

Jewell School Snow Routes 2023-2024

Snow route and school closure information will be sent to families on the automated "School Messenger" system. It will be broadcasted on channels 2, 6, 8 & 12 morning news. You can check the District web page www.jewell.k12.or.us & facebook page for updates.

Every effort will be made to make the decision as early as possible. If it becomes necessary to change an individual situation you will receive a phone call from your bus driver. Please make sure the school has your most current contact information and is able to reach you.
