

2022-2024 School Year

School Cafeteria – Food Service Department

Hello! As we begin the new school year the dedicated team in the Cafeteria, aka the Cool School Café, is ready to provide meals for your children!

You will receive a 2023-2024 Free/Reduce Priced Meals Application with your school paperwork. Please take a moment to complete and return to school at your first convenience. The data from the forms is used to determine financial assistance for meals and other programs, like the P-EBT assistance cards for families. The USDA has discontinued Free meals for all students. The form will be needed to determine if your child is eligible for meal benefits at school. Lunch for Paid Rate students is \$3.25. There is no fee for students that qualify for Free or Reduced Rate. We are happy to tell you that Cape May City Elementary does provide breakfast at no cost to all students. If you have questions or need assistance with the form, please call. I am happy to help!

Daily Meal Offerings

- **BREAKFAST AFTER THE BELL PROGRAM:** Students arrive at school from 8:30-8:45AM. Breakfast is available in the classrooms for **all students free of charge**. Students will have to time to eat their breakfast after arrival time has concluded.
