

**The Truth or Consequences Municipal School District**  
**Student Survey Opt-Out Form, Grades 3-12**

**November 6, 2023**

Our district will be participating in the NMPED Student Wellbeing & Competencies Survey for Grades 3-12, which is scheduled to be administered to students on Wednesday, December 6, 2023 – December 14, 2023. We highly value your input and understand that your child's participation in such surveys is a personal decision.

The NMPED Student Wellbeing & Competencies Survey aims to gather information about various aspects of student wellbeing and competencies. While we believe that this survey can provide valuable insights for improving our educational practices, we respect the right of parents to make decisions regarding their child's participation.

If you wish to opt out of having your child participate in the survey, please complete the information below. This form ensures that your child will not be included in the survey, and their privacy will be fully respected.

We want to assure you that your decision to opt-out will not in any way impact your child's standing in the school or their educational experience. We are committed to respecting the choices of parents and guardians regarding matters that pertain to their children.

Thank you for your understanding and cooperation in this matter. We appreciate your involvement in your child's education and value your partnership in creating a positive and supportive learning environment.

Please complete the information below if you wish to opt your child out of the survey:
