## SCHOOL REMINDERS

When students are absent **please call the school in the morning** and let us know. If they leave during the day they are to check out at the office and when they return, check back in at the office as well. We appreciate the parents calling first as it saves a phone call from the school. **Also children need to be dressed appropriately as our weather has quickly changed to winter weather.**

## ACTIVITIES

November continues to be a busy month for activities. The volleyball divisional tournament will be held in Sidney November 2-4. The state tournament is in Bozeman the following weekend. Good luck girls!

Football playoffs will continue throughout November. On November 4th the football boys will travel to Chester in the second round of the playoffs. Game locations are determined by seeding and conference rotation. Good luck to the boys. We will keep everyone posted on week-to-week updates on our Redhawk's.

JH basketball and Speech and Drama are in full swing and will start their competitions this week also. The schedules are included in the newsletter.

High School basketball will start on November 16th.

## **Student Council**

## **BPA NEWS**

The Froid BPA Chapter would like to thank everyone who purchased a calendar this year. It was our first year, and it took us a while to get things set up. We apologize if some of them weren't printed correctly. We will have that fixed for next year. We also will be starting earlier this year and will have it out on time next year. Thank you for your patience.

We will be doing lefsa again for Thanksgiving and Christmas. If you would like to place an order, please contact a BPA member or Call Kim at the school 406-766-2342 or Marilyn 406-765-7847. We would also like to thank you for your support with our lefsa sales again. If anyone is interested in helping roll lefsa we would love the help. Just give Marilyn a call. Orders need to be placed by November 16th by 5pm. We will be at the Froid Bazaar in December as well.

## FFA NEWS

Monday, October 9<sup>th</sup>, the Froid FFA chapter traveled to Plentywood for the annual district Livestock Judging and Veterinary Medicine competition. In the morning session the Varsity Livestock Judging team consisting of two seniors and two sophomores did very well. The varsity team had three members placing in the top ten and on individual placing first leading the team to a second-place overall team finish qualifying for the state competition in April.

Our Froid JV Livestock Judging individual also did very well, placing in the top 1/3 but the scoring at the top was very close.

In Veterinary Science, the team again did very well with one member finishing first. We had only three team members, but two finishing in the top ten. One individual took first and the third member finished in the top 1/3 of the competitors. We were one individual short of a full team but the team still finished well and qualified for state. We think we have a good candidate for the fourth position and expect to do well in the state competition

## November Bookbeat Froid Public Library

**Pie Social:** The Pie Social was another success this year with \$520 in profit for the library. We couldn't do this without the help from our pie bakers and helpers. This was never more true than this year when I was unable to be there and the Friends of the Library stepped up and took care of everything.

**Nemont:** In September the library received a generous check for \$600 from Nemont Telephone Cooperative. A donation was made to the Roosevelt County libraries in Froid, Wolf Point, and Culbertson based on the number of phones they sold at the county fair. The total amount was split between the three libraries.

**Pageeturners Book Club:** We will meet to discuss *America's First Daughter* by Stephanie Dray at 11:00 on November 1st. New people are always welcome to join our group. Our next book will be *The Bully Pulpit: Theodore Roosevelt, William Howard Taft, and the Golden Age of Journalism* by Doris Kearns Goodwin.

**Hopa Mountain:** We have received our last shipment of books from Hopa Mountain. These books are free for any preschooler or Kindergartener. Because this program is ending, I plan to purchase books with the remaining funds from the Town Pump grant. It's so important to continue putting books in the hands of our young children. Dolly Parton's Imagination Library is also available free for children from birth to age 5. I have information at the library if you are interested in signing your child up.

I am very grateful to the Ellen, Claudia, Sheri C., and Carla for keeping the doors open while I was gone for my knee replacement and recovery. For now I'll have the library open every Tuesday through Thursday but for shortened hours. The schedule is posted on the door. I plan to be back on regular library hours starting on Tuesday, November 14<sup>th</sup>.

**Froid Library Hours: 11 to 5:00 Tuesday, Wednesday and Thursday**
