Happy Friday Wamogo Families!

It is so exciting to be back to see and hear from all of our Wamogo Warriors after a long summer break. The first week has been eventful with our introductory assembly for middle school students to review policy updates, expectations and other important information. Middle School Robotics Club started on Wednesday with a large number of student participants.

The Middle School Athletic season begins next week. Please be sure to continue to check the [practice and game schedules](#) for specific information.

It has truly been a wonderful start and set the stage for another successful school year. We hope to see you at Curriculum Night in a few weeks.

We wish you all a restful holiday weekend.

Sincerely,  
Sabin Loveland, Principal  
Pam Vecca, Assistant Principal
