WELCOME TO SUMMER 2024 at Wichita Collegiate School

Are you looking for a place where your student will continue learning, make lasting friendships, and explore hidden talents? Then look no further! Our Summer Explorations program has more than 100 classes spread over seven weeks for every age, interest, ability, and schedule. Offerings include academic classes for credit and enrichment, sport clinics, team camps, classes in visual and performing arts, plus chess, cooking, LEGOs, science, technology, and much more! Our experienced Collegiate teachers, distinguished guest faculty, and expert coaches, artists, and musicians look forward to helping your student reach their goals and develop new passions this summer.

This catalog begins with Week at a Glance class listings divided by student age: Early Childhood, Lower School, Middle School, Upper School, and Adult. Following these listings, all classes are listed alphabetically with full course descriptions.

If you need more information or assistance, please call the Wichita Collegiate Summer Explorations office at **316-771-2289** or send an email to summerexplorations@wcsks.com.

I look forward to a wonderful summer together!

Junilda Farnar

Director, Summer Explorations 2024

PLEASE NOTE:

- * Enroll your students according to their grade level for the upcoming 2024-25 academic year.
- * All additional registration forms and/or health forms must be returned prior to attending the first class. They can be found in your confirmation email and on the Summer Explorations webpage located at wcsks.com/page/summer-exploration.
- * Save 10% on your class fee when you refer a *new student to attend the same class. You must designate the referral when enrolling. After the class ends, the referring student will be reimbursed 10% as a thank you for bringing a friend! (*attending a Summer Explorations class for the first time)
- * Students attending both a morning and afternoon class must leave campus in between classes.

GENERAL INFORMATION

Summer Programs Dates and Times

Summer Explorations runs June 3 through July 26, 2024. Classes are available for all ages from preschool to adult. We provide Kids Club from 7:30 a.m. to 9:00 a.m. and from 3:00 p.m. until 5:30 p.m. for students attending full day classes only.

Lunch

Nutritious lunches prepared by SAGE Dining Services may be purchased by the week or for the entire summer. Students 1st Grade and older may bring a lunch from home; Early Childhood students may not. We provide a supervised lunch period from 11:30 a.m. to 12:30 p.m. ONLY for students attending our Camp Collegiate, Spartan Quest, and Young Explorers full day classes.

Fees

All fees are paid via our online registration system with a credit or debit card. Fees must be paid in advance of the class. When registering online you may choose to pay in full or elect the Payment Plan, which requires a 40% deposit with the remaining due on Wednesday the week before the first day of class. The registrant accepts that Wichita Collegiate School will automatically deduct any balance due for a class in the manner provided. Wichita Collegiate School reserves the right to automatically deduct any delinquent or outstanding balances without notification.

Online Registration and Parent Portal

Our system has two parts: the online registration platform and the parent portal. The online registration link will take you to that module for new course registration. The parent portal link will allow you to view your enrolled courses and financial account, as well as print statements and make payments. Both of these links are available on the Summer Explorations web page located at wcsks.com/page/summer-exploration.

Cancellations or Refunds

Payments will be refunded if any class is cancelled by Wichita Collegiate School at any time. If the class is NOT cancelled, a refund minus an administration fee for each course will be given if the request to withdraw is made by email prior to two weeks before the first day of class. The administration fee will be either \$25 or 5.5% of the class fee, whichever is greater.

Behavior Policy

Wichita Collegiate School reserves the right to request withdrawal of any student whose conduct, attendance, or progress is deemed undesirable or unsatisfactory. Failing to conform to the school's rules and regulations can cause immediate dismissal without refund. Possession or use of alcohol, tobacco, drugs, or firearms is prohibited.

Program Information

For additional information about Summer Explorations, call 316-771-2289 or email summerexplorations@wcsks.com. Information can be provided by each division office. For information concerning admissions for the academic school year, contact the Office of Enrollment at 316-771-2203.

About Wichita Collegiate School

Wichita Collegiate School is an independent, college preparatory day school located on 43 acres at 9115 E. 13th Street on the east side of Wichita. The school has four educational divisions: Early Childhood (age 2-Kindergarten), Lower School (Grades 1-4), Middle School (Grades 5-8), and Upper School (Grades 9-12). Wichita Collegiate School admits students without regard to gender, race, creed, or ethnic origin.

AT WICHITA COLLEGIATE SCHOOL

COURSE DESCRIPTIONS

listed alphabetically

ACT Prep for Critical Reading & Writing

Jillian King

Feed your body and mind! Get testing help and great snacks in a relaxed environment! Let's be honest: no one associates summer vacation with standardized test prep. However, for those brave souls willing to accept the challenge, we will be having great breakfast snacks as well as coffee, cocoa, and juice to ease into the morning. Our class will focus primarily on two areas: test-taking strategies to assist on the multiple-choice sections, and writing strategies and individual analysis to assist on timed essays. Students that are planning to take the ACT on June 8 or July 13 could certainly benefit from this course.

Email jking@wcsks.com with questions.

6/3 - 6/6 (M-Th) 8:00 AM - 10:00 AM Grades 9-12 \$210

ACT Prep for Mathematics

Jack Stewart

This test preparation class will include a review of the mathematical concepts and strategies needed for a high level of success on the ACT. Each session will help students maximize their potential score by familiarizing them with the test format and types of questions, developing strategies with which to approach the test, and stressing areas to improve. Participants will be asked to complete practice problems and practice ACT tests outside of class. Students planning to take the ACT on June 8 or July 13 could certainly benefit from this course.

Email jstewart@wcsks.com with questions.

6/3 - 6/6 (M-Th) 10:15 AM - 12:15 PM Grades 9-12 \$210

ACT Prep for Science

Danielle Gerstner

This class will prepare students to take the science section of the ACT by teaching skills and test-taking strategies to improve their score. We will review science concepts, break down the structure of the science section, and focus on ways to maximize the time students have during the test. There will be time to go through questions together as well as for individual practice. Students planning to take the ACT on June 8 or July 13 could certainly benefit from this course.

Email dgerstner@wcsks.com with questions.

6/3 - 6/6 (M-Th) 1:15 PM - 3:15 PM Grades 9-12 \$210

American Girl 1

Tanya Leddy

Come spend the week exploring the worlds of Felicity, Samantha, Molly, Courtney, and Lila! Learn more about the eras of these American Girls with crafts, stories, snacks, and games. Bring along your doll and be prepared to have fun!

Email tleddy1@wcsks.com with questions.

6/3 - 6/7 1:00 PM - 3:30 PM Grades 1-5 \$160

American Girl 2

Tanya Leddy

Come spend the week exploring the worlds of Kirsten, Rebecca, Nanea, Lila, and a mystery character! Learn more about the eras of these American Girls with crafts, stories, snacks, and games. Bring along your doll and be prepared to have fun!

Email tleddy1@wcsks.com with questions.

7/8 - 7/12 1:00 PM - 3:30 PM Grades 1-5 \$160

Anatomy & Physiology for Credit

Danielle Gerstner

This course is designed to offer students in Grades 10-12 the equivalent of a year-long study of Human Anatomy & Physiology. This rigorous, fast-paced class will cover the equivalent of three school days in each single 3-hour session. Students will participate in a variety of hands-on learning experiences through labs, six dissections, and working with the ANATOMY IN CLAY® skeletons. New for Summer 2024 we will also utilize an Anatomage Table, which offers the students the ability to explore human anatomy in a virtual format on a 7-foot touchscreen table. Expect this academic experience to be highly engaging, exciting, and rewarding! This course will conclude with an in-person final on Friday, July 26. Price includes lab fee.

Academic courses taught during Summer 2024 will follow the guidelines described by the 2023-24 Upper School Handbook. Students are permitted a maximum of three excused absences to obtain academic credit for the course due to the amount of material covered each day.

Completion of this course satisfies the Wichita Collegiate School graduation requirement for one academic elective credit. This class does not reduce tuition for the 2024-25 school year at WCS. This class will show on the student's academic transcript. Please note withdrawal/drop information listed below.

*Class withdrawal/drop guidelines:

- May 20: \$45 cancellation fee, no impact on transcript
- June 17: \$145 cancellation fee, no impact on transcript
- June 24: \$195 cancellation fee, WP or WF designation on transcript
- June 28: no refund of class cost, WP or WF designation on transcript, final day to drop course

Email dgerstner@wcsks.com with questions.

There are no classes the week of July 1-5.

6/3 - 7/19 9:30 AM - 12:30 PM Grades 10-12 \$1,020

Art Makers: Fun with Fiber Arts

Meg Carte

Artists will create with an assortment of fibers, such as string, yarn, and wool roving as we explore a variety of fiber projects to create amazing fiber art masterpieces.

Email mcarte@wcsks.com with questions.

6/17 - 6/21 9:00 AM - 11:30 AM Grades 1-6 \$160

Art Makers: Tiny Travel Trailer

Meg Carte

Artists will construct their own tiny, vintage travel trailer from cardboard with windows and an open back for interior design exploration.

Email mcarte@wcsks.com with questions.

