Dear FBLA Student, Parents/Guardians, and Businesses:

To help support students joining our Walnut Grove R-V Schools FBLA chapter, you have the opportunity to **SPONSOR AN FBLA STUDENT!** This sponsorship will cover your student's District-13 level fees plus help assist in multiple field trip opportunities throughout the school year. ***If your student makes it to State and/or National competition, they will have the opportunity to raise sponsorships again to cover the costs of their registration, travel, hotel, and food expenses as those experiences carry quite an expense.***

For students to be enrolled in FBLA there is a yearly state and national fee. This ensures they are enrolled in the association which is a big resume booster! Students are strongly encouraged to compete and there are travel costs, entry fees, and various other operational costs associated with that as well. We are hoping through the **SPONSOR AN FBLA STUDENT** program, these fees will provide our students a way to participate in FLBA without the financial burden placed on the family.

Here is how you can help: We need students to be actively inviting people from the local business community to provide sponsorships for the school year! For tax purposes, our Federal Tax ID Number is 126-21960. ***If a business sponsors a student, please have them email Dr. Kristina Loveland a copy of their logo for website/social media recognition at kloveland@wgtigers.com! Your student will receive the following with each sponsorship level:***
