### **What Is Title I?**

Adairsville Elementary School has been identified as a Title I school as part of the Elementary and Secondary Education Act of 1965 (ESEA). Title I is designed to support State and local school reform efforts tied to challenging State academic standards in order to reinforce and enhance efforts to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support parental involvement. All Title I schools must jointly develop with all parents a written parental involvement plan.

## **School Plan for Shared Student Achievement**

### **What is it?**

This is a plan that describes how Adairsville Elementary School (AES) will provide opportunities to improve parent engagement to support student learning. AES values the contributions and involvement of our families to establish an equal partnership for the common goal of improving student achievement. This plan describes the many ways that AES will support parent engagement and how parents/guardians can help plan and participate in activities and events to promote student learning at school and home.

### **How is it developed?**

Adairsville Elementary School welcomes parent input and comments at any time regarding this plan. All parent feedback will be used to revise the plan for next year. The plan is posted on our school website for parents to view and post feedback throughout the year. We also distribute an annual survey by sending it home with students and posting it online to ask parents for their suggestions on the plan and the use of funds for parent involvement. Parents can also give feedback during our Annual Title I Meeting, the Spring Parent Input Meeting with school leaders to revise the plan for the upcoming school year, and any time with our Parent Involvement Coordinator by appointment.

### **Who is it for?**

All students of AES participating in the Title I, Part A program, and their families are encouraged and invited to fully participate in the opportunities described in this plan. Adairsville Elementary School will provide full opportunity for the participation of parents with limited English, parents with disabilities, and parents of migratory children.

### **Where is it available?**

The Parent Involvement Plan is available in the Parent Resource Room on campus. It is also available on the AES website at <https://www.bartow.k12.ga.us/o/adairsville-elementary>

# School-Parent-Student Compact

This is the plan describing the partnership between your family and AES

The plan is designed to reach goals to ensure student success

## What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade-level standards.

### Effective compacts:

- Link to goals of the school improvement plan
- Focus on students' learning units
- Describe how teachers will help students develop those skills using high-quality instruction
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom

You may view the [School-Parent compact](#) at any time on our school webpage or by visiting our parent resource room.

# School Improvement Plan

- Keeps a school focused and on track
- School sets goals based on data
- Goals guide staff towards overall improvement and success for every student

# 23/24 School Improvement Goals

- ▶ Increase the number of students scoring proficient or distinguished by 3 percentage points on the Georgia Milestones ELA and Science EOG assessments by the end of the 2023/2024 school year.
- ▶ Increase the number of students scoring proficient or distinguished by 3 percentage points on the Georgia Milestones Math EOG assessment by the end of the 2023/2024 school year.
- ▶ For the 2022-2023, 54.7% of office referrals were for physical aggression. For the 2023-2024 school year, our goal is to have a 5% decrease in these behaviors using our BASE Learning curriculum to support social and emotional situations by demonstrating improved desired behaviors, promoting communication with peers and adults, and learning responsible behaviors to use in personal, school and community contexts.
