# ATHLETIC CODE

2023-2024

Tenino School District is a proud member of the District IV High School SW Washington 1A Evergreen League and Middle School Tri-County League.

## Acknowledgement of Core Values

Tenino student athletes represent their school and the greater Tenino community. As leaders of our schools, student athletes have certain obligations and responsibilities in their behavior. In order to be eligible to participate in a Tenino School District (TSD) Athletics program, student athletes must conduct themselves in compliance with the following Tenino School District policies. Failing to comply with these guidelines may result in disciplinary consequences. By signing this confirmation sheet, student athletes agree to:

- Obey all rules and regulations of the Washington Interscholastic Activities Association (WIAA), Tenino High School (THS)/Tenino Middle School (TMS), and the TSD Handbooks.
- Conduct themselves appropriately in school, the community, and on social media.
- Attend all classes unless appropriately excused by a parent or legal guardian and approved by the school administrator or designees and the head coach.
- Attend all practices/meetings unless they have received approval by their coach for being excused.
- Not provide/use or be in possession of any illegal drugs, alcohol, tobacco products/vapor materials/equipment or weapons.
- Not knowingly remain at any location where controlled substances, legend drugs, steroids, alcohol, and/or tobacco products/vapor materials/equipment are being used illegally.
- When on athletic trips, student athletes must remain with the team at all times, conduct themselves in an appropriate manner and follow directions from the coaching staff.
- Meet all WIAA academic and residence eligibility regulations.
- Be respectful on the field of competition in which they are participating.
- Follow all additional expectations established by the head coach.\*

\* Coaches are responsible to inform all of their players of additional expectations. The additional expectations will be in writing and distributed to all participants and signed by a parent/guardian and returned to the coach prior to the first interscholastic competition.

Please read the attached Athletic Code.

Signing (via Final Forms) acknowledges understanding that the student will be held to the Athletic Code throughout the remainder of his/her high school eligibility.

*Withdrawal from the TSD or the student-athlete's school for any period of time does not "erase" prior athletic code violations from the student-athlete's record in the event that further violations occur.*

**THE ATHLETIC CODE**

**1.0.0 PHILOSOPHY STATEMENT**

The Tenino School District Athletic Department is committed to providing a program which contributes to the physical health and mental well-being of all its athletes. We recognize that athletics plays an integral part in the lives of our students, and an outstanding athletic program teaches its athletes good sportsmanship in victory and defeat.

The mission of the Tenino School District Department of Athletics is to prepare student-athletes to compete at the highest level and to inspire them to be leaders now and for the future by providing the best environment to achieve their athletic, academic, and personal aspirations as well as provide support for the professional development of our coaches and staff, all within the role of the greater relationships within our schools and community. Tenino School District has a rich and storied history in athletics, and we strive to continue those traditions today.

In athletics, our goals include:

- providing a safe and structured environment;
- develop leadership skills among our student-athletes;
- always demonstrate respect for self, team, officials and opponents;
- build responsibility, good work ethic, trust, loyalty, self-esteem and discipline;
- believing that success is not always recorded on the scoreboard but how we deal with setbacks and adversity is equally important.

*Participation in TSD athletic programs is considered an extension of, although separate from, the regular school day. While the regular curricular program is a right afforded to each student, participation in the co-curricular program is a privilege and as such, carries substantially increased expectations beyond those applicable in the daily classroom situation. The athletic/activity code is established for young persons taking part in these programs.*

Since athletics provide a unifying influence upon our student body and between our school and community, athletes must positively represent TSD throughout their school and in the community. This document serves to inform students and parents about the guidelines, policies, and regulations of the Washington Interscholastic Activities Association (WIAA) and the TSD. It explains expectations for student-athletes at our high school and middle school. One of the primary roles of the high school athletic department is to oversee the conduct of our student-athletes. We urge parents to take an active part in the guidance and supervision of their son or daughter while supporting the schools in our endeavor to develop positive and productive citizens.

