

District Goals 2025-2027

Goal # 1 - Increase Parent Involvement in Schools

- Advertise and market volunteer opportunities
- Develop deeper partnerships with local businesses and community groups
- Partner with parents on restorative discipline practices
- Capitalize on highly attended parental events to increase academic focus and engagement

Goal # 2 - Establish Consistent Practices to Counter Increases in Disruptive Behaviors

- Continue to invest in the training and implementation of TBRI
- Initiate more restorative discipline programs
- Add more interventions and supports for students struggling with behaviors
- Add additional preventative programs in our schools for all students

Goal # 3 - Continue to Promote Academic Excellence, Rigor, and Growth on State Assessments and other Core Indicators

- Display relevance and content connections between curriculum, real life, and the community
- Establish a culture of high academic expectations for performance and growth in each of the buildings
- Provide teachers with current, relevant curriculum aligned to Indiana Academic Standards

Goal # 4 - Staff Development and Retention

- Develop a consistent onboarding program for support staff
- Establish ongoing opportunities for all staff to provide feedback on key decisions at both the building and district levels
- Provide more targeted professional development opportunities for staff relevant to their roles at SES
