## CLASSROOM INSIGHT

Students in Mr. Hudd's classes have been learning about watercolor this unit and how it is a unique medium in art. They have been creating monochromatic landscapes with watercolors. Each student got to pick a color of their choice and design their own scenery. Their landscapes have multiple layers as we show foreground, midground, and background in our pictures. These different areas use watercolor techniques like wet-on-wet, wet-on-dry, and dry brush to create blurry and defined areas. As students prepare for their final vocabulary assessment over watercolor, their art gives them hands-on experience with these words.

Ask to see your student's landscape!

### Campus Access & Student Check In/Out

**Students need to attend school for the purpose of taking their final exams.** They may arrive late or leave early depending on exam exemptions. It is the student's responsibility to arrive on time for the exams they are required to take. If the student arrives for the exam period, they are required to stay in class for the duration of the period (whether or not they are exempt from the exam.) You may check out your child through our normal early check out procedure. If you would like to make your 9th grade child a walker during finals week, please contact Ms. Marquez or Mrs. Washington.

[ella.washington@estemschools.org](mailto:ella.washington@estemschools.org)

### Make Up Exams

Make up exams should be scheduled with the teacher. Please meet with your teacher as soon as possible if you are unable to take your exams during your regularly scheduled periods.

### What is 40-40-20?

Semester grades are calculated as the sum of 40% of the first quarter grade, 40% of the second quarter grade, and 20% of the final exam grade.

*(If a student is exempt from their final, the 20% will be an average of their first and second quarter grades.)*

**(First Quarter % x 0.4) + (Second Quarter % x 0.4) + (Final Exam % x 0.2) = Semester Grade**

### Example

My child has to take the chemistry exam. They received an 85% first quarter and a 75% second quarter. They made an 80% on the final exam. The 85% from the first quarter will count for 40% of the final grade and the 75% from the second quarter will count for 40% of the final grade. The 80% from the final exam will count for 20% of the final grade. The student's final grade will be an 80%.

$$(85 \times 0.4) + (75 \times 0.4) + (80 \times 0.2) = 80\%$$

#### Important Notes For Trip-Planning

METRO is still operating reduced service as part of its COVID-19 pandemic response. Several routes that existed before the pandemic are no longer in operation, permanently, including routes to Jacksonville, Sherwood and Maumelle. **Service alerts may be found at the top of [rmetro.org](http://rmetro.org) or within the Service Alerts submenu of the free METROtrack app. Check for active service alerts before each trip to see the latest transit service information.**

#### Additional Key Information

The federal mask mandate for public transportation is no longer in place as of this flier publication. Students are encouraged to wear face masks to follow the Code of Conduct while riding during periods of increased community COVID-19 caseloads.

Students are expected to follow METRO's Code of Conduct, which can be found under the Rider Info/Rider Information section of [rmetro.org](http://rmetro.org). Failure to follow the Code of Conduct could result in suspension from the transit system.

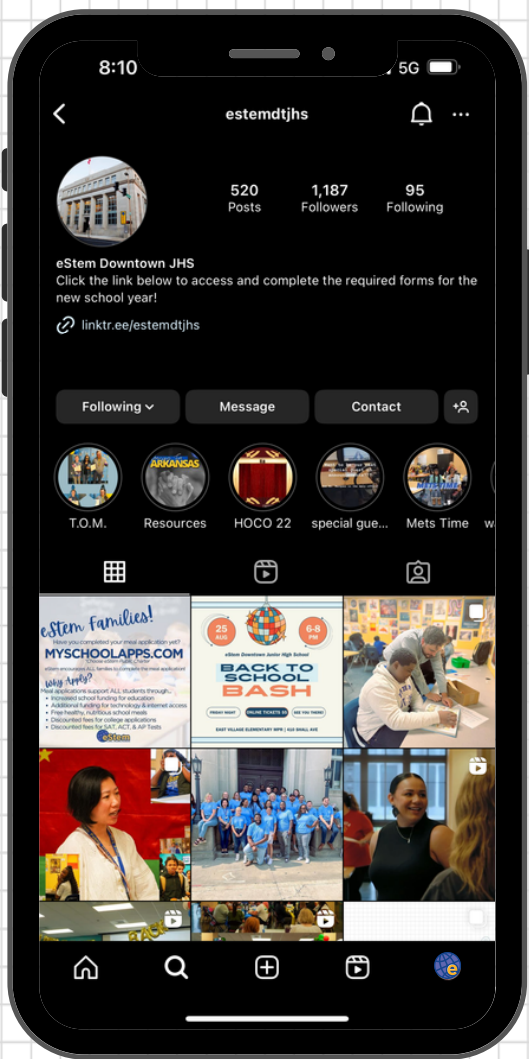

Please visit [rmetro.org/metro-transit-101/](http://rmetro.org/metro-transit-101/) for more information on planning trips and using real-time arrival technology to learn exactly when your student's bus will arrive at a specific stop.

Did you know? Monday, June 20, 2022 METRO launched expanded and new METRO Connect microtransit zones. Find zone maps, schedules, points of interest and connecting route information under the Services tab at [rmetro.org](http://rmetro.org), then select METRO Connect. ## Hall Sweeps

Students have four minutes to transition to each class, and we want to help our students understand the importance of punctuality. When we conduct hall sweeps, students are made aware well in advance to make sure to be on time to avoid an automatic detention. **Should your student experience an issue during a certain transition, please email [Asher.Henry@estemschools.org](mailto:Asher.Henry@estemschools.org) or [Brandon.Love@estemschools.org](mailto:Brandon.Love@estemschools.org) about that particular transition time.**

# NOTES FROM THE NURSE

If your child has any cold or flu-like symptoms, please keep them home.

- Our district-wide policy states:
  - Any student who has 2 or more symptoms of illness including headache, sore throat, runny/stuffy nose, cough, diarrhea, fatigue, body aches, shortness of breath, chest pain, fever, etc. will be sent home. A fever does not have to be present in order to send a student home.
  - Any student that has these cold/flu symptoms must be picked up from school. Students should remain home until symptom and/or fever free for 48 hours without fever-reducing medication or as directed by their physician. The parent should consider contacting their physician for further instructions and notify the Director of any test results they may receive.
  - We encourage all students and family members, medically able, who are 12 years old or older to get their Covid vaccination.

Please call or email with any concerns or questions.