## **2.0.0 GENERAL ELIGIBILITY**

Student-athletes are expected to adhere to the rules set forth by the WIAA, the TSD Student Rights and Responsibilities Handbook and their school handbook. In addition, student athletes must meet the following criteria to be eligible for interscholastic sports consideration:

**2.1.0 Age Limits- High School** – A student shall be under the 20 years of age within the first two (2) weeks of each sport season. (WIAA 18.4.0). **Middle School** - A student shall not have reached their 16th birthday prior to June 1 of the previous school year.

**2.2.0 ASB Member** - Every student who participates in interscholastic athletics must have a current ASB card. ASB cards can be purchased from the ASB secretary.

**2.3.0 Enrollment** - A student-athlete must be enrolled in five or more classes (or the equivalent) at the start of the season of the school the athlete represents.

**2.3.1** A Running Start student is a member of the high school from which he/she accesses the Running Start program. (WIAA 18.6.0)

**2.3.2** A private/alternative school student may participate in athletics at his/her public school of residence when a sport is not offered at his/her private/alternative school. (WIAA 18.5.3)

**2.3.3** A homeschool student may participate at his/her resident high school in athletics by registering with the school district as a homeschool student. (WIAA 18.5.1)

**2.3.4** Athletic opportunities offered by TSD school athletic programs are intended for students currently enrolled in that specific school **only**. Student-athletes participating in any sports program offered/sponsored by a TSD school must be enrolled in and be in good standing with that school. This expectation is in effect during the in-season, out-of-season, and summer periods as defined by the WIAA.

### **2.4.0 Fees/Fines**

**2.4.1** Each high school student-athlete will pay a fee for each sport in which he/she participates. The fee or arrangements to pay the fee must be made prior to the student-athlete's first practice.

**2.4.2** Student-athletes who, according to TSD records, have any outstanding school-related fines will be considered ineligible for full athletic participation until one of the following actions have been completed:

- the fine is paid in full
- items in question have been returned or situations have been resolved
- a payment agreement between the student/family and the school issuing the fine has been initiated
- the fine has been dropped by the issuing school

**2.5.0 Physical Examination** – Prior to the first practice of an interscholastic sport, participants must undergo a thorough physical examination and be approved for full participation by a medical authority as defined by the WIAA. Physical examinations must be renewed after 24 consecutive

months to the date. The TSD Athletic Department strongly recommends that a new athletic physical examination is obtained each year. (WIAA 17.11.0)

**2.5.1** All student-athletes who have been ill or injured or whose health has changed to the extent of needing a physician's care must have the written release of a health care provider prior to re-entering competition in a given interscholastic sport. (WIAA 17.11.4)

**2.5.2** All student-athletes and their parents will be required, annually, to sign and return an information sheet relating to the nature and risk of concussion or head injury. This information sheet will include the signs and symptoms of concussion/brain injury.

**2.6.0 Medical Insurance** – student-athletes are required to have or obtain medical insurance

**2.7.0 Residency** - A student-athlete's parents or legal guardians shall be bona fide residents of the Tenino School district within the designated high school attendance area. (WIAA 18.10.0)

**2.8.0 Concurrent Participation** – a student shall not compete in more than one (1) interscholastic sport per season. (WIAA 18.22.0)

### **3.0.0 ACADEMIC ELIGIBILITY**

**3.1.0 Previous semester**– In order for a student-athlete to be considered academically eligible for a new season, he/she:

- must have passed five of six, or six out of seven, classes (or the equivalent) in the semester immediately preceding the one in which the interscholastic competition is held.

If a student has not passed the equivalent of **five of six, six out of seven (or equivalent) classes** in the previous semester, he/she will be allowed to turn out but not be allowed to compete in any interscholastic competitions until the last Saturday in September for first semester or after the fifth week for second semester. Eligibility will begin on the Monday following the suspension period.

**3.2.0 Current semester** – An in-season student-athlete must be passing all classes to remain eligible.

**3.3.0 Academic Intervention/Honors:** Grade checks will be conducted on **all** student athletes in-season every two weeks (HS & MS) by the athletic director (AD). The AD will compile a roster of student-athletes and their current grades which will be submitted to the respective coach. The coach and/or AD will determine which academic interventions are necessary for identified student-athletes and assign these accordingly. The coach/AD will monitor and promote the pursuit of academic honors for their in-season teams.

