BMS DAILY BULLETIN

Thursday, March 21st, 2024

Please rise for the Pledge of Allegiance:

March-Perseverance: Prioritize your time for schoolwork, and use time wisely. Don't give up communicating what you believe in. Go the extra mile, "being to class early, is being to class on -time".

While we do not want our students roaming the hallways in the morning. Students may schedule to see their teachers before or after school to receive help with classwork or questions, this is encouraged! Please come to the office to ask before going to a classroom.

All students, when going to lunch you must put your binders in your lockers, not on the floor in the hallway.

8th graders, there's still time to get your grades up. Promotion is right around the corner!

8th grade math is cool team that is going to master's competition-practices start on Tuesday March 26th after school in Building B at the Elementary with Mrs. Schuh, any questions please contact her. Thanks.

Students must use the cross Walk, before and after school. This is a safety concern!

Detention after school Monday through Thursday in Mrs. Dezelle's room from 3:00 to 3:30pm. No Detention on half days and Fridays. Late to 1st or 4th period results in after school detention!

Lunch Servers this Month: Stevie's 3rd period!

East wing early release for lunch at 10:57 this week: McDowell, Sheldon, Buckingham, Jamison

Happy Birthday to:

Today's Lunch:

Bacon Cheeseburger
With Tater tots
