

Peter Johansen High School

2021-2022 School Accountability Report Card

(Published During the 2022-2023 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2022-23 School Contact Information

School Name	Peter Johansen High School
Street	641 Norseman Dr.
City, State, Zip	Modesto, CA 95357

2022-23 District Contact Information

District Name	Modesto City School District
Phone Number	(209) 574-1500
Superintendent	Sara Noguchi, Ed.D
Email Address	MummaSolorio.L@monet.k12.ca.us
District Website Address	www.mcs4kids.com

2022-23 School Overview

Johansen High School opened in the fall of 1992 and is one of seven large comprehensive public high schools in the Modesto City Schools District, 30,000 ADA, which serves a community of 207,000 residents in the central valley of California. Johansen's student population resides primarily in the neighboring town of Empire and the southeastern portion of Modesto. The economic base of the community is shifting from primarily agriculture to a blend of agriculture, light industry, manufacturing, building construction, and other service-related businesses. The community has taken great pride in this "state of the art" high school that provides students with an exceptional facility in which to learn.

The Johansen campus encompasses 90 classrooms and labs, a large gymnasium, an auditorium and a modern technology-rich library. It also includes a complete complex of athletic fields, stadium, and Olympic swimming pool. The school has a diverse student body of over 1700 students composed of several ethnic groups. Technology is a major focus that is infused into the curriculum and used to strengthen the integrated instruction that occurs across disciplines. Every staff member has access to computerized resources. Every student has a laptop computer to use for the digital curriculum in ELA and Social Science, as well as, a supplementary tool in all other subject areas. Four computer labs are equipped with computers to support our high level computer and digital arts programs. One additional lab is available for classes to work on projects that integrate technology into the curriculum. Communication on campus and with the community is enhanced with the exchange of electronic media, and parents can correspond with their son's or daughter's teachers directly by email or check their own student's grades and attendance on PowerSchool.

Johansen High School provides a rich curriculum designed to meet the needs of its diverse student population. Students have access to a variety of academic programs tailored to meet their needs. Johansen High School places a high priority on improving the instructional program. Students are scheduled into classes with careful consideration given to their abilities and needs. Johansen's instructional program includes courses for English Learners, grade level instruction, College Preparatory, Honors and Advanced Placement. Nearly all students in grades 9, 10, and 11 are in college preparatory academic programs. Johansen High School offers a strong Advanced Placement curriculum that provides a focused academic challenge to the advanced students. In addition, students may take a Honors curriculum that prepares them for Advanced Placement courses or a College Prep strand that prepares them to enter the university system. Over 80% of Johansen's graduates continue their education at universities or community colleges. Rich vocational education programs articulated with ROP courses and Modesto Junior College prepare students to enter the world of work. The award-winning Education Human Development Academy affords students the opportunity to work with young children at the on-campus preschool and at local elementary

2022-23 School Overview

schools. Johansen's Agriculture Academy provides students with career pathways leading to employment or college. The needs of special education students are met in Special Day Classes (SDC) and the Resources Specialist Program (RSP), while all English Learners are offered the opportunity to take Academic Language Development classes.

JOHANSEN HIGH SCHOOL MISSION STATEMENT

Johansen High School believes all students can successfully prepare for their future through the development of critical thinking and creative problem-solving skills. Within a school culture that values its diversity of people and ideas, Johansen students communicate through various mediums, collaborate across disciplines, and celebrate their progress toward achieving personal and academic goals.

JOHANSEN HIGH SCHOOL SCHOOLWIDE LEARNER OUTCOMES

COMMUNICATE

All Students

Effectively acquire, organize, and evaluate information through reading, writing and speaking.

Generate questions and employ creative approaches to problem solving.

Construct viable arguments in both oral and written form based on evidence.

Use a wide variety of technologies to effectively facilitate learning.

COLLABORATE

All Students

Work effectively in a world of diverse viewpoints, belief systems, and cultures.

Learn in a safe, respectful and supportive environment.

Integrate learning from all courses to build a strong base of knowledge.

