Leave @ 2:40

BMS DAILY BULLETIN

Thursday, March 28th, 2024

Please rise for the Pledge of Allegiance:

March-Perseverance: Prioritize your time for schoolwork, and use time wisely. Don't give up communicating what you believe in. Go the extra mile, "being to class early, is being to class on -time".

While we do not want our students roaming the hallways in the morning. Students may schedule to see their teachers before or after school to receive help with classwork or questions, this is encouraged! Please come to the office to ask before going to a classroom.

All students, when going to lunch you must put your binders in your lockers, not on the floor in the hallway.

MS Track is looking for more athletes any 6th, 7th & 8th grader interested there is still time to join. Athletes' reminder to please head out to the track right after school for practice.

Students must use the cross Walk, before and after school. This is a safety concern!

STOM & STOQ Assembly tomorrow during 7th period

Students you can pick up a permission slip form from the office for the cookie fundraiser. The first 25 to come will get to sell, whether you get an end of year field trip will depend on you!

Detention after school Monday through Thursday in Mrs. Dezellem's room from 3:00 to 3:30pm. No Detention on half days and Fridays. Late to 1st or 4th period results in after school detention!

Lunch Servers this Month: Stevie's 3rd period!

West wing early release for lunch at 10:57 this week:

Happy Birthday to:

Today's Lunch:

Spicy chicken Burger
