2022-2023 RHLSD Middle Schoolwide Plan Sharing with Stakeholders

Schoolwide Component	Bullet Points for Sharing with All Stakeholders
Comprehensive Needs Assessment A Schoolwide plan is based on a comprehensive needs assessment of the entire school that considers the academic achievement of children, particularly children who are failing or at-risk of failing, to meet state standards and any other factors as determined by the district.	 Analyzed/reviewed data as the basis for the Building Level Action Plan Based on test data, the building leadership team identified instruction, assessment, and climate as the target areas of need
Involvement of Stakeholders The schoolwide plan is developed with key stakeholder involvement.	As part of the Ohio Improvement Process, parents are included in the District Leadership Team (DLT) / Building Leadership Team (BLT) process, where the Building Level Action Plan is monitored and reviewed.
Coordination and Integration of Services and Resources The services and resources outlined in the plan are coordinated and integrate other federal, state and local services, resources and programs, if appropriate. These include programs supported under ESSA, as well as violence prevention, nutrition, housing, adult education, career tech, and focus schools receiving School Improvement 1003 funds.	 Special education and Title I services are components of Richmond Heights Middle School Response to Intervention framework Richmond Heights Middle School is an Inclusive school and the staff utilizes the co-plan, teach, serve (C3) method of teaching the Ohio Learning Standards Staff meetings and Building Leadership Team meetings are used to share information and assure that the programs and services support students The Middle School coordinates the use of Title I, Title II professional development, Title III English Learners, Title IV Well-Rounded Education and Special Education (IDEA) funds to implement services to support all students based on the Building Level Action Plan

Regularly Monitored

The school regularly monitors and revises its plan and implementation based on student needs, so it can provide all students opportunities to meet state standards.

- The Middle School staff regularly monitor, review and revise instructional support for the academic success of students during weekly Teacher Based Team (TBT) meetings, monthly Building Leadership Team (BLT) meetings and regular District Leadership Team (DLT) meetings.
- District level monitoring and support may occur two times a school year as the BLT conducts building walk-throughs to visit classrooms. DLT provides feedback based on the Building Level Action Plan to the school BLT.

Publicly Available and Understandable

The schoolwide plan must be available and understandable to the district, parents and the public.

- The school wide plan is posted on The Middle School's website
- The school wide plan is available at community events and upon request to the Title I District office
- Translations of the school wide plan are available in various languages.

Evidence-Based Strategies

Use evidence-based strategies that the school will be implementing to address school needs that provide opportunities for all children...[U]se methods and evidence-based instructional strategies that strengthen the academic program of the school, increase the amount and quality of learning time, and help provide an enriched and accelerated curriculum, which may include programs, activities, and courses necessary to provide a well-rounded education.

- Teacher Based Teams, Building Leadership Team,
 District Leadership Team (OIP)
- Balanced literacy while using the teaching learning cycle (plan, teach, reflect, assess) in Focused lessons/activities using core reading program
- Implement Math Core Content Lessons (7-8)
- Implement Short Cycle Assessments
- Implement TBT and targeted Data usage
- Co-Plan, Serve and Teach
- Inquiry-based teaching and learning
- Research-based interventions

High Quality and Continuous Professional Development

Provide high quality and ongoing professional development and other activities for teachers, paraprofessionals, and other school personnel to improve

- Monthly staff meetings
- Targeted PD, such as MAP report usage, Data Literacy, SEL, etc..
- Instructional Coach support
- C3
- District PD opportunities organized by Educational Services
 Team (such as grade level meetings and conference style
 PD days)

instruction and use of data from academic assessments.	
Increased Parental Involvement Design evidence-based strategies for more effective parental involvement, and to revise, the parent and family engagement policies.	 Offer opportunities: Literacy Night, Math Night, Coffee & Conversation, book club, performances, Curriculum Night, Booster Club etc Welcome letters, invitations to families to get to know the school and staff before the year begins (Back to School Fair) Monthly Parent meetings am/pm times offered Parent surveys The family engagement plan is based on the evidence-based Epstein's Six Types of Parent Involvement and partner with the NNPS
Transition for Middle School Strategies for assisting Elementary students to Middle school programs.	 Families invited to get to know school and staff before the year (Back to School Fair) The district shares information with families and host Middle School Transition Night Middle School Teaming
Properly Licensed Teachers and Paraprofessionals Ensure all teachers and instructional paraprofessionals providing instruction are properly licensed and qualified.	All Middle School staff satisfy Qualified Status per ORC (teachers and paraprofessionals)

Address the Needs of All Children

Address the needs of all children, particularly those at risk of not meeting the challenging State academic standards. Strategies describe activities that may include:

- (a) counseling, mental health programs, mentoring services, and other strategies to improve students' skills outside the academic subject areas;
- (b) postsecondary education and the workforce, which may include career and technical education, coursework to earn postsecondary credit while still in high school, e.g., AP, IB, Dual enrollment;
- © implementation of a schoolwide tiered model to prevent and address problem behavior, and early intervening services, coordinated with similar activities and services carried out under the Individuals with Disabilities Education Act (IDEA)

- MTSS framework provides a tiered system of support
- Restorative Practices are being introduced in all schools this year
- Enrichment is provided by acceleration, CCP, Honors and AP courses
- English Learner (EL) students are supported by an EL teacher
- Full-time School Counselor(s) at each school
- School Therapeutic Social Workers are available to all families
- Community outreach (mobile dentist, wrap around services, mobile pantry, etc...)

Measuring Adult and Student Measures

Reports will address the federal requirement for monitoring implementation of programs funded with federal funds. (ESEA Sections 1003, 1112, 1114, 1115) An essential part of the planning process is determining if progress is occurring, or if adjustments need to occur.

- Monitor the effectiveness and implementation during the life of the plan.
- Use High Quality Student Data
- Use Adult Implementation Data
- Use the OIP to collect, analyze and monitor
- Create progress reports for the district and buildings to use with leadership teams for plan monitoring
