

2023-2024 FROID REDHAWK REPORTER

SEPTEMBER 2023

SCHOOL BOARD MEETS

The Froid School Board will have their regular monthly meeting on Tuesday, September 12, at 7:00 PM at the Froid School. The school board agenda will be posted at the bank, post office, grocery store, and Agland.

FROID MEDICINE/LAKE CO-OP

The Froid/Medicine Lake Co-op board will have their meeting on Wednesday, September 20 at 6:30 PM in Froid.

WHAT'S GOING ON AT THE SCHOOL?

Enrollment

Our school population is at 82 as of this writing. Our high school is made up of 38 students – 9 seniors, 10 juniors, 8 sophomores and 11 freshmen. The middle school (7th & 8th grades) has 14 students - 7 in 7th grade and 7 in 8th grade. Our elementary school student total is 30. Mrs. Natalie Gregor is teaching our 4 kindergarten students. Ms. Tara Rupp will once again be our first grade teacher with 5 students, Miss Abby Tunby will teach our second grade class of 7 students. Grade 3 is under the direction of Miss Samantha Barnhart with 3 students. Mrs. Natasha Nesbit and Mrs. Traci Kjelshus will combine teaching the 4, 5, and 6th grades.

Junior and Senior Class Fundraiser

The Classes of 2024 and 2025 are selling Redhawk Gear through Fancloth. Like last year, you order online, pay online, and the items will ship directly to you! This fundraiser runs through September 8th. There is about a four week turn around time from the end of the fundraiser to when the items ship. This fundraiser supports Junior/Senior Banquet and Graduation. Thank you for your continued support of your Froid students!

Student Council

Homecoming week will be here before we know it! September 18th-22nd will be full of fun and games. Dress up days have not been decided--so be on the lookout for that information! Details about the Parade, Bonfire, and Pep Assembly will be released as soon as we know!

Explore America

We get to travel this school year! Woot Woot!

We have our usual fundraisers planned for this year: Martinson's, Visa Raffle, Little Caesars, and Valentine Roses. As well as the concession stand at all home Froid games. Remember when you purchase any of our yummy treats at the games, you are helping to support student travel.

MUSIC NOTES

We ask that band rentals be paid at the beginning of the year if possible. The charge remains at \$45. Thank you!

BUS DRIVERS NEEDED

If anyone is interested in driving bus please notify the school. We are always in need of sub drivers. If there are times we can't get one, parents may be called to pick up their children. Please call the school at 766-2342 or stop by any time.

PLEASE NOTE-----

Parents, please be aware that school doors do not open until 7:45am. Students will not be sent to their rooms until this time. We appreciate your cooperation.

ASVAS TESTING

ASVAB testing for Juniors will be held September 28 from 12:30-3:30 at the school.

FREE/REDUCED MEAL APPLICATIONS

Anyone interested in filling out an application to apply for free or reduced meals can pick one up in the school office.

REDHAWK ACTIVITIES

Hello Redhawk fans! We are off and running on another Redhawk season. Coaching high school football this year is once again Michael Reiter and this year he is being helped by Ian Logan. He has 17 boys on his roster, including 6 seniors. The boys have been working hard and are going for another successful season. They have started strong already beating the Jordan Mustangs 63-0. Aaron Webster has the JH football team and 12 boys. They played a strong game but came up a little short against Jordan. They will be a fun group to watch.

High school volleyball is coached by Kayla Johnson and assisted by Tarryn Woelber. The Redhawk girls have 15 on their roster with one senior. They started their season with a tip-off tournament in Culbertson on August 26th. They played 3 games in pool play. Losing the first one to Bainville and beating Nashua and Culbertson JV. In tournament play, they played Culbertson's varsity and lost 1-2. These girls have so much potential, and they are going to keep getting better every week if they keep pushing and believing in themselves. Coaching junior high volleyball are Julie Finn and Mickayla Johnson. They will kick off their season on September 1st against Bainville in Medicine Lake. A super big thank you to those who stepped up and agreed to coach. We wouldn't have a program without our coaches.

**The Froid Redhawk Reporter is published periodically free of charge. A free copy may be obtained by calling the Froid School at 766-2342.*

Dear Froid Public School Community,

It is my pleasure to welcome you to the start of the 2023-24 school year and officially introduce myself to the Froid community. I consider it a true privilege to have been appointed your new Superintendent of Schools.

The Froid Public School District has earned a reputation for academic excellence, and the boundless opportunities offered beyond the classroom setting are exemplary, as they provide enriching learning experiences for students at all levels. As an educator for 28 years, I wholeheartedly value the programs and services in place, and I am committed to building upon past practices to ensure that current and future students have opportunities to explore their interests and find their true passions.

In addition to the robust educational program, it was the level of community involvement that drew me to this district. I witnessed this sense of pride as I underwent the interview process and have experienced it firsthand over the past few weeks, as each of the faculty members, parents, students and residents I have met have been extremely welcoming and helpful. Please know that it is my intent to make every effort to foster and cultivate this practice to ensure the continued success of our students, schools and community.

My wife and children are still living in Sheridan, Wyoming. My wife is a second grade teacher who has been teaching for 25 years. My oldest son is working on his Masters in Materialistic Mechanical Engineering and is employed at Emit Technologies. My daughter is working at First Wyoming Bank where she is learning the banking system and growing into a management position. My youngest son is working on his Journeyman's Electrician License through Advanced Electric.

While serving as your Superintendent of Schools, I plan to be accessible to all stakeholders and maintain an open door communication policy. I encourage and welcome any questions, comments or concerns you have about our schools and can be reached directly at (406) 766 2342 or email me at smayhue@froidschool.com.

It is an exciting time for the Froid Public School District, and I'm looking forward to the year ahead. Please accept my best wishes for a happy and healthy school year.

Sincerely,

Steve Mayhue
Superintendent of Schools

Child Find 2023 Preschool Screening

Early developmental specialists from Headstart, Hi-Line Home Programs, Roosevelt-Valley Special Education Cooperative, and other local school personnel are teaming up to provide **FREE and confidential developmental screenings for children ages 0-5 years.** This is a fun, simple, and fast way to find out if your child is meeting developmental milestones and whether they may benefit from special services. Please feel free to contact the school in your area location to schedule an appointment. Walk-ins are also welcome.

September Bookbeat Froid Public Library

Pageeturners Book Club: We will meet to discuss *Fifty Words for Rain* by Asha Lemmie at 11:00 on August 30th. New people are always welcome to join our group. Stop by the library and pick up your copy of the book. Our next book will be *Underground Railroad* by Colson Whitehead.

2023 Summer Reading: The program has ended for the year BUT we still have a tableful of new books purchased with a grant from Town Pump. Any child up to grade six may come in and choose two books to take home and keep.

Voices of Memory & Hope: Our project is off to a good start. We've already had two meetings and set up a steering committee. We have two new voice recorders (purchased with funds from the First Community Bank grant) and Doug Portra has checked out our old one and pronounced it ready for duty. We have some interviews in the process of being set up. If you would like to help in any way or have questions or suggestions you can call Sheri Harvey at the library (766-2492) or Pattie Thompson (790-0387.)

Friends of the Library will have a meeting on Wednesday, September 20th at 11:00. The main topic of discussion at this meeting will be the Pie Social which will be in October as usual. I will be out of commission as I am getting a new knee on October 2nd or 3rd but the Friends of the Library have offered to step up and fill the void so that we can continue with this fun and important annual tradition.

Froid Library Hours: 11 to 5:00 Tuesday, Wednesday and Thursday