Build relationships to their school and community through activities, service projects and internships.

CELEBRATE

All Students

Value character traits such as responsibility, perseverance, and respect.

Chart progress towards academic and career goals.

Acknowledge achievement in pursuit of academic and career goals.

Recognize successful participation in athletics and extracurricular activities.

About this School

2021-22 Student Enrollment by Grade Level	
Grade Level	Number of Students
Grade 9	539
Grade 10	495
Grade 11	451
Grade 12	437
Total Enrollment	1,922

2021-22 Student Enrollment by Student Group	
Student Group	Percent of Total Enrollment
Female	47.2
Male	52.8
American Indian or Alaska Native	0.4
Asian	2.3
Black or African American	2.6
Filipino	0.7
Hispanic or Latino	72.0
Native Hawaiian or Pacific Islander	0.5
Two or More Races	3.6
White	16.4
English Learners	18.7
Foster Youth	0.4
Homeless	1.2
Migrant	1.7
Socioeconomically Disadvantaged	79.3
Students with Disabilities	15.9

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	64.10	84.63	557.20	83.87	228366.10	83.12
Intern Credential Holders Properly Assigned	0.00	0.00	11.80	1.78	4205.90	1.53
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	2.80	3.78	19.40	2.92	11216.70	4.08
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	6.20	8.19	51.40	7.74	12115.80	4.41
Unknown	2.50	3.38	24.40	3.69	18854.30	6.86
Total Teaching Positions	75.70	100.00	664.40	100.00	274759.10	100.00

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	67.80	80.98	562.90	81.48	234405.20	84.00
Intern Credential Holders Properly Assigned	0.40	0.54	14.50	2.11	4853.00	1.74
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	6.40	7.64	29.50	4.28	12001.50	4.30
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	6.20	7.42	52.70	7.63	11953.10	4.28
Unknown	2.80	3.41	31.00	4.50	15831.90	5.67
Total Teaching Positions	83.80	100.00	690.90	100.00	279044.80	100.00

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	2.50	2.30
Misassignments	0.30	4.00
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	2.80	6.40

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	1.50	0.00
Local Assignment Options	4.60	6.20
Total Out-of-Field Teachers	6.20	6.20

2021-22 Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	0.50	5.00
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0.60	0.30

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2022-23 Quality, Currency, Availability of Textbooks and Other Instructional Materials

The Governing Board recognizes that students' educational opportunities are enhanced when they have sufficient access to high-quality textbooks, equipment and other instructional materials for each of the subjects they are studying. To adequately support the Board-approved curriculum, instructional materials must also be up to date. For further information about the selection and adoption of instructional materials at all Modesto City Schools, please reference Board Policies 6161, 6161.1, and 6161.11. All board policies are located at <https://www.mcs4kids.com/district/board/board-policies/board-policies>.

School Facility Conditions and Planned Improvements

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are included within this report. The results of this survey are available at the district office and on the internet at mcs4kids.com.

Below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment.

Age of School/Buildings:

This school has classrooms, a cafeteria, library, theater, gym, locker rooms, stadium, pool and an administration office. The main campus was built in 1992 and opened in 1992.

Maintenance and Repair:

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service. Emergency repairs are given the highest priority. The school facility is in overall good repair.

Cleaning Process and Schedule:

The Operations Department has adopted cleaning standards for all schools in the district. A summary of these standards are available at the school office, or at the Maintenance & Operations office. The Operations Department works continuously with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Deferred Maintenance:

The District participated in the State School Deferred Maintenance Program, which provided flexible state matching funds to assist school districts with expenditures for major repair or replacement of existing school facilities components. State contributions to this Program ended in the 2012-13 school year. Deferred Maintenance typically includes paving, roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting and floor systems. Carry-over funds for deferred maintenance projects throughout the District in Funds 01 and 14 have been exhausted. The Board has authorized the General Fund (Fund 01) to annually contribute \$2 million to Facility Maintenance (Fund 14) to be used for new construction and maintenance projects throughout the District, \$2 million to Routine Restricted Maintenance (Fund 14) for maintenance projects throughout the District and \$2 million to Facility Improvements (Fund 40) for the District's high schools. Identified needed repairs are weighed against all other District site repairs and the most urgent repairs are addressed first.

