. The retirees pay 100% of the premiums related to the plan.
