School districts across the country received American Rescue Plan Elementary and Secondary School Emergency Relief (ESSER III) Funds to help address COVID-19 recovery. ESSER III funds are one-time expenditures that must be used to meet the needs and on-going impact resulting from the COVID-19 pandemic. The funding is intended to assist in safely reopening and sustaining the safe operation of schools and address the impact of the Coronavirus pandemic on students such as learning loss. The interventions and activities planned using ESSER III funds will help address our students

Akron School District sought stakeholder input through presentations to the District Accountability Committee (DAC), articles in the local newspaper, and presentations to the Board of Education.
