Our Mission: Aleutians East Borough School District will provide a quality education; skills and opportunities, which meet all students’ needs, helping them become productive citizens and successful life-long learners through committed community involvement.

Our Vision: Every student deserves to be surrounded by a culture of high educational expectations. All students are to be valued and should be treated fairly and respectfully regardless of their background or educational challenges. In order for students to realize their full potential; Elders, parents, teachers and community members should be involved in students’ education by serving as role models and by assisting in identifying and making available community resources to meet the needs of all students.

Executive Session: The Board reserves the right to go into executive session at any time as permitted by AS 44.62.310 and Board Policy 9321.2
Oath of Office
OATH OF OFFICE

“This, ____________________________, do solemnly swear that I will support and defend the Constitution of the United States and the Constitution of the State of Alaska and that I will honestly, faithfully, and impartially discharge my duties as a School Board Member to the best of my ability."

BP 6146.1 First Reading
4 AAC 06.075. High school graduation requirements.

(a) Each chief school administrator shall develop and submit to the district board for approval a plan consisting of district high school graduation requirements. The plan must require that, before graduation, a student must have earned at least 21 units of credit.

(b) Specific subject area units-of-credit requirements must be set out in each district plan and must require that, before graduation, a student must have completed at least the following:

1. language arts - four units of credit;
2. social studies - three units of credit;
3. mathematics - two units of credit for students graduating from high school on or before June 30, 2017, and three units of credit for students graduating from high school on or after July 1, 2017;
4. science - two units of credit; and
5. health/physical education - one unit of credit.

(c) Transfer students who have earned 13 units of credit while in attendance outside the district may, at the discretion of the district, be excused from the district subject area units-of-credit requirements.

(d) Beginning January 1, 2009, the three units of credit in social studies required under (b)(2) of this section must include one-half unit of credit in Alaska history or demonstration that the student meets the Alaska history performance standards. The provisions of this subsection do not apply to a student who

1. transfers into an Alaska public school after the student’s second year of high school; or
2. has already successfully completed a high school state history course from another state.

(e) If a district awards units of credit for world language courses, it shall also award units of credit for postsecondary world language courses or world language courses offered by tribes or tribal entities.

(f) In this section, "unit of credit" means the credit that a student is awarded for achieving a passing grade in a course of study by meeting the content standards for a course of study as prescribed by a local school board.

(g) In this section, "world languages" means non-English languages including Alaska Native, American Indian, and American Sign Language.
Transfer students who have earned 13 unit credits in another district may, at the district’s discretion be excused from the district’s subject area units-of-credit requirements. 4 AAC 06.075

Unless otherwise stated in a student’s IEP, the district shall require all students in grade 11, and all students in grade 12 who have not previously done so, to take a college and career readiness assessment described in 4 AAC 06.717. However, failure to take one of these assessments shall not be grounds for withholding a diploma from an otherwise qualified student. At the request of a student, the district shall retroactively issue a high school diploma to a student who did not receive one because of failure to pass all or a portion of the previously required High School Graduation Qualifying Exam and instead received a certificate of achievement, provided the person takes a college and career readiness assessment. AS 14.03.075. A person may satisfy the assessment pursuant to the regulations in 4 AAC 06.718. The district is to mail a notice of this option to each such student who qualifies for a diploma to the student’s last known address.

The School Board intends that all District students graduate high school ready for college or a career. The Superintendent or designee shall prepare for School Board approval a plan consisting of district graduation requirements. Students shall receive diplomas of graduation from high school only after meeting the following district graduation requirements, as well as taking a college and career readiness assessment or receiving a waiver from the School Board.
