According to the provisions of House Bill 251 (2009), parents/legal guardians who reside in Bartow County and are zoned for a Bartow County School can request to have their children enrolled in a school within the district, other than the one they are zoned to attend, as long as the school meets certain criteria. If students transfer to another school in compliance with the process established by the Bartow County School System, the parents/legal guardians must assume all expenses and responsibilities related to the transportation of the students to and from the new school. Transferring students are required to maintain acceptable attendance, grades and behavior. Parents/legal guardians are expected to maintain a cordial and cooperative working relationship with school personnel.

**Out of Zone:** Resides in Bartow County but NOT within the city limits of Cartersville

**Out of District:** Resides in Cartersville City or an adjacent county (subject to Principal approval; tuition is required)

**The district's 2024-25 application process will open at 8:00 a.m. on February 5, 2024, and will close at 3:00 p.m. on February 29, 2024. No additional applications will be taken after 3:00 p.m. on February 29th.** Applications will be made available online, [www.bartow.k12.ga.us](http://www.bartow.k12.ga.us), at the Bartow County

School System's Central Office, the Central Registration Office, as well as the individual schools.

**NOTE: All applications will be made available beginning February 5<sup>th</sup>.**

Questions or concerns related to this process should be directed to Alyson Prater at 770.606.5800 ext 2196.

**\*Available space is based on enrollment and teacher allotments. Not every school listed will have space available at every grade level.**