6/24 - 6/28 9:00 AM - 11:30 AM Grades 1-6 \$160

Artistic Adventures

Kara Hanna

Let your child's inner artist shine through! We will engage in a variety of artistic methods and materials, allowing children to explore new processes, express their creativity, and create their own unique artwork.

Email khanna@wcsks.com with questions.

7/22 - 7/26 9:00 AM - 11:30 AM Ages 3-5 \$160

Basketball Camp: Boys

Mitch Fiegel

If you are interested in a real basketball camp, then Coach Fiegel has the camp for you! Our primary goal is to prepare boys to be successful as basketball players. We focus on three areas to make that happen: fundamentals, attitude, and work ethic. We want every young man who leaves our camp to have a total and complete understanding of what it takes to be successful in the game of basketball.

Over the past 35 years, Coach Fiegel has won six State Championships (1993, 1996, 2007, 2009, 2010, 2016). His TEAMS have also finished second (1998, 2015), third (1994, 2011), and fourth (2017). In 2020 the TEAM made it to State finals but the tournament was canceled due to the COVID-19 pandemic. Overall his TEAMS have made 15 State tournament appearances. Coach Fiegel was chosen by the Wichita Eagle as their Metro Coach of the Year in 2007, 2009 and 2010, and Coach of the Year in 2007 and 2016. During the 2023-24 basketball season he celebrated with Wichita Collegiate School and his family upon achieving his 600th win as a head basketball coach.

When you think about what camp to choose this summer, ask yourself:

- Do you want a tough and challenging camp?
- Is 30+ years of summer camp experience important to you?
- Do you want your child to work harder than ever while having fun at the same time?
- Do you, at some point, hope that your child will be a high school player on a great TEAM?

If the answer is yes to any of these questions, then this is the camp for you. We are committed to providing a challenging and instructional experience for your child. Every player will receive a basketball report card to evaluate his current skill level, as well as a camp T-shirt. Each session will be limited to 30 students to ensure quality instruction for each boy – so make sure to enroll early, as spots fill up quickly!

Email mfiegel@wcsks.com with questions.

7/8 - 7/11 (M-Th)	10:30 AM - 12:00 PM	Grades K-2	\$135
7/8 - 7/11 (M-Th)	1:30 PM - 3:30 PM	Grades 3-5	\$135
7/15 - 7/18 (M-Th)	1:00 PM - 4:00 PM	Grades 6-8	\$145

Basketball Camp: Girls

Dylan Heath

This fun and exciting camp is open to any girl looking to improve and expand on her basketball skills. Dribbling, passing, shooting, defense, and rebounding will all be taught at this camp. Coach Heath is excited to bring back the youth camps and is looking forward to meeting some future Spartan basketball players!

6/24 - 6/27 (M-Th)	1:00 PM - 2:30 PM	Grades 4-7	\$125
6/24 - 6/27 (M-Th)	3:00 PM - 4:00 PM	Grades K-3	\$100

Beginning Photography

Amy Cunningham

Learn the basics of digital photography and improve your iPhone camera skills! We will have fun photo shoots and experiment with different styles of photography in this workshop. Students will leave the class with their printed works to take home. Cameras will be provided for student use during this class.

Email acunningham@wcsks.com with questions.

6/10 - 6/13 (M-Th)	11:00 AM - 12:30 PM	Grades 7-9	\$200
7/8 - 7/11 (M-Th)	11:00 AM - 12:30 PM	Grades 7-9	\$200

Best of PE Games!

Briana Peterson

Does your student want to get a little exercise and have fun while doing it? Let's get them moving and playing the best of PE games! Take a break from the hot July sun or from spending too much time on the couch to get sweaty and have fun with your friends!

Email brianakpeterson@gmail.com with questions.

7/22 - 7/26	1:00 PM - 3:30 PM	Grades 2-5	\$160
-------------	-------------------	------------	-------

Building Math Fluency Using Mental Math

Stacy Gould

Learning mental math strategies is an excellent way to develop number sense and fluency. We will spend the week going over strategies while using addition, subtraction, and multiplication of whole numbers, decimals, and fractions.

Email sgould@wcsks.com with questions.

7/15 - 7/19	9:00 AM - 11:30 AM	Grades 4-6	\$175
-------------	--------------------	------------	-------

Calling All Girls! Summer Reading Club

Allison Fiegel

Come join a fun 6-week journey filled with books, friendship, and endless adventure! This is a safe place for girls to come together and share a common love of literature. Everyone's voice will be heard and celebrated while sharing thoughts, engaging in discussions, and discovering new perspectives. This class is designed specifically for girls who are reading enthusiasts. A different book will be read every two weeks; sign up for one two-week session or all three! Books and treats will be provided.

Email afiegel@wcsks.com with questions.

Weeks 1-2: Mystery	6/3 - 6/14
Weeks 3-4: Fantasy	6/17 - 6/28
Weeks 5-6: Realistic Fiction	7/8 - 7/18

6/3 - 6/13 (M/Th)	3:00 PM - 4:00 PM	Grades 5-6	\$100
6/17 - 6/27 (M/Th)	3:00 PM - 4:00 PM	Grades 5-6	\$100
7/8 - 7/18 (M/Th)	3:00 PM - 4:00 PM	Grades 5-6	\$100

Camp Collegiate

Scott Hawley

Camp Collegiate is a fast-paced, fun-based learning experience that will make summer days fly by! Boys and girls in Grades 3-8 will spend their days with friends and counselors participating in traditional camp activities like swimming, cooking out on a campfire, arts and crafts, having treats, horseback riding, games... and a lot of not-so-traditional activities, like feeding and caring for snakes and hamsters, studying ecosystems and astronomy, competing in science challenges, and building woodworking and electronics projects. Fun off-campus trips will include visiting the Oklahoma salt flats, exploring Tanganyika Wildlife Park and the Sedgwick County Zoo, as well as going to Bowlero, All-Star Adventures, and ice skating. Kids will make great memories in this camp, and often say it's one of the best parts of their summer! Each day at camp begins at 9:00 AM with a game of Capture the Flag and ends at 3:00 PM with a fun closing activity where the "Happy Camper" for the day is announced. With all the amazing activities that this camp has to offer, it's a tremendous value for the price.

Week 1: Explore the Great Outdoors I	6/3 - 6/7
Week 2: Machine Building	6/10 - 6/14
Week 3: Physics is Fun	6/17 - 6/21
Week 4: Explore the Great Outdoors II	6/24 - 6/28
Week 5: Cool Chemistry	7/8 - 7/12
Week 6: "Camp Sherlock" Code-Cracking	7/15 - 7/19
Week 7: Explore the Great Outdoors III	7/22 - 7/26

Email shawley@wcsks.com with questions.

There are no classes the week of July 1-5.

**Please note: Students attending Camp Collegiate are not allowed to be enrolled in a half-day (morning or afternoon) camp in the same week.*

6/3 - 7/26	9:00 AM - 3:00 PM	Grades 3-8	\$320/week
------------	-------------------	------------	------------

Camp Disney

Theresa Naumann

Come spend a week immersed in the magic of Disney! Design your own Disney park map, recreate some of the most popular park snacks, sing along with your favorite movie songs on karaoke, and play Disney-themed board games. Each week will have different activities, and all supplies are included.

Email tnaumann@wcsks.com with questions.

6/10 - 6/14	1:00 PM - 3:30 PM	Grades 2-5	\$180
6/17 - 6/21	1:00 PM - 3:30 PM	Grades 2-5	\$180

Camp Disney Junior

Theresa Naumann

Come spend a week immersed in the magic of Disney! Enjoy special character dress-up days, Disney crafts, stories, and sing-alongs! Each week will have different activities, and all supplies are included.

Email tnaumann@wcsks.com with questions.

6/10 - 6/14	9:00 AM - 11:30 AM	Ages 4-5	\$160
6/17 - 6/21	9:00 AM - 11:30 AM	Ages 4-5	\$160

Ceramics for Middle-Schoolers

Steve Naumann

Learn the basics of working with clay and experience the joy of making something useful and beautiful. Students will explore various hand-building techniques, experiment with the potter's wheel, and end the week with completed ceramics projects to take home.

Email snaumann@wcsks.com with questions.

6/10 - 6/14	9:00 AM - 12:00 PM	Grades 5-8	\$230
-------------	--------------------	------------	-------

Cheer Camp

Shawna Horsch

This camp is a perfect fit for both the athlete who wants to begin tumbling and cheering, and anyone ready for the next step of participating in Lower School or Middle School Cheer. We will work on cheers, jumps, stunting, and tumbling skills based on ability, as well as on strength and flexibility training. The camp will include a daily craft, games, team-building exercises, and a performance for families at the end of the week. Each student will receive a competition-style cheer bow, and all levels of experience are welcome to participate.

Email shorsch@wcsks.com with questions.

