I.W.I.N Foundation's Mission - Giving Indiana women the strength to endure breast cancer treatment by providing individualized services and support. In 2023, we were **able to raise \$24,045.84** & helped over 50 women in need. I.W.I.N. makes it a priority that the **Pink Out** funds will assist women in Shelby County first, then women from the surrounding counties.

If you would like to donate to IWIN using your credit card, the process is easier than ever!
