# *Christmas* BABYSITTING DAY

SATURDAY DECEMBER  
16TH

Hello all! My name is Caroline Dobson and this year for my senior project I am hosting a Babysitting Day at the EMS to allow all parents to wrap Christmas presents, go Christmas shopping without their children, or just have a few hours to yourselves. For more information about this please refer to the back of this paper!

**When?** Saturday, December 16th from 1-5pm

**Who?** All JCN students grades K-5th

**Where?** The commons room at the Elementary School

**Cost?** \$10 per child, but if you have more than two children attending every child after the second will only cost \$5. All the proceeds will go towards helping FBLA members pay off their dues for the 2024-2025 school year.

While your student is here they will be participating in interactive Christmas games, decorating ornaments and making Christmas cards!
