On Wednesday, August 30, 2023, the Crawford ISD Board of Trustees adopted its tax rate and budget for the 2023-2024 fiscal year.

Crawford ISD adopted a tax rate that will raise more tax revenue for maintenance and operations than last year's tax rate.

The tax rate was approved at \$1.096601 per \$100 valuation, which is a decrease from the current tax rate of \$1.145699.

Despite the reduction, residents' property tax bills may be higher if the value of their property increased.

Of the \$1.096601, the maintenance and operations (M&O) portion of the rate will be \$0.760800, an \$.01821 decrease from the current rate, and the interest and sinking (I&S) rate will be \$0.335801 which is a \$.133002 increase over last year's rate.

The M&O rate decrease is due to the tax rate compression requirement of House Bill 3 passed in 2019.

Since the 2018-2019 school year, Crawford ISD's total tax rate has dropped by 15.2%.
