January 4, 2024,

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2022-23 educational progress for Saginaw Intermediate School District and our schools. The AER addresses the complex reporting information required by federal and some requirements of state laws. Our staff is available to help you understand this information. Please contact Superintendent Dr. Jeffrey Collier at jcollier@sisd.cc for help if you need assistance.

The DISTRICT AER is available for you to review electronically by visiting the following website https://www.mischooldata.org/annual-education-report-1?Common_Locations=1-D,1742,109,0or%20, or you may review a copy in the main office at your child's school. Each school will also be communicating their own AER to parents directly.

Review the table below listing our schools. For the 2023-24 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2021-22. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2021-22. Some schools are not identified with any of these labels. In these cases, no status label is given.

School Name	Status Label	Key Initiative to Accelerate Achievement
Great Lakes Bay Early College	No Label	Personalized learning is designed to immerse high school students into the college learning environment fully
M.G. Millet Learning Center	No Label	Provide individualized educational programs and services to address the unique needs of Saginaw County students with low-incidence handicaps
Michael J McGivney	No Label	Meeting the whole-child, academic, and social-emotional needs of assigned students while keeping them on a positive trajectory toward career, college, and community readiness
