

Checking Pay Information

We email you a pay stub prior to payday. Your paystub will come from an Ascender email address, so be on the lookout.

You can also check pay information by clicking the arrow to drop down the Inquiry Menu.

Current pay information will give you current monthly, hourly, and overtime rates.

Deductions will give you the details of items that are deducted from your check, such as taxes and insurance.

Earnings will give you the details of each paycheck. Be sure to click Pay Dates at the top to move between months.

You can also see your W-2 information, although we also print those for you annually.
