FROID SCHOLARSHIP TOURNAMENT

It is that time of year again—time for the scholarship tournament. It is scheduled to be held March 14-17. Game times will be announced when all the teams have been finalized. Saturday night the Calcutta will be held at the Mint Bar at 9:00 p.m. and the three-point shoot will be held on Sunday afternoon at 3:00 in the Froid gym.

This has been an important event for the school, as substantial scholarships have been given to many students over the years. We would like to thank everyone who works so hard to put this together every year and encourage the local community to support it by their attendance.

MAPs Testing Coming Soon

Our next round of Measures for Academic Progress (MAP) testing for the year is just a few weeks away! We have set the end of March for testing dates. Testing at the beginning of the year was used to determine your child's instructional level. These tests can now be used to measure their academic growth from the beginning of school session and throughout the rest of the year.

How can you help your child prepare for the MAP testing? Just like any other school day, your help is requested in making sure your child is well-rested and fed with a nutritious breakfast. Most importantly, you can encourage them to do their best.

BAND RENT/MEAL ACCOUNT REMINDER

Just a reminder to please be getting your child's band rent paid up for the year. The end of the school year is coming quickly and we would like these paid before then. Also anyone owing money on their child's meal account, please keep these paid up and current. Thank you!

LIBRARY NEWS

"Where will Reading take us in March?"

Reading Month at Froid School is in March! All month long we will be celebrating and keeping with this year's AR theme as we continue to learn that "READING will take you places!"

Elementary students will be reading to earn and enjoy their long awaited "Sleepless in Froid" day when they wear pajamas and spend much of the day reading. Encourage your students to read and achieve this month's AR goal... and get excited about some great books!

To complete our reading month, the Scholastic Book Fair will be held in the library hallway on March 25- April 4 from 8-4 each day. There will be a large variety of books for all ages, so try to make time to stop in and check it out! The fair will be online before, during, and after the fair dates for orders and will also include our eWallet option that makes Book Fair sales easy and cashless. An app is also available to download on a tablet or smartphone in order to find reading level information. More information will be coming home with your children this month. It'll be a great time to get some books for gifts and summer reading, too!

Looking forward to seeing you there!

EXPLORE AMERICA

There will be an Explore America parent meeting Tuesday, March 5th at 7:00 in the Math room regarding the upcoming trip.

END OF 3RD QUARTER—MARCH 13th

FFA NEWS

This past Monday, Feb. 19th, seven individuals competed in Farm Agriculture Management and Business (FAMB), Employment Skills, and Extemporaneous Speaking in the Sidney LDEs. The teams did well, and I am proud of them as they came out of their comfort zone to compete. The FAMB Team did very well, pulling out a third-place team score. The team was consistent, and although no individual pulled off a top three, they all did well and accumulated enough points for the team's third-place finish. Employment skills was a tough competition, and it took the competitors out of their comfort zone, but over all they competed well. Froid had one individual compete in extemporaneous speaking; Cian Logan did very well with a 1st place finish. Sidney was the last district competition of the year, sweepstakes were announced in Sidney. Froid did well enough to pull off a third in the Big Muddy district in sweepstakes and is sending seven teams to state, livestock judging, vet science, sales, floriculture, mechanical, agronomy, FAMB, and one extemporaneous speaker to state, a total of 13 students. The state is in Billings April 2-6 this year, and we have an air BnB reserved.
