**Attention Class of 2024!**

We are getting closer to your graduation day! There will be more communication on other events at a later date. However, we wanted to get you thinking about one of those events. Osakis will be having a Baccalaureate service for all seniors on 5/19. There will be a short meeting with Lexi Carlson and possibly some other local pastors on April 30th at 12:20 in the auditorium. They are looking for volunteer students to speak during the Baccalaureate service. You will eat lunch quickly and then head to the auditorium at 12:10. Please reach out with any questions!

**College Rep Visit:** (During Sr. High Lunch)
