SUPERINTENDENT'S UPDATES FOR THE WEEK OF SEPTEMBER 11, 2023

In the upcoming weeks, we remember two pivotal events that shaped the history of the United States of America. Monday marks the twenty-second anniversary of the tragedy that occurred on September 11, 2001. Anyone who was alive on 9-11-2001 remembers where they were when they heard that the Twin Towers and the Pentagon were attacked. The second event is Constitution Day. Constitution Day commemorates the signing of the US Constitution on September 17, 1787 by the delegates who met in Philadelphia, Pennsylvania. Constitution Day, also referred to as Citizenship Day, falls on a Sunday this year, so at MCS we will observe the day on Monday, September 18, 2023.
