SITE PLAN:

Application for a zoning compliance permit will be accompanied by a detailed site plan. Accessory uses, buildings and structures, interior remodeling projects, and those exterior projects that do not change the size, cubic content or building footprint are exempt from site plan requirements. Site plans should include at a minimum:

- Property boundary lines, dimensions and total area.
- If substantial topographic change is proposed, city staff may request contour lines at no more than 5' intervals.
- The availability and location of existing utilities, if requested by city staff.
- The proposed location, size, shape and type of all buildings or structures.
- The total square feet of all proposed buildings, both individually and collectively.
- The number of dwelling units, bedrooms, offices, etc.
- Existing buildings, rights-of-way, street improvements, utilities, easements, or drainage ways.
- Parking areas, number of parking spaces proposed and type of surfacing to be used.
- Walkways, driveways, lighting, walls, fences, signs or monuments to be used in the landscape.
- Location and type of hard landscaping and plantings, fences or walls if used for screening purposes.

Other considerations pertinent to the proposed use may be requested by the zoning administrator.

See the following page for sample site plan

ZONING COMPLIANCE PERMIT FEES:

Permit fees shall be paid at the time the permit application is submitted to the City of Graettinger. Zoning permit fee amounts may be obtained from City Hall. No construction shall commence until the zoning compliance permit has been approved and the fee has been paid to the city. Nontransferable. Valid for one year from date of issue.

The undersigned applicant, by signature, indicates his/her agreement to the conditions outlined in this permit, and will adhere to the Graettinger Zoning Regulations. The applicant also acknowledges understanding and agreement of: *That this permit is valid ONLY for the project as presented to and approved by Graettinger; AND that any changes made to either the site plan submitted or the construction/improvement/usage authorized by this permit must be reviewed by Graettinger for compliance and authorization prior to commencement of construction; AND that it is the intent of the applicant to build the structure(s) noted on this form in accordance with the plan(s) submitted for the usage(s) indicated; AND that ANY unauthorized changes to the approved plan, usage noted, or to the parcel /land/site plan as presented renders this permit null and void.*

Approval of a Zoning Compliance Permit shall be valid for a period of one (1) year. The permit shall be void if the use applied for has not commenced construction within 1 year of the approval of such permit, unless an extension has been obtained from the zoning administrator.

Please Submit below a sketch plan in support of your building permit application, showing the actual shape and dimensions of the lot on which the construction will take place.

1. Show streets, with street names, if any on proper sides of the lot or parcel
2. Show property lines and dimensions of the lot or parcel
3. Show locations of any existing and proposed new structures, and their distances from the lot lines
4. Show locations of any existing and proposed accessory buildings (if any), and their distances from the main building and lot lines.
5. Show locations of utility and any other permanent access easements.
6. Show details of fences, shrubs, walls or other devices used for screening (if applicable).

Scale: One box equals two feet (2'), unless otherwise specified. Attach additional pages if necessary.