7/15 - 7/19	9:00 AM - 11:30 AM	Grades 1-6	\$180
-------------	--------------------	------------	-------

Chess Class: Advanced (Virtual) Josh Fernandes

Students will go a step further from the Beginner class. We will discuss various openings and begin developing an opening repertoire to use for tournaments. Additionally, we will analyze more advanced middle and endgame scenarios, review some grandmaster games, and develop a strategy for how to think before every move. This class is designed for students already participating in tournaments with some reasonable experience with chess. Sessions will be conducted virtually using Zoom, and students will play each other using virtual chess boards.

Email jjf80000@gmail.com with questions.

6/4 - 6/13 (Tu/Th)	3:15 PM - 5:00 PM	Grades 1-12	\$150
7/9 - 7/18 (Tu/Th)	3:15 PM - 5:00 PM	Grades 1-12	\$150

Chess Class: Beginner (Virtual)

Josh Fernandes

Students will be taught in small groups according to their skill level. We will cover opening strategies for queen and king pawn, basic and advanced middlegame tactics, endgame strategy, and chess notation. After this class, students will be prepared for tournament play. Josh has 10+ years of experience playing chess on the state and national level. Sessions will be conducted virtually using Zoom, and students will play each other using virtual chess boards. This class will begin on Wednesday and end on the following Friday.

Email jjf80000@gmail.com with questions.

6/5 - 6/14 (M/W/F)	3:15 PM - 4:30 PM	Grades 1-12	\$150
7/8 - 7/19 (M/W/F)	3:15 PM - 4:30 PM	Grades 1-12	\$150

Come Sail Away!

Masumeh Zarei

Welcome to an exciting and interactive STEM camp designed specifically for young learners to embark on a journey of discovery. This hands-on class is crafted to ignite curiosity and foster critical thinking in children.

Email mzarei@wcsks.com with questions.

7/8 - 7/12	9:00 AM - 11:30 AM	Ages 3-5	\$160
------------	--------------------	----------	-------

Cooking A to Z

Shawna Horsch

Calling all mini chefs! Does your student love to help in the kitchen? Do they want recipes that they can fix themselves? If so, this camp is for them! Each day will feature a different letter of the alphabet, and students will get to sample their creations and take recipes home for future cooking.

Email shorsch@wcsks.com with questions.

6/3 - 6/7	9:00 AM - 11:30 AM	Grades 1-4	\$195
6/3 - 6/7	1:00 PM - 3:30 PM	Grades 1-4	\$195

Cooking Up Science

Kellie Atkinson

If you like creating in the kitchen and want to learn about the science behind some common kitchen ingredients, join me for this class! Students will make tasty items like homemade ice cream as well as non-edible creations like lava lamps using ordinary kitchen ingredients.

Email kellieratkinson@gmail.com with questions.

7/15 - 7/19	9:00 AM - 11:30 AM	Grades 1-4	\$175
-------------	--------------------	------------	-------

Cricut Makers & Sublimation Camp

Ana Ryan

If you're just getting started with Cricut die-cutting or are ready to take your crafting to the next level, this class is for you! We will explore some of the best tips and tricks to help you become a Cricut pro. Our creations will include scrapbooking clips, stickers, tumblers, window decals, HTV shirts, and wooden veneer plaques. Let's explore your Cricut creativity... the possibilities are endless! You won't want to miss this week-long creator class. Price includes all supplies.

Email aryan@wcsks.com with questions.

6/10 - 6/14	9:00 AM - 11:30 AM	Grades 5-12	\$200
7/8 - 7/12	9:00 AM - 11:30 AM	Grades 5-12	\$200

Design Your Own Olympics

Katie Messamore

This project-based class will get students excited for the Paris 2024 Summer Olympics while sharpening their academic skills. Throughout the week we will research Olympic history, design logos, maps, and mascots, prepare budgets, practice public speaking, and more! Students will work creatively and collaboratively with friends as they design a bid for the city of their choice to host a future Olympic games, while enjoying Olympic-themed competitions and snacks.

Email kmessamore@wcsks.com with questions.

6/3 - 6/7	9:00 AM - 11:30 AM	Grades 4-7	\$165
-----------	--------------------	------------	-------

Dinosaur Dig

Missy Kotkin

Come join us for this fun-filled dinosaur week! We will go digging for dinosaur bones, make fizzy dinosaur eggs, dig up frozen dinosaurs, create dinosaur tracks, make dinosaur slime, erupt a volcano, and so much more!

Email mkotkin@wcsks.com with questions.

7/22 - 7/26	9:00 AM - 11:30 AM	Ages 4-5	\$160
-------------	--------------------	----------	-------

Drumset Camp

Sam Hake

Drumset Camp will be a week full of drum excitement! Students will learn the basics in rock and pop drumming and how to further their skills for playing with any type of group. We will learn how to read a drum chart, play along to music, and more. Music knowledge and experience are encouraged, and players are welcome to bring their own drum kit. The week will culminate with a performance on Friday afternoon where we will rock out as a group. Both beginner and intermediate classes will be offered. The instructor will notify parents to let them know which class their student will be in before the camp.

Email shake@wcsks.com with any questions.

6/10 - 6/14 9:30 AM - 11:30 AM Grades 5-9 \$235

Engineering is Elementary

Kellie Atkinson

Who said engineering can't be elementary? Students will learn about physics, structural engineering, and mechanical engineering while designing treehouses, boats, bridges, and more. Join us for a week of fun, project-based engineering activities!

Email kellieratkinson@gmail.com with questions.

7/8 - 7/12 9:00 AM - 11:30 AM Grades 1-4 \$175

Executive FUNction Junction

Kristin Freed

Join the fun as we work on developing the essential skills necessary for students to thrive in all aspects of their life. These skills include focus, attention, self-control, communication, critical thinking, self-directed learning, and taking on challenges. Students will complete a variety of novel, stimulating activities both individually and within groups to facilitate the development of these skills. Kristin has over 20 years experience as an Occupational Therapist with extensive training in sensory integration, visual processing, and neurodevelopment, and is able to couple her experience as a teacher with the knowledge of how kids learn to achieve a "just right balance" of fun and learning.

Email kfreed@wcsks.com with questions.

6/5 - 6/26 (W) 9:00 AM - 11:30 AM Grades K-3 \$260

Folklore Galore

Masumeh Zarei

This summer camp adventure will introduce children to the rich world of folklore, where imagination knows no bounds. Every day is an adventure into the heart of storytelling, crafting, puppeteering, and dance – an experience your little ones will cherish forever. Enroll now for a week filled with magic and wonder!

Email mzareei@wcsks.com with questions.

7/15 - 7/19 9:00 AM - 11:30 AM Ages 3-5 \$160

Garden to Table

Heather Varchavchik

This class will playfully explore the beauty of fruits and vegetables through art, science, and literature. Each day children will experience foods through taste, touch, and smell while investigating their beautiful form and color. The campus planting beds, gardens, and strawberry patch will be explored to help children make the connection between plants and nutritious food.

Email hdvarcha@gmail.com with questions.

7/8 - 7/12 9:00 AM - 11:30 AM Ages 3-5 \$160

Geometry City

Stacy Gould

Summer is calling, and geometry is ready to play! Join "Geometry City," a fun adventure for students in Grades 4-8 where we'll revisit shapes, angles, and unlock secrets like area, perimeter, surface area, and volume. Build epic 3D models, solve puzzling challenges, and create your own "Geometry Wonderland" in a final project. Master shapes, boost confidence, and discover how geometry rocks your world – from pizza slices to pyramids! Sign up and get ready to conquer the shapes with a smile!

Email sgould@wcsks.com with questions.

7/8 - 7/12 9:00 AM - 11:30 AM Grades 4-8 \$180

Government for Credit

Hans Widener

This course is designed to offer students in Grades 10-12 a comprehensive study of government in the United States, including the basic principles at local, state, and federal levels. They will be introduced to our political culture through an examination of our institutions, processes, and public places. The class will primarily utilize a project-based format and will include several guest speakers from various government institutions. On Friday, July 12, students will be given an in-class final. The following and final week of class (Monday-Friday, July 15-19) will not be in person as students will be completing a research project at home.

Academic courses taught during Summer 2024 will follow the guidelines described by the 2023-24 Upper School Handbook. Students are permitted a maximum of three excused absences to obtain academic credit for the course due to the amount of material covered each day.

Completion of this course satisfies the Wichita Collegiate School graduation requirement for one academic elective credit. This class does not reduce tuition for the 2024-25 school year at WCS. This class will show on the student's academic transcript. Please note withdrawal/drop information listed below.

*Class withdrawal/drop guidelines:

- May 20: \$45 cancellation fee, no impact on transcript
- June 17: \$145 cancellation fee, no impact on transcript
- June 24: \$195 cancellation fee, WP or WF designation on transcript
- June 28: no refund of class cost, WP or WF designation on transcript, final day to drop course

Email hwidener@wcsks.com with questions.

There are no classes the week of July 1-5.

6/3 - 7/19 9:30 AM - 12:30 PM Grades 10-12 \$945

The Great Collegiate Baking Class:

Cake Week 1.0

Elly Widener

It's Cake Week in the WCS Teaching Kitchen! Students will ease into baking and cake decorating this first week of the Great Collegiate Baking Class. Bakers will make cupcakes, a mini cupcake pull-apart "cake," cake pops, and a mini personal cake showstopper. Students will use their creativity while gaining experience and confidence in the kitchen. Bakers of all skill levels are welcome. Price includes ingredients and supplies.

