

Hillsboro Elementary

A Note from Mr.
Detweiler & Mr. Jacquot

Parents and Guardians,

We hope this message finds you well and that your child has had a fantastic start to the school year! As we wrap up the first month of classes, we wanted to provide you with an update on what's been happening at our elementary school.

•Parent-Teacher Conferences: Please mark your calendars for our upcoming parent-teacher conferences scheduled for the week of October 23rd, more info will come directly from your classroom teacher. This will be an excellent opportunity to discuss your child's progress and set goals for the rest of the year.

•Community Engagement: Our school community is thriving, thanks to the involvement of our parents and guardians. We have already enjoyed a successful STEM Night and Movie Night. Be on the lookout for more fun events coming up!

•Dress code: Reminder all students should be dressed appropriately for school. Please refer to the Elementary Handbook on the school website for specifics.

•Please do not send your student with a ball from home for recess. We will provide more recess equipment for all students.

We're looking forward to the continued growth and achievements of our students as we progress through the school year. Thank you for entrusting us with your child's education, and for your ongoing support.

Word of the
Month:

Respect

(Next month -
Responsibility)

3rd Grade: Mrs. Ramsey

The 3rd grade classroom highlight for this month is Mrs. Ramsey's class. She has been doing a great job teaching her students the routines of a new building. They have already been diving into parts of a sentence and learning about character traits, as well as hitting those multiplication tables!

4th Grade: Mrs. Sansoucie

These 4th graders have been off to a great start this year, enjoying some fun get to know you activities. One fun thing you might see in this classroom, is a weekly word search competition with the teacher to introduce spelling words. We also want to welcome Ms. Hailey Massey who will be student teaching this semester.
