Dear Parent/Legal Guardian:

The safety of our students is of critical importance to all of us and we want to protect them from injury. Even so, accidents do happen (at school, during athletics and elsewhere) and required medical care can be expensive. Please know that your school **does not** assume responsibility for such costs but does offer you access to several student accident insurance plans for voluntary purchase. Details can be found in the attached brochure/enrollment form.

To enroll, please follow the instructions in the attached brochure. Enrollment is also available by going to <https://myers-stevens.com/enrollment/>. There are a variety of plans available to you so please be sure and review the attached brochure carefully prior to enrolling. Paper forms are accepted for enrollment as well and should be mailed directly to Myers-Stevens & Toohey. Please do not return enrollment forms to your school or coach.

If you have any questions concerning the coverages available or need help with enrollment, please call Myers-Stevens & Toohey at (800) 827-4695. Bilingual representatives are available for parents who need assistance in Spanish.