**3.4.0 Academic Probation** – All in-season student-athletes are expected to meet or exceed the following academic standard:

- Be passing all classes. Six out of six, or seven out of seven classes (or the equivalent).

A student-athlete not meeting the academic standard during the current semester will be placed on academic probation by the school's AD. The student-athlete and his/her parents will be notified within three (3) days of the probation by the AD or designee. Probation shall be managed using the following protocol:

- The student-athlete is eligible to practice, and participate in games without restriction.
- The student-athlete will be placed in appropriate academic interventions following an academic review.
- Practice time may be reduced to allow for additional study time.
- The student-athlete will be grade-checked weekly while on probation by the AD or designee.
- Any student-athlete who fails to meet the academic standard after two (2) weeks on probation will be subject to academic suspension (Section 3.5).

**3.5.0 Academic Suspension** – A student-athlete who fails to meet the academic standard after four (4) weeks, will be suspended from competition, but not practice, until the student-athlete is eligible. The athlete and his/her guardians will be notified within three (3) days by the AD or designee. The student athlete and his/her guardians have the right to appeal the suspension. **See Section 7.0 for the appeal process.**

## **4.0 BEHAVIOR**

**4.1.0 Attendance** – A student-athlete must be present in school for all scheduled class periods the day of a game/practice in order to participate. Exceptions, such as dental and medical appointments, school-sponsored activities, and college visits for high school seniors must be approved in advance by the school principal or designee and the head coach.

Attendance issues which violate the rules set forth in the Tenino Student Rights and Responsibilities Handbook (Pages 38-41) may have an effect on a student-athlete’s athletic participation and/or membership on a team.

**4.2.0 Conduct** —A student-athlete shall follow all rules established by TSD in the Student Rights and Responsibilities Handbook and by his/her school at all times while they are eligible or potentially eligible to participate in high school and middle school athletics, including, but not limited to time, such as summer breaks, vacations, and non school days, and regardless of whether the student athlete is not currently participating in a sport. Failure to follow these rules may result in athletic discipline consequences including, but not limited to loss of playing time, suspension or dismissal following a review by the school’s administration.

All school administration-delivered discipline must be completed before the student-athlete will be eligible to participate in practices or play in games.

Conviction or adjudication of any criminal acts, or being charged with criminal acts if school officials determine the conduct involved in the charge occurred, is also a violation of the Athletic Code.

**4.3.0 Social Media**—all members of athletic programs in the TSD have a responsibility to use social media in a positive, appropriate manner. Items including comments, photos, images and videos that are derogatory, demeaning, taunting or unsportsmanlike toward an opponent/team/school/community/teammate/team and/or coaching staff are considered detrimental to the purpose of the athletic programs of the TSD. Individuals making such improper use of social media will be subject to appropriate team and/or school discipline, including but not limited to suspension or dismissal from the team.

Comments, videos, images and photos on social media can be used as evidence of athletic code violations and lead to athletic disciplinary consequences, including but not limited to suspension or dismissal from the team.

**4.4.0 Hazing:** any humiliating or dangerous activity expected of a student to belong to a group regardless of their willingness to participate will be considered an act of hazing and will not be tolerated in the athletic programs of the TSD. Violators will be subject to the consequences found under the Harassment, Intimidation and Bullying (HIB) and Harassment (SRRH Part V: Tenino School Board Procedure 3207) rules of the TSD and may also be subject to further athletic disciplinary consequences following a review by the school's administration.

**4.5.0 Bystander** - Students, who are bystanders of any misconduct, are responsible for notifying a trusted adult of any bullying, hazing, inappropriate use of social media, vandalism, physical fights, harassment, threats, the use of illegal substances, etc. Failure to do so is in violation of the Athletic Code and will be subject to disciplinary consequences.

**4.6.0 Self-Reporting**—any athlete who self-reports a violation of the athletic code for a first violation may receive a reduced consequence for the offense following a review by the school's administration.

