## What is a PCCR?

### Plan for College and Career Readiness

Yearly meeting with your counselor to discuss topics pertaining to each grade. You will have a PCCR meeting every year with your counselor until you graduate.

#### Possible topics:

- How you are doing in school
- School Success
- 4 Year Planning
- Class options for upcoming years
- High School graduation credit requirement
- College classes in high school
- NCAA eligibility
- Post high school education planning
- Career Planning & Exploration
- Goal Setting
- Questions and Concerns

#### How to be successful in school:

- Good attendance
- Work in class/turn in assignments on time
- Ask questions-self advocate
- Get help when needed
- Learn how to study
- Set up schedule at home & place to study
- Good healthy habits for success

### YouScience

YouScience is a one-of-a-kind career discovery profile designed to help students better understand their natural abilities, broaden awareness of career opportunities, and make more informed decisions about their individual pathway from school to career.

#### Earn College Credit in high school:

AP Classes

Concurrent Enrollment

#### CTE

Bridgerland (<https://btech.edu/usu-stackable>)

- Stackable Credentials:  
stackable credentials build competencies through shorter, more affordable course/certificates that help students progress through a career (steppingstones to further education).
  - Vertical
  - Horizontal

**Pathways:** A CTE pathway is a sequence of two or more CTE courses within a student's area of career interest.

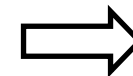

#### BEHS Pathways

Agriculture, Food & Natural Resources	Engineering & Technology	Transportation, Distribution & Logistics
Architecture & Construction	Health Science	Education & Training
Business, Finance & Marketing	Hospitality & Tourism	Manufacturing
Computer Science & Information Technology	Human Services	Law, Public Safety

#### Financial Aid:

Paying for college (FASFA)

- Grants
- Loans
- Scholarships
- Work study
- Private Scholarships
