Superintendent

TOM BETCHAN
High School Principal

LARRY COONROE
Elementary Principal

Parents,

We are experiencing another Oklahoma winter with storms lined up over the coming days. Like you, the administration is diligently following the weather forecasts as they are broadcast each day. When there is inclement weather, we are on the roads very early in efforts to ascertain the safety of our school routes for our buses, student drivers, teachers and staff.

A decision to modify or cancel the school day will be made as soon as possible and a notice is sent to the media stations in Oklahoma City. The district will also send out a message on school messenger if the school schedule is modified or cancelled that day.

It is important to note that the parent/guardian has the final decision on if their student attends school on inclement weather days. Although it still counts as an absence, your child will be allowed to make up any work that was missed if you choose to keep your child home for safety reasons and notify the school that morning.

Lastly, regardless if your students are a driver or bus rider, please remember that they should be properly dressed for dangerous and/or extremely cold weather in case of emergency. Heavy coats, gloves, winter hats, scarfs are strongly suggested to have in case of emergency. If you are in need of help regarding these items, please let us know.

Sincerely,

Brent Koontz
Superintendent
