## **Science Teacher –Waldron Junior-Senior High School**

### **Job Description:**

Waldron Junior-Senior High School is seeking a full-time science teacher for the 2024-2025 school year. This position will have an emphasis on life sciences.

### **Job Qualifications:**

- Strong background in Biology content and instruction
- Knowledge of best practices to meet the individual needs of students at a variety of skill levels
- Ability to work collaboratively with a team of educators
- Able to make data-informed decisions that will build upon each child's area of strengths and needs
- Ability to incorporate technology effectively to support learning and instruction
- Other characteristics include: highly organized, strong communication skills, and self-motivated

### **Job Requirements:**

Certification/License: Valid Indiana teaching license  
Bachelor's Degree in Education or related field
