

Weather Related eLearning Days

If at any time during the school year it is determined that in-person learning for the entire district is not possible (cold weather, snow, etc), **Cuba Middle Senior High School** will follow the eLearning schedule provided below.

These days will be decided on an individual basis and will be announced through our district website, emergency alert system, and social media.

Period	Start time	End Time
1	8:00	8:30
2	8:35	9:05
3	9:10	9:40
4	9:45	10:15
5	10:20	10:50
6	10:55	11:25
7	11:30	12:00
Lunch	12:00	1:00
Office Hours/ Individual Group Meetings	1:00	2:00

eLearning Expectations:

- Students receiving instruction during an eLearning Day will follow a class schedule with teachers providing instruction from their classrooms or homes in real time.
- Teachers will live stream daily lessons for students in real time, with Google Meet as the primary video conferencing tool to communicate with students during an eLearning day
- **Students are expected to attend all of their classes** through the Google Meet platform and will be required to follow school rules and guidelines including dress code and classroom rules
- Students are expected to complete assignments daily
- Students are required to have their Chromebook cameras turned on
- Teachers will be available each day during scheduled office hours to meet virtually with students to address issues, questions, or concerns with material
