### HANOVER PARK REGIONAL HIGH SCHOOL BOARD ANNOUNCES CANDIDACY INFORMATION

[May 21, 2024] —The Hanover Park Regional High School District has information available for citizens interested in running for the board of education.

The Hanover Park Regional High School District Board of Education will have **four** vacancies in the November 5, 2024, Annual School Election, William F. Albert, Jr., a spokesperson for the school board, announced. A full term on the school board runs for three years. There are two three-year terms for Florham Park Township and two three-year terms for Hanover Township.

A candidate must file a nominating petition with the county clerk for their name to appear on the ballot during the November Annual School Election. The deadline to submit the nominating petition is 4:00 p.m. July 29, 2024. The election is scheduled for Tuesday, November 5, 2024.

Prospective school board candidates can download candidate information from the New Jersey School Boards Association's web site at [NJSBA School Board Candidate Kit](#). The School Board Candidate Kit includes information about nominating petitions, legal qualifications for school board candidacy, and the role of the school board member. Information about the New Jersey School Ethics Act and important dates in the school election process are also included.

One of the most meaningful contributions that citizens can make to their community is serving on the local board of education," said Karen Cortellino, M.D, New Jersey School Boards Association president. "I encourage all interested citizens to consider school board membership. School board elections are non-partisan and service does not require a background in education. However, it does require a sincere interest in the community, its children, and their education."
