

Family Care Safety Registry - Background Screening (Worker Registration Form)

All applicants to the Saline County Career Center Practical Nursing Program must submit and pass a background screening through the Missouri Department of Health & Senior Services.

Saline County Career Center will process the background check.

To do this we need you to please complete the Missouri Department of Health and Senior Services Family Care Safety Registry Worker Registration form.

- **The FCSR form needs to be sent to the SCCC Adult Education Center.**
- **SCCC's Application Fee covers the cost of this background screening.**

A form is included in this packet. Form can also be downloaded.