Data provided by LEA. Additional information about the condition of the school's facilities may be obtained by speaking with the school principal.

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
English Language Arts/Literacy (grades 3-8 and 11)	N/A	37	N/A	42	N/A	47
Mathematics (grades 3-8 and 11)	N/A	10	N/A	16	N/A	33

2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	444	419	94.37	5.63	36.99

2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded

Students with Disabilities	109	82	75.23	24.77	0

2021-22 Career Technical Education Programs

Today's CTE programs are rigorous and relevant programs that combine academic knowledge with technical skills and application of learning in hands-on, real-life contexts to equip students with viable skills for today's increasingly complex workforce. Modesto City Schools operates over 60 CTE programs spread across seven traditional and one alternative high school locations. These programs provide workplace preparation to our high school students, including several programs specifically designed to provide training to students with special needs, as well as workforce training for adults in the community. CTE programs reflect the instructional and learning design of Common Core: problem or project-based learning, development of critical thinking and problem-solving skills, teaming/collaboration and increased awareness of the expectations of business, industry, and the workplace.

State and national data indicate that students taking a CTE sequence perform better on assessments, graduate at higher rates, and are more successful in both college and the job market. CTE program data is monitored for enrollment trends, participation and completion rates, and performance on Carl D. Perkins grant core indicators. This data is reviewed annually with a wide array of stakeholders at a District CTE Advisory meeting, who give input on program effectiveness and development.

2021-22 Career Technical Education (CTE) Participation

Measure	CTE Program Participation
Number of Pupils Participating in CTE	949
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	100
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	

Course Enrollment/Completion

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

UC/CSU Course Measure	Percent
2021-22 Pupils Enrolled in Courses Required for UC/CSU Admission	96.25
2020-21 Graduates Who Completed All Courses Required for UC/CSU Admission	35.77

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
Grade 9	85.48%	82.17%	84.19%	81.80%	83.82%

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2022-23 Opportunities for Parental Involvement

Contact Person: Nathan Schar 209-574-1762

Parents are encouraged to participate in their child's education at Johansen High School. Back-to- School Night is held early in the fall, and parents are encouraged to sign up as school volunteers; a Parent Involvement Sign- up form is included in the students' "Round-Up" packages that are mailed home each summer.

Parent volunteers assist with Round-Up, PSAT testing, office assistance, speech judging, and choir & drama performances.

The senior Grad Bash is coordinated and staffed entirely by parent volunteers.

Parents are invited to attend Back-to-School Night in the fall and Open House in the spring of each school year. Evening meetings are also held to share information about colleges and financial aid. Each teacher and administrator has an email address that is accessible via the school website.

Parents serve on several committees and advisory boards including Johansen High School's Site Council, English Learner Parent Partnership, FFA advisory board, Child Development Academy advisory board, and the Industrial Technology and Engineering advisory board. Johansen has very active Sports and Band Boosters clubs which are run by parents.

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2019-20	School 2020-21	School 2021-22	District 2019-20	District 2020-21	District 2021-22	State 2019-20	State 2020-21	State 2021-22
Dropout Rate		4.8	1.8		5.9	2.2		8.9	7.8
Graduation Rate		88.2	86.5		87.3	90.8		84.2	87

2021-22 Graduation Rate by Student Group (Four-Year Cohort Rate)

This table displays the 2021-22 graduation rate by student group. For information on the Four-Year Adjusted Cohort Graduation Rate (ACGR), visit the CDE Adjusted Cohort Graduation Rate web page at www.cde.ca.gov/ds/ad/acgrinfo.asp.