Email ewidener@wcsks.com with questions.

6/17 - 6/21 1:00 PM - 3:30 PM Grades 2-8 \$200

The Great Collegiate Baking Class:

Cake Week 2.0

Elly Widener

Go big or go home! Cake Week 2.0 will have students partnering up to design, bake, and decorate two full-sized cakes this week. A customizable special occasion cake will give bakers some practice in assembling and finishing a cake for any event. The week will end with a small showstopper cake the student will imagine, design, and create on their own from scratch. Bakers of all skill levels are welcome. Participation in Cake Week 1.0 is encouraged but not required to attend this class. Price includes ingredients and supplies.

Email ewidener@wcsks.com with questions.

6/24 - 6/28 1:00 PM - 3:30 PM Grades 2-8 \$200

The Great Collegiate Baking Class:

Cookie Week

Elly Widener

Cookies are the star of this week! Students will learn to make different types of cookies, including their choice of huge drop cookies (like chocolate chip), a miniature frosted cookie cake, and brownies. Two days will be spent baking and decorating summer-themed sugar cookies with royal icing, perfect to share with family by the pool! Bakers of all skill levels are welcome. Price includes ingredients and supplies.

Email ewidener@wcsks.com with questions.

7/8 - 7/12 1:00 PM - 3:30 PM Grades 2-8 \$200

HIIT It!

Tiffany Lippoldt

Come "HIIT it" to get your heart rate up, move your body, and have some fun working out! Students in this High Intensity Interval Training class will learn various exercises and formats, primarily using body weight exercises. This class will be held immediately following morning classes ending at 11:30 AM, so students can come get a quick workout in before heading to afternoon activities. All fitness levels are welcome.

Email tlippoldt@wcsks.com with questions.

6/4 - 6/27 (Tu/Th) 11:35 AM - 12:30 PM Grades 5-12 \$100

Home Run Heatwave:

Hitting Math Out of the Park This Summer

Joni Monty

This summer, step out of the dugout and into the batter's box of math mastery with Home Run Heatwave! Get ready to boost your math confidence and skills, discover the surprising connection between math and sports, develop critical thinking and problem-solving abilities, make new friends, and have a ton of fun. It's time to hit your math goals out of the park!

Email jmonty@wcsks.com with questions.

6/24 - 6/28 1:00 PM - 3:30 PM Grades 3-5 \$160

ImagiPLAYtion:

Astronauts, Aliens & Space Cadets

Elly Widener

Go out of this world! Children will let their imaginations lead the way as they pretend to explore the final frontier. Everything will be provided to create a make-believe space voyage, as well as books and songs to complete the fun. Structured imaginative play is the star of this class, and students won't know they're learning!

Email ewidener@wcsks.com with questions.

7/8 - 7/12 9:00 AM - 11:30 AM Ages 3-5 \$160

ImagiPLAYtion:

Explorers, Voyagers & Travelers

Elly Widener

Ships ahoy! Your child will follow their treasure map wherever they can imagine! A world of unexplored waters and lands await in an environment created to inspire make-believe. Students will hear stories and learn songs as they spend a week of fun in imaginative play.

Email ewidener@gmail.com with questions.

6/17 - 6/21 9:00 AM - 11:30 AM Ages 3-5 \$160

ImagiPLAYtion:

Knights, Princesses & Fairy Tales

Elly Widener

"Once upon a time..." Children will decide what comes next! Your child will join friends to play and imagine themselves in their favorite fairy tale stories, or make up their own. Familiar sing-along songs and books will round out this imaginative play-centered class.

Email ewidener@wcsks.com with questions.

6/24 - 6/28 9:00 AM - 11:30 AM Ages 3-5 \$160

ImagiPLAYtion:

Planes, Trains & Automobiles

Elly Widener

Children will spend the week as pilots, conductors, and drivers as they pretend and play with friends. Along with imaginative play, your child will also have space to build elaborate train tracks and racetracks, as well as sing songs and read books. Let their imagination take the wheel as they create and play!

Email ewidener@wcsks.com with questions.

6/10 - 6/14 9:00 AM - 11:30 AM Ages 3-5 \$160

Improv: WCS Live!

Rosemarie Wood

Students will learn improv games, exercises, and how to create a character in this class led by a former Second City director. We will work to improve public speaking and performance skills while team building and having fun, and perform a Second City style improv show.

Email rwood@wcsks.com with questions.

6/3 - 7/26 (M/W/F) 9:00 AM - 11:30 AM Grades 7-8 \$160

Jump Start into Kindergarten

Masumeh Zarei

Is your child gearing up for the exciting adventure of Kindergarten? This class will give them the perfect head start! Whether your child is new to Wichita Collegiate School or just looking to fine-tune their skills, this week-long program promises engaging activities to boost reading and math readiness, explore the wonders of science, and enhance fine motor skills in a hands-on environment.

Email mzarei@wcsks.com with questions.

7/22 - 7/26 9:00 AM - 11:30 AM Grade K \$200

Jump Start into 1st Grade

Renee Shofner

Welcome to 1st Grade! This class is a great way for your student and family to feel comfortable with the transition into Lower School. Your child will engage in activities using math, science, language arts, and fine arts. Let's "jump" into 1st Grade together!

Email rshofner@wcsks.com with questions.

7/22 - 7/26 8:00 AM - 11:30 AM Grade 1 \$275

Jump Start into 2nd Grade

Janae Miller

Come join us for a sneak peek of learning as a 2nd Grader! This class is a great way to "jump start" your 2nd Grade year, with opportunities to learn new skills in math, reading, and writing. Let's soak up the final weeks of summer and get excited for 2nd Grade!

Email jmiller1@wcsks.com with questions.

7/22 - 7/26 8:00 AM - 11:30 AM Grade 2 \$275

Jump Start into 3rd Grade

Laura Reed

Come upstairs and see how fun 3rd Grade is going to be! We will read and get a head start on AR points, review math in fun ways, and refresh our writing skills using creative writing activities. Come join your friends and let's get a "jump start" into 3rd Grade.

Email lreed@wcsks.com with questions.

7/22 - 7/26 8:00 AM - 11:30 AM Grade 3 \$275

Jump Start into 4th Grade

Joni Monty

4th Graders will discover the excitement of what it means to be the leaders of Lower School, and participate in a variety of activities allowing them to learn more about the upcoming school year. Get ready for a week of math games, STEM challenges, utilizing technology, cooking in the WCS Teaching Kitchen and much more. Don't miss this chance to have fun learning and get a "jump start" on the new school year in 4th Grade!

Email jmonty@wcsks.com with questions.

7/22 - 7/26 8:00 AM - 11:30 AM Grade 4 \$275

Jump Start into 5th Grade

Joel Walker

Join your fellow 5th Graders as we engage in fun academic activities to get ready for Middle School. Let's read, write, review grammar skills and key math concepts, stretch our brains, and have a great time getting our minds prepared for this big step. We will tour the Middle School and work on opening lockers so you can slide into 5th Grade with ease.

Email jwalker@wcsks.com with any questions.

7/22 - 7/26 8:00 AM - 11:30 AM Grade 5 \$275

7/22 - 7/26 12:30 PM - 4:00 PM Grade 5 \$275

Jump Start into 6th Grade

Joe Gehrer

Get ready for a great year in 6th Grade! Join us as we review math and grammar skills, travel around the world with Shepherd Software, read a novel or two, and study up on science! Students will get their hands on their Surface Pro to get acclimated to the new technology, and we will try our hand at Breakout EDU. Give yourself a "jump start" into 6th Grade!

Email jgehrer@wcsks.com with questions.

7/22 - 7/26 8:00 AM - 11:30 AM Grades 6 \$275

Jump Start into 7th Grade Biology

Saul Steffen

Come get a fun introduction to each of the units that we will cover in 7th grade Biology. Activities will include educational games that introduce students to key vocabulary and concepts.

Email ssteffen@wcsks.com with questions.

7/22 - 7/25 (M-Th) 1:00 PM - 3:30 PM Grades 7 \$175

Jump Start into 7th Grade Pre-Algebra

Stacy Gould

This is an introductory course to Pre-Algebra open to students in Grade 7. Topics covered will include integer operations, rational numbers, and balancing equations. Notes and practice problems will be provided during this session.

Email sgould@wcsks.com with questions.

7/22 - 7/25 (M-Th) 9:00 AM - 11:30 AM Grade 7 \$175

Jump Start to Algebra I

Jack Stewart

This class will give students a "jump start" on the first several chapters of Algebra I. We will review order of operations; practice solving, writing, and graphing equations and inequalities; and solving and graphing systems. Students will also work to fortify the math foundations that provide a basis for all high school and college math courses. This is a great way to ease back into school and get ready for a great year of Algebra I!

Email jstewart@wcsks.com with questions.