#### **5.0.0 LEGEND DRUGS, ANABOLIC STEROIDS & CONTROLLED SUBSTANCES**

**Illegal Substances** – Use, possession, sale, or delivery of tobacco/vapor equipment/material alcohol/marijuana, drugs and/or possession of drug paraphernalia and/or substance purported to be drugs is prohibited. Athletes who are at a location where drugs and/or alcohol/marijuana are being used illegally must upon learning of the presence and/or use of such substances, make immediate, and exhaustive attempts to leave the premises; failure to do so will result in disciplinary action outlined in sections 5.0.0 and 6.0.0 below.

Penalties for the possession, use or sale of legend drugs (drugs obtained through prescription, RCW 69.41.020-050) and controlled substances (RCW 69.50) shall be as follows (WIAA 18.26.2):

**1st Violation** - A participant shall be immediately ineligible for interscholastic competition in the current interscholastic sports program for the remainder of the season. Ineligibility shall continue until the next sports season in which the participant wishes to participate unless the student-athlete accesses the assistance program outlined in B (below.)

**A.** In order to be eligible to participate in the next interscholastic sports season, the student athlete shall meet with the Building Athletic Appeal Committee. This Committee is composed of: one building administrator; the building AD; one coach from a different sport/activity than the one involved; and (when possible) one counselor or other staff member. The building AD will chair the committee.

**B.** A student-athlete who seeks and receives help for a problem with use of legend drugs (RCW 69.41.010 identified substances) or controlled substances and controlled substance analogs (RCW 69.50.101 identified substances) shall be given the opportunity for assistance through the school and/or community agencies. In no instance shall participation in a school and/or community approved assistance program excuse a student-athlete from subsequent compliance with this regulation.

However, successful utilization of such an opportunity or compliance with athletic code by the student athlete may allow him/her to have eligibility reinstated in that athletic season, pending recommendation by the school eligibility authority (Building Athletic Appeal Committee).

**2nd Violation** - A student-athlete who again violates any provision of RCW 69.41.020 through 69.41.050 or of RCW 69.50 shall be ineligible for interscholastic competition for a period of one (1) calendar year from the date of the second violation.

**3rd Violation** - A student-athlete who violates for a third time RCW 69.41.020 - 69.41.050 or of RCW 69.50 shall be permanently ineligible for interscholastic competition

## **6.0.0 TOBACCO/VAPOR EQUIPMENT/MATERIAL, ALCOHOL/ MARIJUANA**

A We encourage our student-athletes to develop healthy and lasting habits. With that in mind, any student-athlete subject to discipline for an infraction related to tobacco, vaping or alcohol may be offered an alternative option to suspension. Per the WIAA, these do not apply to illegal drugs or controlled substances.

1st Violation:

If the student-athlete agrees to meet with a certified Mental Health Professional or certified drug and alcohol counselor, the suspension will be held in abeyance.

2nd Violation:

The student-athlete will automatically serve a minimum suspension of 10% of the season, and if the student-athlete agrees to meet with a certified Mental Health Professional or certified drug and alcohol counselor, the remainder of the season suspension will be held in abeyance.

3rd Violation:

The student-athlete will serve a minimum of one full season. If the student-athlete agrees to meet with a certified Mental Health Professional or certified drug and alcohol counselor, the remainder of the calendar year suspension will be held in abeyance.

Held in abeyance means that the suspension technically exists, however, the student-athlete will not have to serve the portion held in abeyance if they comply with the agreement. If the student-athlete chooses not to comply with the agreement, any remaining suspension will be served by the student-athlete.

## **7.0.0 APPEAL PROCESS**

Student-athletes and parents/guardians have the right to appeal a decision which results in suspension from participation in a sport or activity due to a violation of the TSD Athletic Code. The request for an appeal must be made in writing to a building administrator, and received within three (3) school days of notification of the sanction. Student-athletes are suspended from all participation pending the result of the appeal hearing.

## **7.1.0 Building Level Appeal**

**7.1.1** All appeals will be reviewed by the Building Athletic Appeal Committee. This Committee is composed of: one building administrator; the building AD; one coach from a different sport/activity than the one involved; and (when possible) one counselor or other staff member. The building AD will chair the committee.

**7.1.2** Upon receipt of the written request for an appeal, the Building Athletic Appeal Committee will convene within five (5) school days.