Student Group	Number of Students in Cohort	Number of Cohort Graduates	Cohort Graduation Rate
All Students	446	386	86.5
Female	227	201	88.5
Male	219	185	84.5
American Indian or Alaska Native	--	--	--
Asian	--	--	--
Black or African American	14	12	85.7

Students Receiving Migrant Education Services	35	35	19	54.3
Students with Disabilities	332	317	181	57.1

C. Engagement

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20
Suspensions	4.26	4.26	2.45
Expulsions	0.00	0.03	0.05

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
Suspensions	0.00	4.45	0.18	5.26	0.20	3.17
Expulsions	0.00	0.09	0.00	0.02	0.00	0.07

2021-22 Suspensions and Expulsions by Student Group

Student Group	Suspensions Rate	Expulsions Rate
All Students	4.45	0.09
Female	3.56	0.00
Male	5.26	0.18
American Indian or Alaska Native	0.00	0.00
Asian	0.00	0.00
Black or African American	12.07	0.00
Filipino	0.00	0.00
Hispanic or Latino	4.46	0.07
Native Hawaiian or Pacific Islander	0.00	0.00
Two or More Races	8.75	0.00
White	3.54	0.29
English Learners	5.30	0.00
Foster Youth	13.33	0.00
Homeless	0.00	0.00
Socioeconomically Disadvantaged	4.70	0.12
Students Receiving Migrant Education Services	0.00	0.00
Students with Disabilities	6.93	0.00

2022-23 School Safety Plan

Johansen annually reviews and updates the school safety plan. The first Safety Committee when the Safety Plan was reviewed and approved occurred on February 3, 2022.. The plan was reviewed for possible adjustments on May 17, 2022. The plan includes procedures for crisis intervention, lockdowns, fire alarms, evacuations, and bomb threats. The school has a safety hotline for students or parents to call and leave messages regarding the safety of the students. All visitors and guests must report to the front office and register their visit in order to ensure the peaceful conduct of the school and to limit disruptions that interfere with the educational activities or learning environment. Visitors must check in with the school receptionist and present their ID for a background check through our Raptor system, sign the visitor's book, and give a reason for the visit. If approved, the visitor is given a visitor's pass that must be displayed on his/her clothing. In order to pick up/check out a student from campus, a person must present a valid photo identification and be named on the student's information list. Nonstudents without valid reasons to be on campus are directed to leave.

Johansen High School follows the discipline plan prescribed by the Board of Education of Modesto City Schools as outlined in the Student Conduct Code. The Student Conduct Code is distributed to all students at the beginning of each academic year and is reviewed with the students in their classroom. Parents are requested to sign that they have received a copy of the Conduct Code. Johansen students feel safe at school. Six campus supervisors and the Assistant Principal for Student Supervision ensure a safe learning environment for both day and evening activities. In addition to campus supervisors and the AP of Student Supervision, other site administrators make themselves available by radio and in person for any concern or disruption that should arise. Campus supervisors monitor student behavior before and after school, during lunches, and during passing periods. They respond to accidents, illnesses, and generally monitor the safety of the campus.

2019-20 Secondary Average Class Size and Class Size Distribution

This table displays the 2019-20 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	18	54	17	31
Mathematics	18	51	11	32
Science	22	20	10	21
Social Science	17	46	12	27

2020-21 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	18	62	16	36
Mathematics	17	58	11	33
Science	17	42	8	24
Social Science	17	49	12	30

2021-22 Secondary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	19	59	19	36
Mathematics	15	75	24	22
Science	15	50	17	14
Social Science	17	52	14	28

2021-22 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	480.5

2021-22 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	4.0
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	1.0
Social Worker	
Nurse	1.0
Speech/Language/Hearing Specialist	
Resource Specialist (non-teaching)	
Other	8.2

2020-21 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2020-21 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	14594.04	5407.80	9186.24	105110.01
District	N/A	N/A	9,336.43	93,071
Percent Difference - School Site and District	N/A	N/A	-1.6	12.1
State	N/A	N/A	\$6,594	85,856
Percent Difference - School Site and State	N/A	N/A	32.9	20.2

2021-22 Types of Services Funded

The Modesto City Schools Local Control and Accountability Plan (LCAP) provides detailed information on actions, services, and expenditures that support and assist students. Actions, services, and expenditures funded through past year LCAPs can be found here: <https://www.mcs4kids.com/o/mcs/page/lcff-and-lcap>. The most recent LCAP can be found here: <https://www.mcs4kids.com/o/mcs/page/lcff-and-lcap>. While the LCAP is designed to support the educational progress of all students, there are specific actions and services principally directed toward meeting the needs of our unduplicated students in closing the achievement gap.

