Issue - a topic or subject of discussion or negotiation.

Interest - a party's concern, need, desire, or goal behind an issue

Each side then will alternately explain the interest said party has in each issue. The other side can ask clarifying questions but cannot debate the issue.

Beginning with this session, and at every subsequent session, the parties will counter and discuss issue proposals until an agreement is reached.

III. EVALUATORS

QUALIFICATIONS AND ROLE

An evaluator normally will be a full-time or part-time, credentialed contracted employee of the district. If the superintendent deems it necessary, a pool of OTES-trained, licensed administrators will be created by the Board of Education, and, if possible, from a pool of local administrators.

IV. PROCEDURE

- A. An evaluation of each teacher employed by the Board shall be completed at least once each school year, except as otherwise provided in this Section. The evaluation shall be completed by the first of May and the teacher shall receive a written report of the results of the evaluation by the tenth day of May.
- C. If the board has entered into a limited contract or an extended limited contract with a teacher pursuant to section 3319.11 of the Ohio Revised Code, the board shall perform a minimum of three formal observations during the evaluation cycle in any school year in which the board may wish to declare its intention not to reemploy a teacher pursuant to division (B), (C) (3), (D), or (E) of 3319.11.
- D. The Board may elect, by adoption of a resolution, to evaluate each teacher who received a final rating of accomplished on the teacher's most recent evaluation conducted under this Section once every three (3) school years. The teacher will be required to submit a self-directed professional growth plan to the evaluator, and the evaluator will determine if the teacher is making progress on the plan. The professional growth plan will focus on the most recent evaluation of the teacher. The teacher will be provided with at least one (1) formal or informal observation and post-conference in any year that such teacher is not formally evaluated. In that case, the triennial evaluation shall be completed by the first of May of the applicable school year, and the teacher shall receive a written report of the results of the evaluation by the tenth day of May of that school year.
- E. The Board may elect, by adoption of a resolution, to evaluate each teacher who received a final rating of accomplished on the teacher's most recent evaluation conducted under this Section once every two (2) school years, provided the teacher and evaluator develop a professional growth plan for the teacher, and the evaluator determines that the teacher is making progress on that plan. The teacher will be provided with at least one (1) formal or informal observation and post-conference

in any year that such teacher is not formally evaluated. In that case, the biennial evaluation shall be completed by the first of May of the applicable school year, and the teacher shall receive a written report of the results of the evaluation by the tenth day of May of that school year.

The preconference shall be scheduled within three (3) working days of the observation. At the pre-observation conference teachers shall provide evidence for the work situation to be observed on the pre-observation form. The post observation will be scheduled at the preconference. The first formal observation must occur during the first semester but not during the first ten (10) days of the school year.

2. A post-observation conference shall be held after each formal observation. At the post-observation conference teachers shall be provided one (1) area of reinforcement and one (1) area of refinement through evidence, in alignment with the education standards. Teachers shall be given the opportunity to provide evidence to support the areas of reinforcement and refinement during this post-observation conference.
3. The second formal observation shall occur during the second semester but not within five (5) weeks of the first formal observation.
4. The first formal observation will be a holistic observation where the evaluator assesses all areas of the rubric demonstrated during the observation as well as information gained from any pre-observation conference or other sources selected by the evaluator.
5. The second and any subsequent formal observation(s) will be focused observations in which the evaluator emphasizes identified focus area(s). Identified focus areas will be selected after completion of the holistic observation, and may include area(s) of relative strength and/or area(s) targeted for improvement.
6. Teachers with a final evaluation rating of Accomplished (from the previous year) will select their own focus area(s). A teacher with a final evaluation rating of Skilled (from the previous year) will select focus area(s) in collaboration with his/her evaluator. A teacher with a final evaluation rating of Developing (from the previous year) will be guided by his/her evaluator in determining focus area(s). A teacher with a final evaluation rating of Ineffective (from the previous year) will have focus area(s) selected by the evaluator. A teacher new to the profession will select focus area(s) in collaboration with his/her evaluator." Evaluators will collect evidence during the focused observation to assess the identified focus area(s). Evaluators will also document evidence to support the final evaluation rating.
7. No observations will be scheduled on a day before or after the following: the administration of standardized testing; winter break; or spring break (if applicable).
8. In the event of a long term leave which renders the timeline inapplicable as explained above (1-4), the timeline will be modified to allow for the completion of two observations prior to commencement of said leave.

VIII. WALKTHROUGHS (This procedure is limited to OTES evaluations).

- A. Not later than September 30 of each year, or in the case of a new teacher, within thirty (30) days of the first day employed, each teacher shall receive a copy of the walkthrough form to be utilized for that year.
- B. Evidence from no fewer than two (2) and no more than five (5) walkthroughs will be used in the evaluation cycle. Such walkthroughs will last no more than thirty (30) minutes.
- C. The teacher will receive a copy of the completed walkthrough form.
- D. At the request of the teacher, or the evaluator, a formal debriefing shall occur after the walkthrough to discuss observations relative to the identified focus.

- B. The evaluation shall consider evidence gathered during the evaluation cycle to assign a final holistic evaluation rating, based upon the criteria developed by the Ohio Department of Education. The evaluation shall acknowledge, through the evidence gathered, the performance strengths of the teacher evaluated as well as performance deficiencies, if any.
- C. In the event that significant performance deficiencies are identified and warrant intervention, the teacher and evaluator will develop a strategic plan for addressing such deficiencies. The plan could include but is not limited to the following:
 - 1. Reciprocal observations and collaboration with a teacher identified as high performing in the deficient area.
 - 2. On-site focused professional development with the Curriculum Director.
 - 3. Off-site focused professional development when deemed relevant by the Curriculum Director.
- D. The evaluator shall note evidence of all the data used to support the conclusions reached in the formal evaluation report.
- E. The evaluation report shall be signed by the evaluator and by the teacher to verify notification to the teacher that the evaluation will be placed on file. The teacher's signature shall not be construed as evidence that the teacher agrees with the contents of the evaluation report.

- F. The evaluation report shall be completed by May 10, signed by both parties, and filed with the superintendent.
- G. The District administration has discretion to place a teacher on an Improvement Plan at any time based on any individual deficiency exhibited in the evaluation system by the teacher.

A copy of the notice of recall will be given to the Association. If a teacher fails to respond within five (5) days after receipt of the above notice of recall, he/she will be deemed to have refused the position offered.
