To whom it may concern,

Given our current busing situation, ISD 319 will not be able to provide bus service for any of our cooperative sports that we offer beginning Monday 3/18/2024 until further notice. We would like to continue to offer all the sports that we have traditionally offered with as little interruption as possible.

Unfortunately, transportation to and from Nashwauk to Coleraine is going to be the responsibility of the student-athlete and their family. We are diligently working to have this situation resolved as soon as possible. In the meantime, you will need to provide your own transportation. It is also necessary that you sign and return the following transportation agreement before being able to participate.

Waivers will be emailed home to all of our registered families to the email address provided during registration later this evening.. They can be signed electronically via computer or cell phone, which automatically will be emailed to Principal Torgerson.. There will also be a link to the transportation waiver on isd319.org under High School > Activities > Transportation Agreement and Waiver. Paper copies will be available at the high school office as well.

Please email any questions to Principal/AD Max Torgerson at mtorgerson@isd319.org.

Thank you,

Max Torgerson
