"YOU CAN'T HIDE THAT CARDINAL PRIDE"

SUPERINTENDENT'S UPDATES FOR THE WEEK OF OCTOBER 2, 2023

Thank you to everyone who made Homecoming 2023 a success. Our student council leaders and class advisors did a great job of coordinating all of the events throughout the week. Many of these initiatives are student-led and I am always impressed when the students use their leadership abilities to create an enjoyable experience for everyone involved. Congratulations to the Varsity Football Team. Friday night's win over St. Louis clinched the program's thirty-fifth consecutive winning season. The Cardinals hold the longest active streak of winning seasons in the state. Marysville holds the longest streak with thirty-nine winning seasons from 1965-2003.

Michigan MTSS Recognition

Congratulations to Millington Community Schools for receiving multiple awards for the successful implementation of Multi-Tiered Systems of Supports (MTSS). The system uses data to support student needs and our building leadership teams and district improvement team made a lot of progress during the 2022-2023 school year. We received recognition for the following initiatives from MiMTSS: Data Utilization Awards for completing District Capacity Assessment and Meachum Elementary Reading and also an Implementation and a Bronze Impact Award for Tier 1 Reading at Meachum Elementary.