7/15 - 7/18 (M-Th) 9:00 AM - 11:30 AM Grades 7-9 \$175

Jump Start to AP Biology

Danielle Gerstner

Over the course of this week students will get an introduction to AP Biology and practice the skills necessary for success on the AP Biology exam. This will include practicing AP-style multiple choice and short answer questions, and practice with reading and digesting scientific information found in graphs and tables. Students will also have time to work on the content-based summer assignments for Unit 1 (Chemistry of Life) and receive additional help if needed. This class is highly recommended for any student taking AP Biology in the 2024-25 school year and planning on taking the AP exam at the end of the year.

Email dgerstner@wcsks.com with any questions.

7/22 - 7/25 (M-Th) 1:00 PM - 3:00 PM Grades 10-12 \$175

Jump Start to APUSH

Hans Widener

Over the course of this week students will get an introduction to AP United States History and practice the skills necessary for success on the APUSH exam, including stimulus-based multiple-choice questions, AP-style short answer questions, and document-based questions. Additionally, students will get a jump on the course by learning supplemental content from the first and second units of APUSH. This class is highly recommended for any student taking APUSH in the 2024-25 school year and planning on taking the AP exam at the end of the year.

Email hwidener@wcsks.com with questions.

7/15 - 7/18 (M-Th) 10:00 AM - 12:00 PM Grade 11 \$175

Jump Start to Geometry

Jack Stewart

This class will give students a “jump start” on the first several chapters of Geometry. We will review geometric foundations (points, lines, planes, angles), parallel/perpendicular lines, triangles, and an invaluable introduction to formal logic and proofs. Students will learn the basics of Geometry and construct a mental scaffold onto which other Geometry content can be easily built.

Email jstewart@wcsks.com with questions.

7/8 - 7/11 (M-Th) 9:00 AM - 11:30 AM Grades 8-10 \$175

Jump Start to PreCalculus

Jen Ragan

Get ready for PreCalculus by reviewing Algebra II skills such as factoring, solving quadratics and simplifying exponents, and transformations of functions, and learning some new concepts. Students will prepare to conquer the challenge of PreCalculus while having fun with engaging activities and math games.

Email jragan@wcsks.com with questions.

7/22 - 7/25 (M-Th) 9:00 AM - 11:00 AM Grades 10-12 \$175

Junior Forensic Investigators

Jennifer Sayahnejad
& Saul Steffen

Explore the fascinating world of forensic science! Join us for an immersive experience where you can learn the basics of crime scene investigations, analyze fingerprints, and more. Through hands-on activities, participants will learn the skills used by real forensic scientists to solve mysteries. Cultivate curiosity, critical thinking, and teamwork in a fun and educational environment, and unravel the thrilling science behind solving crimes.

Email jsayahnejad@wcsks.com or ssteffen@wcsks.com with questions.

6/24 - 6/27 (M-Th) 9:00 AM - 11:30 AM Grades 5-8 \$150

Kids Club

WCS Staff

Summer Explorations offers childcare before and/or after all-day classes (Camp Collegiate, Little Spartans Day Camp, Spartan Quest, Young Explorers only) for children ages 3-5 years, and students in Grades 1-8. Kids Club is a group experience where children spend time with friends in activities according to their interests. Kids Club is available free of charge from 7:30-9:00 AM, and at \$12 per hour from 3:00-5:30 PM, Monday through Friday. Kids Club is billed monthly per use, or you may enroll in the full summer unlimited use option for \$800.

There are no classes the week of July 1-5 so no Kids Club will be offered during that time.

6/3 - 7/26	7:30 AM - 9:00 AM	Ages 3-5	No Charge
6/3 - 7/26	7:30 AM - 9:00 AM	Grades 1-8	No Charge
6/3 - 7/26	3:00 PM - 5:30 PM	Ages 3-5	\$12/Hour
6/3 - 7/26	3:00 PM - 5:30 PM	Grades 1-8	\$12/Hour

LEGO Explorations!

Martha Leaf

Gears, levers, pulleys, wheels, and axles bring models to life! Projects can range from building a step-by-step merry-go-round to inventing a vehicle replacing Cinderella’s broken-down pumpkin coach on the way to the ball. The guided explorations and inventive applications are appropriate for both interested beginners and experienced LEGO fans. LEGO Technic Kits and simple machine sets of 200+ pieces give every student the opportunity to explore areas of mechanical engineering through simple machines and structural experiments. Activities will focus on exploring, investigating, and problem-solving, and will provide challenging transitions from two-dimensional pictures into three-dimensional models. Students will gain great hands-on experiences, boost trial-and-error confidence, and learn valuable lessons in compromising during partner work. Open-ended design challenges will capture your child’s imagination! Thousands of additional pieces from LEGO resource sets will spark new and experienced summer LEGO builders. The grand finale will bring simple machines to life! Children will find this class energizing and entertaining as a favorite Summer Explorations class!

Email mleaf@wcsks.com with questions.

6/3 - 6/7 9:00 AM - 11:30 AM Grades 1-5 \$210

LEGO Explorations:

Next Level with Stop Motion Video

Martha Leaf

This summer offering is a mash-up of screenwriting, engineering, and film production! Curious and creative young people will: collaboratively write an original screenplay; construct LEGO sets, props, and mini figures; and film all the action using stop motion animation, a technique that physically manipulates an object so that it appears to move on its own. Having witnessed over 20 years of “LEGO Explorations” enthusiasm at Summer Explorations, Mrs. Leaf predicts that this “Next Level” challenge will be engaging for all ages and talents. The possibilities are endless! And after all, there is an Oscar for Best Animated Short! Prior experience with writing, LEGO building, or filming is not necessary, but may be helpful. The integration of Next Level LEGOs is yet another way of bringing energy and entertainment to one of your child’s weeks of summer!

Email mleaf@wcsks.com with questions.

6/24 - 6/28 1:00 PM - 3:30 PM Grades 1-6 \$210

LEGO Space Exploration

Joel Walker

Learn about robots and space exploration with LEGOs and LEGO Mindstorm. Students will learn coding and building skills as they complete “missions” each day throughout our solar system. Explorers will leave with new skills and a new LEGO kit to build at home!

Email jwalker@wcsks.com with questions.

6/10 - 6/14 9:00 AM - 11:30 AM Grades 5-7 \$180

LEGO Stop Motion:

Little Filmmakers STEM Camp

Masumeh Zarei

Join us for a delightful journey into creativity, storytelling, and collaboration. Through the enchanting combination of LEGO building and stop-motion animation, this camp is designed to foster teamwork and nurture the imaginations of young storytellers.

Email mzarei@wcsks.com with questions.

6/17 - 6/21 9:00 AM - 11:30 AM Grades 1-2 \$160

Let's Be Vets

Danielle Smith

Come and join us as veterinarians in-training! Children will explore the profession of veterinary medicine through imaginative play, literacy, science, and process art. Dramatic play will help students build empathy as they care for sick and injured animals of the stuffed variety in our own WCS vet clinic! This class will inspire an appreciation for the bond between people and pets.

Email dsmith@wcsks.com with any questions.

7/22 - 7/26 9:00 AM - 11:30 AM Ages 3-5 \$160

Let's Experiment

Kara Hanna

Are you ready to embrace the magic of science? Join us for a week full of different science experiments and activities to satisfy children's curious minds. We will explore a variety of science concepts with a fun, engaging, and hands-on approach.

Email khanna@wcsks.com with questions.

6/17 - 6/21 9:00 AM - 11:30 AM Ages 3-5 \$160

Let's Go Camping

Kara Hanna

Let your imagination take over as we spend a week together setting up camp. This class will include a combination of indoor and outdoor traditional camping activities including tents, sleeping bags, camp songs, crafts, games, camp stories, flashlight fun, and of course s'mores!

Email khanna@wcsks.com with questions.

6/3 - 6/7 9:00 AM - 11:30 AM Ages 3-5 \$160

Let's Make a Mess!

Briana Peterson

Beat the July heat with some messy fun! We will play structured games and use all sorts of messy materials... like food fights, water wars, and a few surprises. This is a dream week for anyone who likes to make a mess!

Email briana.peterson@gmail.com with questions.

7/8 - 7/12 1:00 PM - 3:30 PM Grades 1-4 \$160

Let's Make a Mess! Junior

Briana Peterson

Beat the June heat by playing with all sorts of messy goops and goos! We will splash, spray, squish, and play! Structured games will combine with a messy mix for mornings filled with exercise and sensory experiences.

Email briana.peterson@gmail.com with questions.

6/24 - 6/28 9:00 AM - 11:30 AM Ages 3-5 \$160

Let's Play Ball

Victoria Ruffin

This fun camp will delight kids who love playing games. Each day will be filled with a variety of games where motor skills, fun, and friendship team up to be the winning combination!

Email vruffin@wcsks.com with questions.

6/3 - 6/7 9:00 AM - 11:30 AM Ages 4-5 \$160

7/15 - 7/19 9:00 AM - 11:30 AM Ages 4-5 \$160

Let's Put on a Magical Show!