2020-21 Teacher and Administrative Salaries

This table displays the 2020-21 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average for Districts in Same Category
Beginning Teacher Salary	61,523	51,081
Mid-Range Teacher Salary	87,787	77,514
Highest Teacher Salary	114,050	105,764
Average Principal Salary (Elementary)	131,404	133,421
Average Principal Salary (Middle)	136,168	138,594
Average Principal Salary (High)	154,950	153,392
Superintendent Salary	278,710	298,377
Percent of Budget for Teacher Salaries	32.22	31.60
Percent of Budget for Administrative Salaries	5.55	4.97

2021-22 Advanced Placement (AP) Courses

This table displays the percent of student in AP courses at this school.

Percent of Students in AP Courses

11.5

This table displays the number of AP courses offered at this school where there are student course enrollments of at least one student.

Subject	Number of AP Courses Offered
Computer Science	0
English	2
Fine and Performing Arts	0
Foreign Language	1
Mathematics	4
Science	5
Social Science	11
Total AP Courses Offered Where there are student course enrollments of at least one student.	23

Professional Development

Professional development in MCS is data driven using research-based best practices to ensure our students receive a guaranteed and viable curriculum in every grade, in every school. We use formative and summative data to drive our instructional decisions and focus for professional development. To this end, we utilize multiple structures to provide high-quality professional development to our staff including: summer training, preservice-days, district wide professional development days, after school workshops, Saturday workshops, substitute-release days, instructional coaching, Induction and intern mentor programs, Peer Assistance Review (PAR) program, as well as an Administrative Induction Program. For the fourth year, MCS has provided the opportunity for 1% compensation for certificated and management who choose to complete an extra twelve hours of professional development outside of their normal work day. We offer the same incentive for classified, but at a flat rate compensation of \$400 for the first 6 hours and \$400 for the second 6 hours of voluntary professional development hours.

MCS has prioritized our focus on mathematics, literacy across grades and content areas, collaboration, welcoming schools/customer service, English Learners, and building our capacity as professionals. This has been in addition to the needed training in new adoptions, curriculum and standard updates and the like. The professional development is sustained through site administration, district and site level instructional coaches, and intervention specialists. The Curriculum and Instruction & Professional Development Division is tasked with increasing the quality and quantity of professional development provided to classified, certificated, and managers alike.

Coming out of the COVID closures, we have focused our efforts on our Instructional Core:

- Instructional Core Vision: Every student deserves a guaranteed instructional program, not by chance, but by design, including Board-adopted curriculum, researched-based best practices, and authentic relationships and assessments that guide instruction.
- Supporting All Learners: Intentionally planning lessons with consideration for strategies, scaffolds, and interventions that create equitable learning opportunities for all students.
- Board-adopted Curriculum: Intentionally utilizing the currently adopted curriculum to ensure equitable access for all students to rigorous content standards. Understanding how the curriculum design supports students' progression over time.
- Engaging Students using Language and Literacy: Designing lessons that engage and support all learners by providing daily opportunities to interact with content through reading, writing, listening, and speaking.
- Professional Learning Communities: PLCs are the vehicle we use to guarantee the success of the Instructional Core. Fully engaging in the process of identifying what students need to learn, how it is to be taught, what to do if they don't reach mastery, and what to do if they excel, with regular review of student formative data to guide instruction.

All learners means every student regardless of gender, socio-economic level, at-risk status, racial, ethnic, or cultural background, exceptional ability, disability, or Limited English Proficiency.

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2020-21	2021-22	2022-23
Number of school days dedicated to Staff Development and Continuous Improvement	9	6	10