**7.1.3** The student-athlete involved must attend the appeal hearing or the appeal will not be heard. Parents/guardians are strongly encouraged to attend. The student athlete may request up to three (3) persons to speak on his/her behalf, and should be prepared to present all relevant additional information to the Committee.

**7.1.4** The Building Athletic Appeal Committee will hear and decide the eligibility of the student-athlete based on the TSD Athletic Code and information presented at the hearing. The student-athlete will be notified of the decision of the Building Athletic Appeal Committee in writing within 24 hours of the hearing. Copies of the decision will be provided to the parent/guardian; building administrator and District AD.

## **7.2.0 District Level Appeal**

**7.2.1** If the student-athlete disputes the result of the building level appeal, a request for a District level appeal may be made. It must be in writing and received by the District AD within three (3) school days after written notification of the building level appeal result. The District AD will chair this committee, with one administrator from the high school and middle school as members.

**7.2.2** The student-athlete involved must attend the appeal hearing or the appeal will not be heard. Parents/guardians are strongly encouraged to attend. The student athlete may request up to three (3) persons to speak on his/her behalf, and should be prepared to present all relevant additional information to the Committee.

**7.2.3** The final step in the appeal process is a formal, written request to the office of the Superintendent of Tenino School District. This request must present new information in writing as a basis for a review and reconsideration hearing. It must be presented within three (3) school days of the decision of the District Committee. The decision of the Superintendent or designee may be appealed to the TSD board of directors by presenting a written grievance to the Superintendent's office no later than two school business days' before the board's next regular meeting. The board of directors will review during the board's next regular meeting, which is the final step at the District Level Appeal. The Board will issue its decision within ten school business days after the meeting.

## **8.0.0 TEAM SELECTION/PLAYING TIME**

**8.1.0** Because of the nature of some sports and because of some facility limitations, it sometimes becomes necessary to limit the number of participants on a given team.

**8.2.0** Coaches are hired by Tenino School District to manage and direct a specific athletic activity. Their responsibilities include evaluating and selecting students for teams as well as determining the degree to which each student athlete will participate.

**8.3.0** Head coaches may have additional rules and regulations which they deem are necessary and are not in violation of any rules and regulations of this code. Coaches must inform all of their players of additional rules and regulations and the rules must be in writing and distributed to all participants and signed by parent/guardian and returned to the coach prior to the first interscholastic competition. Violation of these rules may result in team sanctions including loss of playing time. **Additional rules and/or regulations must first be approved by the high school's Athletic Director.**

**8.4.0** Coaches' decisions regarding team personnel are based on a variety of factors. Some of these include the student-athletes' skill levels, teamwork, behavior, consistent performance, and grades. Any one, or any combination of these, plus other possible factors are all weighed very carefully in this process.

**8.5.0** Regardless of the subjective nature of the process and the potential for disagreement, only the coach is in a position to make selections for membership and playing time. If one were to assume any other position on this issue, a precedent would be established that TSD would find untenable.

**8.6.0** Each participant will be given an equal opportunity for evaluation. Substantiated emergency circumstances may require alternative opportunities for evaluation. Circumstances will be reviewed by the coach and athletic director. **All freshman student athletes are to be evaluated for at least five (5) days before the specific athletic activity begins the process of involuntarily reducing numbers.**

## **9.0.0 PARENT/STUDENT COMMUNICATION PROCESS**

**For HS and MS Schedules:**

*Tenino School District Home Page* - [teninoathletics.com](http://teninoathletics.com)

**If a game is canceled or rescheduled due to inclement weather, transportation, lack of referees, etc. the following protocols will be utilized to notify families:**

- The AD notifies the coaches.
  - The coaches notify their players.
  - Players notify their parents/guardians.
- The AD notifies the ASB secretary and an administrator.
  - The ASB secretary or administrator updates the events section of the school website and master and public calendar.
- The AD reports changes/cancellations via school social media channels, including the school website.

**9.1.0** Parents/guardians having a concern(s) with a co-curricular activity are expected to follow these steps:

**9.1.1** Communicate concern(s) to the coach/advisor.

**9.1.2** If a resolution is not found during communication with the coach, express concern(s) to the school Athletic Director.