Masumeh Zarei

This class is a delightful adventure for children, combining the joy of storytelling with the excitement of imaginative play. From dramatic play to imaginative games, children can bring their favorite characters and tales to life through hands-on, expressive play. Let's shine the spotlight on your little stars!

Email mzarei@wcsks.com with questions.

6/24 - 6/28 9:00 AM - 11:30 AM Ages 3-5 \$160

Little Spartans Day Camp

Laura May, Ally McQuitty
& Olivia Winter

Join us for a full summer of ALL DAY fun and adventure! This class will run for seven weeks, giving your child a consistent summer experience. Designed for children 3-5 years old who are looking for the complete package: a consistent daily routine, a stimulating learning environment, a relaxing summer pace, nurturing friendships, and limitless creativity. Lunch and snacks will be provided. Napping will be available for the younger students as requested by parents. We have a full summer ahead of us with many exciting adventures to be had.

Email jlester1@wcsks.com with questions.

There are no classes the week of July 1-5.

6/3 - 7/26 9:00 AM - 3:00 PM Ages 3-5 \$1,855

Lunch

SAGE Dining Services

A daily nutritious lunch in a box is available for purchase by the week for students enrolled in Camp Collegiate, Spartan Quest, and Young Explorers all-day camps. Students who attend half-day classes (morning and/or afternoon) may not eat lunch on campus. In Early Childhood, lunch is included in the tuition for Little Spartans Day Camp.

Lunches will include a main entrée, fruit, fresh veggie sticks with dip, chips, milk and water, and an occasional dessert. The main entrée will rotate between sandwiches, beef sliders, turkey hotdogs, cheese pizza, pasta, and chicken nuggets. All lunches are prepared by SAGE and will be nut free.

6/3 - 7/26 11:30 AM - 12:30 PM Grades 1-8 \$45/Week

Math Mania

Janae Miller

This fun math class will be full of hands-on activities to practice concepts such as counting money, telling time, place value, adding and subtracting multi-digit numbers, and solving word problems. Activities will include task cards, games, and math tiles.

Email jmiller1@wcsks.com with questions.

6/17 - 6/21 9:00 AM - 11:30 AM Grades 2-3 \$160

Microscope Exploration

Saul Steffen

Come learn about the history of microscopes and have fun looking at anything interesting we can find under a microscope.

Email ssteffen@wcsks.com with questions.

7/9 - 7/11 (Tu-Th) 1:00 PM - 3:30 PM Grades 5-8 \$90

Mini-Musical: Frozen, the Collegiate Edition Steve Elmore

Hey, kids, let's put on a show! Students will create costumes and props, and learn songs and choreography to stage our own version of Frozen. Family and friends are invited to attend the final performance on Friday.

Email selmore@wcsks.com with questions.

7/15 - 7/19 1:00 PM - 3:30 PM Grades 1-2 \$160

7/15 - 7/19 9:00 AM - 11:30 AM Ages 4-5 \$160

Mock Trial: Court is in Summer Session Rosemarie Wood

This class will simulate a courtroom trial, where students will learn fundamental legal practices and procedures and gain critical thinking and public speaking skills.

Email rwood@wcsks.com with questions.

6/3 - 7/26 (M/W/F) 1:00 PM - 3:30 PM Grades 7-8 \$165

Nature Explorers

Kara Hanna

Does your child love to be outside? Let's spend a week together exploring, investigating, and embracing the beauty of nature all around us.

Email khanna@wcsks.com with questions.

6/24 - 6/28 9:00 AM - 11:30 AM Ages 3-5 \$160

Olympic Learning!

Katie Messamore

The Paris 2024 Summer Olympics will be the theme this week as we build executive functioning skills along with academic, research, and study skills. We will learn about the Olympics in numbers, science of sports, history, geography, current events, and writing. Blending learning and creativity with activities, games, and some competition, students will create a portfolio of ideas and resources to use in the future as they strive for gold in the classroom!

Email kmessamore@wcsks.com with questions.

6/17 - 6/21 1:00 PM - 3:30 PM Grades 4-6 \$160

Piano: Private

Steve Elmore

Seven weekly, 30 minute, one-on-one lessons. Students progress at their own rate. Requires the use of piano method books which may necessitate the purchase of materials. Instruction time determined individually per student.

Email selmore@wcsks.com with questions.

There are no classes the week of July 1-5.

6/3 - 7/26 TBD by Instructor K-Adult \$265

Piano: Private

Helen Griffin

Private piano lessons over seven weeks with age-appropriate approach for children PreK and older. Beginner through advanced levels are welcome, with the goal of obtaining knowledge in note-reading and proficiency in learning basic and advancing skills in piano. Lessons may be 30 or 45 minutes, with instruction time determined individually per student. Class fee includes most materials needed.

Email hgriffin@wcsks.com with questions.

There are no classes the week of July 1-5.

6/3 - 7/26 TBD by Instructor PreK-Adult \$265

Poetry & Presenting Live

Rosemarie Wood

Students will have the opportunity to read and present their original poetry. We will study contemporary poets and learn the basic principles of writing a poem.

Email rwood@wcsks.com with questions.

6/3 - 7/26 (Tu/Th) 9:00 AM - 11:30 AM Grades 7-8 \$120

Preschool Playtime

Olivia Chase

Are you looking for a part-time Preschool experience to keep your child engaged and happy during the summer? If so, Preschool Playtime is for you! Our class experiences centered on children's literature will include art, music, movement, and language activities. Your child will have fun making friends and will gain confidence before the start of the school year. Children must be 2-½ by June 3 and toilet-trained to enroll.

Email rohearn@wcsks.com with questions.

There are no classes the week of July 1-5.

6/3 - 7/24 (M/W) 9:00 AM - 11:30 AM Age 2-3 \$400

6/4 - 7/25 (Tu/Th) 9:00 AM - 11:30 AM Ages 3-4 \$400

*If your child is 2-½ years old, please call 316-771-2247 to register.

Read & Romp Summer Fun

Belinda Mould
& Kathy Wagner

Read & Romp is a beloved and long-standing tradition at Wichita Collegiate School! Combining reading with the joy of physical activity is a wonderful way to enhance a child's ability to retain information. Join us for a great time as we read short picture books and do corresponding physical activities that include games, relays, dances, and cooperative activities. Children will be excited to be active each day and will enjoy hearing new stories. Come read and romp with us!

Email kathywagner@wcsks.com with questions.

6/17 - 6/21 9:00 AM - 11:30 AM Ages 3-5 \$160

Recycled Art

Tanya Leddy

Learn to see the beauty in everyday items and join us in turning ordinary objects into beautiful art. We'll make unique projects using materials like straws and plastic bottles, and will even make our own paper! After seeing how common objects can create something beautiful, you'll never look at the world the same again. We will host an art show on Friday to showcase the week's creations.

Email tleddy1@wcsks.com with questions.

6/10 - 6/14 1:00 PM - 3:30 PM Grades 1-4 \$160

Roald Dahl Readers

Lindsey Ralston

Join us as we explore the magical and whimsical world of Roald Dahl, the author of so many beloved children's chapter books! We will dabble in many of his fantastical stories such as Charlie and the Chocolate Factory and Matilda, and will read all of Fantastic Mr. Fox together. We will not only practice our reading skills but also bake, craft, act out scenes from the books and movies, and do STEM challenges!

Email lrалston@wcsks.com with questions.

7/15 - 7/19 9:00 AM - 11:30 AM Grades 2-6 \$160

Rock Band

John Leddy

Come and join the cool Rock Band! Students with some experience are preferred, but motivated beginners are also welcome. Our curriculum will focus on classic rock and any song the students want to perform that is within their ability. Students will work on playing for performance, and the class will culminate with a concert at the end of July.

Email jleddy@wcsks.com with questions.

There are no classes the week of July 1-5.

6/3 - 7/22 (M) 3:30 PM - 4:30 PM Grades 3-Adult \$150

Running Club

Tiffany Lippoldt

Let's burn off some energy before the heat sets in! Running is a great activity for your mind and body, and something you can enjoy for many years. We will learn the importance of warming up, cooling down, and the joy of fun run.

Email tlippoldt@wcsks.com with questions.

There are no classes the week of July 1-5.

6/4 - 7/25 (Tu/Th) 7:45 AM - 8:45 AM Grades 1-5 \$160

Sandcastles & Sunglasses

Terre Graham

Grab your sunscreen and join a little fun in the sun! We will build sandcastles, make our own sidewalk chalk, race sailboats, play in the water, and even make snowcones. Don't forget your sunglasses!

Email tgraham@wcsks.com with any questions.

6/3 - 6/7 9:00 AM - 11:30 AM Ages 3-5 \$160

SAT Prep for Critical Reading & Writing

Jillian King

Feed your body and mind! Get testing help and great snacks in a relaxed environment! Let's be honest: no one associates summer vacation with standardized test prep. However, for those brave souls willing to accept the challenge, we will be having great breakfast snacks as well as coffee, cocoa, and juice to ease into the morning. Our class will focus primarily on two areas: test-taking strategies to assist on the multiple-choice sections and writing strategies and individual analysis to assist on timed essays. Students planning to take the SAT on June 1 are encouraged to take this course.

