## USD 108 Endowment Association Purpose:

The Endowment Association has been created to operate in connection with USD 108 to develop private funds which will enhance and stimulate the educational experience for students, faculty and staff in the school district.

### This will include:

- Post-secondary scholarships to colleges, universities, vocational and technical schools to worthy USD 108 students.
- Grants for educational projects throughout the USD 108 system.
- Financial support to supplement the teaching resources available to instructors employed by USD 108.
- Soliciting, accepting, receiving and administering contributions of funds or property to be invested and reinvested by the association to accomplish these and other goals for the Endowment Association.

If you would like to become a benefactor of the USD 108 Endowment Association, please complete the information below and send it to:
