This is a planning calendar that includes five days for inclement weather or emergency closings. If these days are unused, they will be deducted from the calendar. If more than five days are required, Spring Recess may be reduced in the order as indicated above (1-4) or the school year may be extended in June. Therefore, no plans that cannot be changed should be made during Spring Recess. The Board reserves the right to make adjustments to the school calendar as specific conditions require. The executed calendar will have no less than 180 school days for students, as per state requirements, and no more than 185 teacher days, as per contractual agreement.