Email jking@wcsks.com with questions.

5/28 - 5/31 (Tu-F) 8:00 AM - 10:00 AM Grades 9-12 \$200

SAT Prep for Mathematics

Jack Stewart

This test preparation class will include a review of the mathematical concepts and strategies needed for a high level of success on the SAT. Each session will help students maximize their potential score by familiarizing them with the test format and types of questions, developing strategies with which to approach the test, and stressing areas to improve based on previous SAT score reports, if available. Participants will need to complete practice problems and practice SAT tests outside of class. Students that are planning to take the SAT on June 1 are encouraged to take this course.

Email jstewart@wcsks.com with questions.

5/28 - 5/31 (Tu-F) 10:15 AM - 12:15 PM Grades 9-12 \$210

Sewing for Beginners

Ana Ryan

Come learn how to sew or take your abilities to the next level. This class will cover hand stitching as well as basic use of a sewing machine. All supplies are included in the cost of the class, and each participant will complete a project to take home.

Email aryan@wcsks.com with questions.

6/10 - 6/14 1:00 PM - 3:30 PM Grades 5-12 \$200

7/8 - 7/12 1:00 PM - 3:30 PM Grades 5-12 \$200

7/15 - 7/19 1:00 PM - 3:30 PM Grades 5-12 \$200

Spartan Quest

John Leddy

Summertime fun begins at Spartan Quest! This class will run for seven weeks of summer, giving your camper an exciting and consistent summer day camp experience. We will spend the days playing games such as hide-n-seek, flag football, basketball, video games, dodgeball, and Gaga ball; going on scavenger hunts and flying kites; building things such as bow and arrows from PVC pipe, marshmallow shooters, mini-golf courses, obstacle courses; and endless arts and crafts ideas. We will also be taking some off-campus field trips again this year! Rock River Rapids, Aviate Trampoline Park, and roller skating are some student favorites. This class is designed for students in Grades 1-6 who are looking for unlimited fun and adventure.

Email jleddy@wcsks.com with questions.

There are no classes the week of July 1-5.

**Please note: Students attending Spartan Quest are not allowed to be enrolled in a half-day (morning or afternoon) camp in the same week.*

6/3 - 7/26 9:00 AM - 3:00 PM Grades 1-6 \$275/Week

Spartan Running Club

Mica Elkouri, Clark Ensz,
David Keller & Tiffany Lippoldt

Spartan Running Club is for runners and athletes of all levels; from those just getting started to experienced runners who want to further develop their training. Learning to run with proper technique and to gradually build up endurance helps avoid injury and creates a better foundation—not only for runners but also for those aspiring to take on any other athletic endeavor. For those planning to run cross country in the fall, summer training is an essential part of preparing for the upcoming season. Runners will be working with a staff of coaches who have trained, competed, and coached at the collegiate and elite levels: Clark Ensz, Head Coach, WCS Upper and Middle School Cross Country and Track; Mica Elkouri, Assistant Coach, WCS Upper and Middle School Cross Country and Track; David Keller, Assistant Coach, WCS Upper and Middle School Cross Country and Track; and Tiffany Lippoldt, Head Coach, WCS Middle School Track, and Assistant Coach, WCS Middle School Cross Country. We will meet at the Southwest entrance to the track at WCS Coulter Stadium to start each practice. Please note, some of our running will take place in areas around campus (such as Lakepoint) during which times runners may not be under direct supervision.

Email ensz@sbcglobal.net, micaelkouri@gmail.com, or tlippoldt@wcsks.com with questions.

There are no classes the week of July 1-5.

6/3 - 7/26 (M/W/F) 8:00 AM - 9:00 AM Grades 6-12 \$180

**Please Note: No practices will be held July 1-7 in accordance with KSHSAA summer moratorium regulations.*

Spartan Sports

Joni Monty

Spartan Sports will consist of five mornings full of high energy and fun! We will participate in many different sports-related games while having important conversations about teamwork and utilizing team-building activities. Your child may get to engage in a sport that is one of their favorites, while also having the potential opportunity to learn about a new sport. Come and enjoy the fun!

Email jmonty@wcsks.com with questions.

6/24 - 6/28 9:00 AM - 11:30 AM Grades 2-5 \$160

Summer Strength & Speed Training

**Troy Black,
Cam Clark
& Dylan Heath**

All classes will be taught in the state-of-the art Lattner Center, as well as on the turf or track at WCS Coulter Stadium, and will be led by Troy Black, Head of the Spartan Strength and Speed program. Coach Black has been teaching weight training for more than 35 years. His assistants will be Cam Clark, ATC, Head Athletic Trainer for Via Christi Hospital and Kansas Newman University; and Dylan Heath, CSCS, WCS Middle School PE teacher. Coach Black and his staff have many years of proven experience and knowledge in the realm of strength and speed development, and each session has a curriculum molded to the skill sets and abilities of the students. The curriculum and techniques, like the training center, are state-of-the art and are presented in a positive and uplifting environment.

Email tblack@wcsks.com or dheath@wcsks.com with questions.

There are no classes the week of July 1-5.

Grades 6-8:

Students will learn proper techniques for specific weightlifting and running exercises. When working with weights students will utilize the "Block Zero" model, which introduces young athletes to weight training. The class will also include speed development drills, speed and agility drills, plyometric drills, and core exercise. For a full description and schedule for this class, please view the [Spartan Strength & Conditioning overview](#) online.

6/11 - 7/25 (Tu-Th) 11:30 AM - 1:00 PM Grades 6-8 \$310

**Please Note: No practices will be held July 1-7 in accordance with KSHSAA summer moratorium regulations.*

Grades 9-12:

This program is designed for all WCS athletes and anyone with a passion to improve their fitness levels. Students will work on technique and strength while also working on increasing speed, agility, quickness, and explosion. For a full description and schedule for this class, please view the [Spartan Strength & SAQ overview](#) online.

5/28 - 8/1 (M-Th)* 7:00 AM - 9:00 AM Grades 9-12 \$390

**Please Note: No practices will be held July 1-7 in accordance with KSHSAA summer moratorium regulations.*

Grades 6-12 Running Club Session:

Why would a runner want to lift? Having the muscular strength and stability to absorb the force from running can reduce your risk of pain or injury. Strength training is a great way to improve muscle activation and recruitment, and running-specific exercise can retrain muscle recruitment patterns and make sure all the right muscles are contributing to your run. Strengthening the muscles that support your body in ideal alignment while running can improve your biomechanics and result in more efficient use of energy - meaning less wasted energy and faster running. For a full description and schedule for this class, please view the [Spartan Running Club Strength & SAQ overview](#) online.

6/3 - 8/2 (M/W/F) 9:30 AM - 10:30 AM Grades 6-12 \$220

**Please Note: No practices will be held July 1-7 in accordance with KSHSAA summer moratorium regulations.*

Summer Wood Shop: Kitchen Edition

Joe Gehrler

Unlock your inner artisan in a week-long woodworking adventure! This week is all about items for your kitchen: cutting boards, trivets, salt and pepper shakers, tongs, and more. Whether you're handy, creative, or a dedicated DIY-er, this hands-on course invites you to explore the basics of power tools like drills, saws, sanders, and nail guns while prioritizing shop safety. We will use the WCS Lammers Innovation Lab to transform raw materials into functional and beautiful creations. The class fee covers all materials, ensuring you have everything you need to bring your imaginative projects to life. Join us and let your woodworking potential flourish this summer!

Email jgehrer@wcsks.com with questions.

7/8 - 7/12 9:00 AM - 11:30 AM Grades 5-12 \$275

Summer Wood Shop: Toys & Games

Joe Gehrler

Unleash your inner toy-maker and game designer in an exciting week-long crafting extravaganza! Dive into the world of playful creations as we focus on crafting toys and games - from classic board games to unique wooden playthings. Whether you're handy, creative, or a dedicated DIY-er, this hands-on course is your gateway to exploring the basics of power tools such as drills, saws, sanders, and nail guns, all while prioritizing shop safety. We will use the WCS Lammers Innovation Lab to transform raw materials into imaginative and entertaining masterpieces. The class fee covers materials, ensuring you have everything you need to bring your playful projects to life. Join us and let your creativity flourish in the realm of toy-making and game design this summer!

Email jgehrer@wcsks.com with questions.

6/3 - 6/7 1:00 PM - 3:30 PM Grades 5-12 \$275

Tennis Academy

Dave Hawley

This class is for anyone, from beginners to experienced players who want to play for enjoyment. Summer Explorations is one of the longest running programs that WCS has to offer, and over the years, hundreds of players have gotten their tennis start under the tutelage of Coach Dave Hawley and his staff. Coach Hawley enjoyed a fine career of his own, being a significant member of his high school State Championship team at York High School in Nebraska, and then being the #1 player on his college teams at York College and Harding University. In his tenure at WCS, Coach Hawley has coached his teams to 59 State team titles, and over 90 individual titles. In addition, his teams have captured numerous league and regional crowns. He utilized a "no cut" philosophy; everyone plays. Coach Hawley has been Coach of the Year several times and was named to the initial class of National High School Tennis Coaches Hall of Fame. An incredible tennis experience awaits you in the Summer Explorations Tennis Academy! Please note, to check for rainouts for all tennis sessions call 316-259-7351.

