- Have Your Student Present the ID to the METRO Bus Operator or METRO Connect Driver Upon Boarding

Important Notes For Trip-Planning

METRO is still operating reduced service as part of its COVID-19 pandemic response. Several routes that existed before the pandemic are no longer in operation, permanently, including routes to Jacksonville, Sherwood and Maumelle. **Service alerts may be found at the top of rrmetro.org or within the Service Alerts submenu of the free METROtrack app. Check for active service alerts before each trip to see the latest transit service information.**

Additional Key Information

The federal mask mandate for public transportation is no longer in place as of this flyer publication. Students are encouraged to wear face masks to the CDC while riding during periods of increased community COVID-19 caseloads.

Students are expected to follow METRO's Code of Conduct, which can be found under the Rider Info/Rider Information section of rrmetro.org. Failure to follow the Code of Conduct could result in suspension from the transit system.

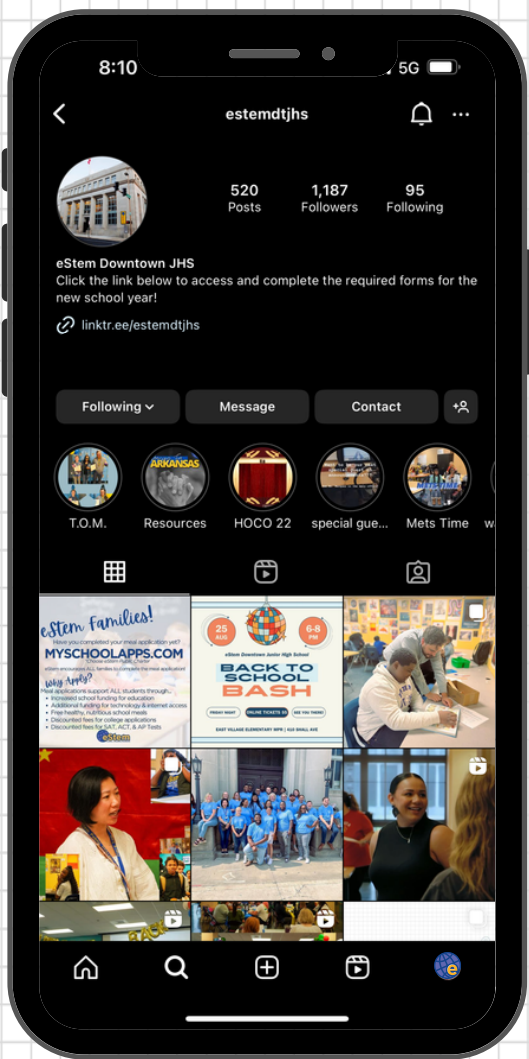

Please visit rrmetro.org/metro-transit-101/ for more information on planning trips and using real-time arrival technology to learn exactly when your student's bus will arrive at a specific stop.

Did you know? Monday, June 20, 2022 METRO launched expanded and new METRO Connect microtransit zones. Find zone maps, schedules, points of interest and connecting route information under the Services tab at rrmetro.org, then select METRO Connect. Scroll down the landing page for "how to" information.

Hall Sweeps

Students have four minutes to transition to each class, and we want to help our students understand the importance of punctuality. When we conduct hall sweeps, students are made aware well in advance to make sure to be on time to avoid an automatic detention. **Should your student experience an issue during a certain transition, please email Asher.Henry@estemschools.org or Brandon.Love@estemschools.org about that particular transition time.**

NOTES FROM THE NURSE

If your child has any cold or flu-like symptoms, please keep them home.

- **Our district-wide policy states:**
 - Any student who has 2 or more symptoms of illness including headache, sore throat, runny/stuffy nose, cough, diarrhea, fatigue, body aches, shortness of breath, chest pain, fever, etc. will be sent home. A fever does not have to be present in order to send a student home.
 - Any student that has these cold/flu symptoms must be picked up from school. Students should remain home until symptom and/or fever free for 48 hours without fever-reducing medication or as directed by their physician. The parent should consider contacting their physician for further instructions and notify the Director of any test results they may receive.
 - We encourage all students and family members, medically able, who are 12 years old or older to get their Covid vaccination.

Please call or email with any concerns or questions.
