2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

The Richgrove staff has high expectation of all students for their academic, social and personal growth. Students are held accountable for their achievement towards meeting the standards. Students are encouraged to be risk takers when improving their learning. The Richgrove staff provides a physically and emotionally safe environment for all students. Input from staff, community and students is respected, encouraged, and valued. Teachers reflect on their practice as educators and strive to develop as professionals. Shared leadership, respect for all, and working as a team are encouraged.

Richgrove School District, a one-school district, serves 490 students in grades TK-8. The district is located in Richgrove, an unincorporated community located in the South eastern part of Tulare County in the State of California. Richgrove is on the Kern County line approximately 7 miles from Delano and Highway 99 in the Central California Valley of California. Neighboring communities are: Delano to the West, Porterville to the North, and Bakersfield to the South.

Richgrove is an agricultural community with a population flexibility of up to 3,200 persons. Table grapes, pistachios, oranges and almonds are among the major crops in this area. The employment sources available are light industry and seasonal agriculture.

Richgrove School's mission is dedicated to helping all students become 21st Century Learners*. We strive to educate young people so they will function at their highest intellectual capacity and develop all qualities necessary to become competent and compassionate contributing members of society. Through rigorous instruction, technological access, enrichment and athletics, Richgrove Students will become well rounded citizens.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

Richgrove School provides a safe, clean environment for students, staff and parents. School facilities were built in 1954 and include 24 classrooms, a staff lounge, a latch key room, a cafeteria, playgrounds, and a band room. These existing buildings were included in modernization plans in 1985 and in 2003. In 2003, the restrooms were modernized. In 1996, a middle school and district office were built. This addition includes a library, computer lab, a gymnasium, a resource room, a playground, and 6 classrooms and 4 permanent portables. In 2021 work was completed on the replacement of 11 portable classrooms with new permanent modulars. A new TK/Kinder classroom was completed in early 2021.

Richgrove School has a scheduled maintenance program that ensures that all classrooms and facilities are maintained to a degree of adequacy that provides for good learning and safety. Richgrove School's maintenance department uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on August 2021. At this time no deficiencies were cited.

Walkways between all classroom wings have been repaired and or replaced. A plan is in place water fountains via a grant is moving forward. The HVAC systems have been upgraded and their are current plans to put in an HVAC system in the old multipurpose room.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	7	11	7	11	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Richgrove School believes that parent involvement is one of the keys for student success. Parents are encouraged to participate in the education of their children by helping them at home with their homework, volunteering in their student's classroom, and attending student events such as Students of the Month assemblies. Parents are encouraged to participate in the English Language Advisory Committee (ELAC), School Site Council (SSC), Migrant PAC Meetings, Monthly Parent Meetings, LCAP preparation, Monthly Board Meetings and Monthly Breakfast with the Principal Meetings.

Parents who wish to participate in Richgrove School's leadership teams, school committees, and school activities may contact the school at (661) 725-2424.

2023-24 School Safety Plan

In order to cooperate and support the disaster efforts of the schools in the event of a major disaster, Richgrove School District has established emergency headquarters to be at the district office or transportation department as designated by the superintendent depending on the nature and extent of a disaster. The governing board shall grant the use of school buildings, grounds and equipment to public agencies, including the American Red Cross, for mass care and welfare shelters during disasters or other emergencies affecting the public health and welfare. The board shall cooperate with such agencies in furnishing and maintaining whatever services it deems necessary to meet the community's needs. (Ed. Code 38132)

Richgrove School has an established disaster preparedness plan which is reviewed and updated annually. The school plan includes designated responsibilities and an established chain of command. Specified staff members will communicate with or report to emergency headquarters in the event of a disaster or when notified to do so. Disaster drills are practiced on a regular basis.

Richgrove School's Comprehensive Safe School Plan was developed in 1998 by the Safe School Committee and the On-Site Sheriff's Officer. The plan was last up-dated in July 2022 and reviewed with the staff at that time. The plan also now includes the Return to School Plan in regards to COVID. The updated plan is available to the public at the district/school office.

The highlights of the plan include the following:

- Comprehensive disaster and crisis plan
- Communication strategies
- Safe transportation
- Bully Policy

2023-24 School Safety Plan

- Suicide Prevention
- COVID 19 Return to School Safety Plan
