Scholars Academy Parent-School Contract

The parent / guardian of _____, agrees to abide by the policies and procedures of the Scholars Academy. I desire to provide my child with the unique educational opportunity offered by the Scholars Academy program. I understand that enrollment in the Scholars Academy is a decision of my personal choice and not a right. My desire to enroll my child at the Scholars Academy is premised upon my desire to become an active partner in the education of my child.

1. As a parent of a student at the Scholars Academy, my commitment is to abide by the following:

A. To recognize and embrace my role as the primary educator of my child.

B. To abide by and support all school rules and regulations; for example: morning and afternoon drop off and pick-up procedures; entering and exiting the school building appropriately; any forgotten items (homework, school projects, etc.) should be delivered to the front office by 9:30 a.m. For more rules and regulations, please refer to the MPMS Student Handbook.

C. To be accessible and readily available to the school to discuss issues regarding my child's progress and inform the school of changes to my phone number, email, or physical address. I will read and use the information sent home by the school and provided through teacher websites, the Scholars Academy website, and the Remind app.

D. To attend all conferences scheduled with any member of the Scholars Academy staff.

E. To provide transportation to and from school for my child. I understand every school day is important, and I will make sure that my child arrives at school every day on time (7:55 a.m.). I agree to attempt to schedule family vacations and appointments other than during school hours.

F. To understand that the Scholars Academy academic standards are high. Grades and promotion are earned, and my child will need to spend extra time working at home to master the challenging, college-focused curriculum. I will regularly check my child's academic progress on Infinite Campus. A failing grade at the end of the year will result in academic review.

G. To understand the behavioral consequences that occur due to student discipline code violations, if my student earns more than 5 days of ISS or 3 days of OSS, the discipline committee will determine placement.

H. To understand the academic consequences that occur due to failing class or classes. Students with 69 or below, in academic classes for the 1st semester, will be placed on academic probation for the 2nd semester. If a student fails a class in an academic area, then they will move down an academic level. The student will also have to attend Summer School if there is a failure of 2 or more classes.

2. I acknowledge that my child's continued enrollment at the Scholars Academy is dependent upon my abiding by this contract. Admission is granted on a year-to-year basis.