**9.1.3** The school Athletic Director will then arrange and facilitate a meeting between the student-athlete, the student-athlete's parent(s), and coach to resolve concern(s).

**9.1.4** If resolution is not found in 9.1.3, the parent, coach, and Athletic Director will meet with the building administrator in charge of co-curricular programs to resolve the concern(s). The building administrator in charge of co-curricular programs is the final step in resolution process.

## **10.0.0 SPECTATOR EXPECTATIONS**

The following behavior is **unacceptable** at all TSD school sporting events, including but not limited to practices:

1. berating your opponent's school or mascot
2. berating opposing players
3. obscene cheers or gestures
4. negative signs
5. noisemakers
6. complaining about officials' calls (verbal or gestures)
7. physical or verbal aggression or threats towards any Tenino student, coach, school staff or official, or other spectators

**At all times, Tenino Spectators are required to, at all times,:**

- Treat players, coaches, and officials with respect. No personal, non-performance related comments will be tolerated
- Follow all host site rules, and therefore, follow direction, rules set by the administrators and/or designees from either school
- Maintain a high degree of sportsmanship during athletic events
- Remain in the designated seating areas while a game/match/set is in progress
- Refrain from confronting an official, coach, or player before, during or after any athletic event
- Refrain from entering the playing area before the game, at halftime, or during the game
- Stay in designated school area
- Refrain from interfering with homecoming floats or performing bands
- Throwing any objects on the playing area.

Coaches are responsible for their own and players' actions.

Spectators who do not comply with the expectations of this Athletic Code are subject to the following:

- Removal from the event.
- Written warning for future events.
- Banned from attending future sporting events for the remainder of the season.

## 11.0.0 GLOSSARY OF TERMS

- 1. Academic Ineligibility:** a grade point average (GPA) below 2.0;; not passing the equivalent of five of six, six out of seven (or equivalent) classes during a season.
- 2. Academic Ineligibility Hearing:** a student-athlete who has been suspended from a team due to continued academic ineligibility may make a written request for a hearing to the building Athletic Director with the Building Athletic Appeal Committee.

If you are interested in participating in athletics, you will need the following. All required forms and signatures need to be entered into Final Forms ([www.tenino-wa.finalforms.com](http://www.tenino-wa.finalforms.com))

\_\_\_\_\_ A physical exam report SIGNED and DATED by a licensed medical authority renewed every 24 consecutive months to date (an annual physical examination is strongly recommended by the TSD Athletic Department) (see TSD Athletic Registration form)

\_\_\_\_\_ MEDICAL INSURANCE IS REQUIRED. If you do not have medical insurance, forms are available in the school's Main Office. (See TSD Athletic Registration form)

\_\_\_\_\_ The emergency medical information section completed and signed by the parent/guardian. Make sure the Athletic Registration form and both parent AND student-athlete sign the contract.

\_\_\_\_\_ The Warning Agreement to Obey Instructions form (for EACH SPORT participating in) has been read and signed by parent AND student-athlete.

\_\_\_\_\_ Head injury and concussion warning/information has been read and signed by parent AND student-athlete. (See TSD Concussion Information Sheet)

\_\_\_\_\_ A Safety Guideline form (for EACH SPORT PARTICIPATING IN) has been read and signed by parent AND student-athlete.

\_\_\_\_\_ The ATHLETIC CODE has been read and signed by parent/guardian AND student-athlete. (A paper version will be provided for all student-athletes in the MS or HS Office. Parents and student athletes are responsible for reading and reviewing the Athletic Code from the District/High School/Middle School website.)

\_\_\_\_\_ A current ASB card. STUDENT MUST PURCHASE TO PLAY.

\_\_\_\_\_ Pay the athletic participation fee at your school of participation

\_\_\_\_\_ NO fines or a plan is established to resolve the fine with the issuing school

These forms may be obtained in [Final Forms](https://tenino-wa.finalforms.com/). (<https://tenino-wa.finalforms.com/>)

**\*PLEASE CHECK WITH YOUR SCHOOL FOR SPECIFIC SPORTS PROGRAM EXPECTATIONS.**

*\*These forms **must be filled out on Final Forms prior to the first day of practice** if the student athlete plans on turning out for a sport.*
