GTA offers online reporting tool

If you or your child have a safety concern at school, the best and most effective way to address it is to contact a school official. If you are more comfortable sharing information anonymously, please remember that Grand Traverse Academy has joined forces with STOPit Solutions. This online reporting tool is designed to deter and mitigate bullying, cyber abuse and other at-risk behaviors and actions before they escalate. STOPit provides students and parents access to the STOPit mobile app to make anonymous reports that alert school administrators to issues of concern. Privacy of student data is always a priority. We encourage all

parents to read the attached flyer, view the [STOPit training video](#) and download the app with your family today from the [Apple App Store](#) or [Google Play](#). Questions may be directed to [Mrs. VanHouzen](#), [Mrs. Patrzik](#) or [Mrs. Floering](#).

Secondary exams scheduled

First semester exams for junior high and high school students are scheduled for Tuesday-Thursday, January 16-18. Note that Wednesday and Thursday will be half days for Secondary students and there will be no school for any students on Friday, January 19. A complete exam schedule is attached.

YOUR RECEIPT

scan store receipts, find participating products and instantly add Box Tops to our earnings online. No more clipping, taping onto collection sheets and dropping them off at school!

Save your Oleson's receipts, please! Do you shop at Oleson's Food Markets? Did you know that your cash register receipts are worth money for our school? With the Oleson's

Community Share Program, you earn "Community Share Points" each time you shop (with the exception of alcohol purchases). One point equals one cent, so if you spend \$100 on groceries, you've earned \$1 for GTA! These points add up quickly. It's easy to participate – simply save your receipts and deposit them in the box just to the right of the Elementary Office door.

Dear Parent/Guardian,

We are pleased to announce that our school has enrolled with STOPit, by STOPit Solutions

STOPit is an online reporting tool designed to deter and mitigate bullying, cyber abuse, and other inappropriate behaviors, consisting of an app and a back-end incident management system for school administrators.

Our students will have access to the STOPit mobile app, which has two simple but powerful features.

Specifically, the program educates students to:

- Recognize the signs of at-risk behaviors
- Take every sign and signal seriously
- Report it anonymously through STOPit App/Web or 24/7 Incident Response Center
- Submit photo or video evidence (App/Web Only)
- Alert designated administrators to issues and risks early, before they escalate

No personal information is needed to use STOPit. The only way personally identifiable information will be accessible through STOPit is if a requester voluntarily includes it within the content of a request or message.

Both our school and STOPit are committed to protecting the privacy of student data. STOPit is a signatory to the [Student Privacy Pledge](#), spearheaded by the Future of Privacy Forum and the Software & Information Industry Association. You may review STOPit's [Privacy Policy](#) for details, including more information on how anonymous reporting works.

Students have the power to help put an end to harmful and inappropriate behavior they see online through social media and other means. They can use STOPit to reach out for help if they or a peer are facing a personal crisis or experiencing bullying, abuse, or are otherwise in need of assistance. Our goal with STOPit is to create safer, kinder, school communities both online and off.

We encourage you to download the STOPit app and search for your students' school using the directory. You can privately ask for help for your student, family, others you care about, or even acquaintances who appear to need help. For a video on how to use STOPit, go to: [Student Training Video](#).

Together, we can make sure everyone in our community gets what they need to thrive. Thank you!
