

# HILLSBORO ELEMENTARY

Dear Parents and Guardians,

We want to take this opportunity to thank everyone for their support over this past semester. It takes a whole community to help our elementary students, and we are lucky to have such a caring school family.

Over the past month our students have participated in a toy drive to help other children in need. They have also collected items for a local nursing home that is in need. They have done a great job spreading holiday cheer and helping others.

We also want to give a shout out to our counseling department who have raised money and collected gifts to help multiple families in our area have a memorable holiday season.

The Elementary staff would like to wish everyone a safe and happy holiday season as we move into a new year!

Thank you  
Mr. Detweiler & Mr. Jacquot
