

Dual Credit Programs in Washington

Dual Credit provides students with the potential to earn high school and college credit at the same time through successful completion of a course and/or corresponding exam. Exam-based options include Advanced Placement (AP), Cambridge International (CI), International Baccalaureate (IB) programs., Course-based dual credit options include Career and Technical Education (CTE) Dual Credit, College in the High School (CHS), and Running Start programs. Additional steps may apply for these tests or courses to result in college course credit.

CHS offers College Now & CTE Dual Credit, AP and Running Start. CHS has partnership agreements with area community colleges for college credit; students may earn college credit and high school credit for selected courses offered on our campus (note that not all credits may transfer to all colleges/universities). Students may be required to pay college fees. Teachers have further information regarding specific courses and fees.

CHS College & CTE Dual Credit Opportunities
