

# Elkton Charter School Principal Search

## Principal Search Underway!

The school board has selected [BreakThrough Consulting](#) to assist with the search.

Over the next two months, the Elkton School board will be conducting a search to recruit and hire a permanent principal for their secondary school. Activities include an [electronic survey](#) to help determine the characteristics and qualities to look for in their next leader. Interested stakeholders can provide feedback to the board with a survey tool from now until February 29th, 2024.

The [electronic application](#) is open until March 3rd, and BreakThrough Consulting is in process of collecting applications, so if you know of someone who would be interested in applying, please encourage them to do by forwarding this notification. You may contact consultant [Rob Hess](#) who has been hired to assist with the search if you have any questions about the process.

The Elkton School District serves approximately 240 students in two schools, located in Northern Douglas County, 38 miles North of Roseburg and about 30 minutes south of Cottage Grove. The local economy is one based on agriculture and forestry. Our location allows for an easy commute into Roseburg, Sutherlin Cottage Grove, Drain and Reedsport.

Elkton Schools are the hub of the community and serve as a gathering place for both school and non-school activities. Elkton School District enjoys the support of several community organizations. In 2019, the community approved a capital construction bond in the amount of \$3.2 million, which allowed the district to remodel part of the grade school, adding safety features and other upgrades. The district was able to also build a new gym and three Middle School classrooms.

Elkton High School has a dedicated team of teachers and classified personnel, both experienced and developing. The school boasts growing programs and a cadre of specialists supporting students and teachers in the areas of PE, Art, Music, Science, Math, Reading, and Social-Emotional Learning. Our programs continue to evolve and grow, and we look forward to better developing our Natural Resources based curriculum in the coming years.