Email dhawley@wcsks.com with questions.

There are no classes the week of July 1-5.

6/3 - 7/26 7:00 AM - 8:00 AM Grade 1-Adult \$85
6/3 - 7/26 8:00 AM - 9:00 AM Age 3-Adult \$85

Tennis Tournament: Advanced

Dave Hawley

This class is for the advanced tennis player who wants to improve their skill set. Please note, to check for rainouts for all tennis sessions call 316-259-7351.

Email dhawley@wcsks.com with questions.

There are no classes the week of July 1-5.

6/3 - 7/25 (M-Th) 10:00 AM - 11:30 AM Grade 5-Adult \$95

Tennis Tournament: Novice

Dave Hawley

This class is designed for a focused player who wants to improve their skill set. It will emphasize stroke development and match play strategy. Please note, to check for rainouts for all tennis sessions call 316-259-7351.

Email dhawley@wcsks.com with questions.

There are no classes the week of July 1-5.

6/3 - 7/25 (M-Th) 9:00 AM - 10:00 AM Grade 5-Adult \$85

Theatrical Costuming & Stagecraft

Ana Ryan

This class provides an introduction to theatrical costuming through hands-on exercises. Students will go through the design process including planning, executing, and evaluating the costume element of theater as well as the role of costumes in performances.

Email aryan@wcsks.com with questions.

7/15 - 7/19 9:00 AM - 11:30 AM Grades 5-12 \$160

Theatrical Makeup Techniques

Ana Ryan

This class will explore the basic techniques of stage makeup, including corrective makeup, character makeup, age makeup, fantasy makeup, and trauma makeup. Students will learn how to use makeup to create a variety of effects, including covering blemishes, changing the appearance of the face, and creating realistic wounds. We will also cover the basics of makeup application, including how to choose the right products and how to apply them properly. By the end of the course, students will have the skills and knowledge necessary to create a variety of stage makeup looks for their own productions. One Ben Nye theatrical creme makeup kit is included in the cost of this class for each student.

Email aryan@wcsks.com with questions.

6/17 - 6/21 (M-Th) 9:00 AM - 11:30 AM Grade 7-Adult \$225

Think Outside the Box

Janae Miller

Students will participate in a variety of thinking "outside the box" activities to become better independent and more creative thinkers.

Email jmiller1@wcsks.com with questions.

6/3 - 6/7 9:00 AM - 11:30 AM Grades 2-4 \$160

Time to Cook!

Renee Shofner

Cooking is a wonderful way to express creativity, practice reading and math skills, and share a homemade treat with a friend. I look forward to sharing my love of cooking with the students in this class. See you in the kitchen!

Email rshofner@wcsks.com with questions.

6/10 - 6/14 9:00 AM - 11:30 AM Grades 1-4 \$160

Travel the World from WCS

Jennifer Sayahnejad

Students will "visit" England, France, China, Egypt, and Australia through virtual field trips, snacks, activities, and crafts from these countries. We will end the week with a completed passport/scrapbook of their journeys.

Email jsayahnejad@wcsks.com with questions.

6/10 - 6/14 9:00 AM - 11:30 AM Grades 1-4 \$160

Under the Sea

Heather Varchavchik

Children will explore the world of sea life through science, literature, music, and art. Hands-on experiences and favorite stories like Swimmy, Mister Seahorse, Dory's Story, and One Tiny Turtle will inspire curiosity and playful discovery. Along this journey children will develop empathy and cooperation with each other and the world around them.

Email hdvarcha@gmail.com with questions.

6/10 - 6/14 9:00 AM - 11:30 AM Ages 3-5 \$160

7/15 - 7/19 9:00 AM - 11:30 AM Ages 3-5 \$160

Video Game Science

Joel Walker

Ever wonder how tall Mario actually is, how he can jump so high, or how fast Bowser can drive his cart in Mario Kart? What about how portals actually work? Can you use this new found information to outplay your friends? There is only one way to find out... Come and spend the morning playing video games and learning the science behind them! Gamers can choose to bring their own devices; the majority of game play will be through Nintendo games. We will explore coding, real world gaming applications, science, and have a ton of fun learning while we play games including Mario Kart, Super Mario Bros, Portal, and Super Smash Bros.

Email jwalker@wcsks.com with questions.

6/17 - 6/21 9:00 AM - 11:30 AM Grades 4-7 \$180

Volleyball Camp

Chris Zandler

During this camp, players will receive individual and team-based instruction that will focus on the latest techniques taught in volleyball. The players will start with the same warmup used by the USA Olympic women's volleyball teams that prevents injuries and builds flexibility and strength. Players will learn how to serve, pass, set, hit, block, and play defense with an emphasis on being a great teammate. This camp is open to both girls and boys in Grades 5-8, and all participants will receive a camp T-shirt.

This camp is run by Wichita Collegiate School Varsity Volleyball Coach Chris Zandler who has 20 years of coaching experience with some of the top club teams in the Wichita area. In Coach Zandler's first year as head coach at WCS, he led the team to a match record of 31-5 and a set record of 64-14. Coach Zandler also coaches club volleyball and his 14-1's team was 120-24 with nine championships in 2023. This year the same team this year is 50-4 with three championships with half the season still to be played.

Email czandler@wcsks.com with questions.

6/17 - 6/20 (M-Th) 9:00 AM - 12:00 PM Grades 6-8 \$130

Wee Write

Kristin Freed

Using a writing tool is one of the most complex skills children will learn to do. Did you know that expecting young children to attempt using a writing tool before laying an appropriate foundation can actually create bad habits or ineffective grasp and movement patterns? We need to be careful that we aren't expecting them to do too much too soon. Students in this class will have fun developing their sensory, visual motor, gross motor, attention, and fine motor skills to ensure a solid foundation for eventually learning to print. Weekly activities will be presented and shared with parents and caregivers so that ongoing practice with these appropriate activities can occur. Students will learn finger plays, activities to promote eye-hand coordination, and some basic tool use that will promote the development of prewriting skills. Kristin Freed, licensed Occupational Therapist, keeps the class size small in order to provide individualized instruction to facilitate each student's development regardless of their ability. She has over 20 years of experience working with young children and has proven effective in helping students be successful learning to write through her Write Stuff classes. Class size limited to six students.

Email kfreed@wcsks.com with questions.

6/4 - 6/25 (Tu) 10:45 AM - 11:45 AM Ages 2-3 \$135

The Write Stuff

Kristin Freed

Is your child struggling to learn how to print? Are they reluctant to complete written work? Whether your child is struggling or not, learning to print is a very complex skill. This class will provide all of the foundational skills necessary to be able to learn to print effectively and efficiently all while having FUN! Kristin Freed, licensed Occupational Therapist, will assess your student's use of a writing tool and then provide a multitude of activities to improve their grasp, general stability, tactile discrimination, visual-motor coordination, and visual-perceptual skills for more successful writing tool use. Class size limited to eight students.

Email kfreed@wcsks.com with questions.

6/4 - 6/25 (Tu) 9:00 AM - 10:30 AM Ages 4-5 \$200
6/6 - 6/27 (Th) 12:30 PM - 2:00 PM Grades 1-2 \$200

The Write Stuff Cursive

Kristin Freed

Is your child getting ready to learn cursive or is their printing difficult to read? Transitioning to cursive typically improves the legibility of any child's writing. This class will provide all of the foundational skills necessary to be able to learn cursive effectively and efficiently all while having FUN! Kristin Freed, licensed Occupational Therapist, will assess your student's use of a writing tool and then provide a multitude of activities to improve their grasp, general stability, tactile discrimination, visual-motor coordination, and visual-perceptual skills for more successful writing tool use. Class size limited to eight students.

Email kfreed@wcsks.com with questions.

6/6 - 6/27 (Th) 2:30 PM - 4:00 PM Grades 2-4 \$200

Young Explorers

**Audrey Meisch, Kimberly Rezai,
Saylis Sengvilay, Kristin White
& Madeline Witherspoon**

Come explorers, inventors, dreamers, and those looking for all day summer adventure! Young Explorers is designed for students entering Grades 1-2 with curious minds who are ready to journey around the world. This seven-week course offers a consistent, exciting routine to keep academics growing, while digging deep into new experiences. Our focus is STEAM (science, technology, engineering, art, math) as well as nature exploration, literature studies, weekly themes, and daily writing opportunities! Snacks are included in the class fee, but lunch should be brought from home or purchased weekly.

Email jlester1@wcsks.com with questions.

There are no classes the week of July 1-5.

**Please note: Students attending Young Explorers are not allowed to be enrolled in a half-day (morning or afternoon) camp in the same week.*

6/3 - 7/26 9:00 AM - 3:00 PM Grades 1-2 \$1,720

Summer Explorations is a great opportunity for students of all ages to expand their knowledge, meet new friends, and stay active over the summer!
